couples have a constitutional right to marry In doing so the book looks closely at the gay marriage cases that reached the Supreme Court and explains why the constitutionality of same sex marriage bans could not be defended on the basis that maintaining marriage as an exclusively heterosexual institution promoted the best interests of children Same Sex Marriage and Children will help lawyers law professors judges legislators social and political scientists historians and child welfare officials as well as general readers interested in matters related to marriage and families understand the empirical and legal issues behind the intersection of same sex marriage and children s welfare *The African-American Teenagers Guide to Personal Growth, Health, Safety, Sex, and Survival* Debrah Harris-Johnson,2001 A guide to understanding the world and how to live in it successfully discussing safety survival sex money time and responsibility *Afro-Caribbean Dynamics of Sex and Relationships* Kai A.D. **Sex, Preference, and Family** David M. Estlund,Martha C. Nussbaum,1998-06-18 The public furor over issues of same sex marriages gay rights pornography and single parent families has erupted with a passion not seen since the 1960s This book gathers seventeen eminent philosophers and legal scholars who offer commentary on sexuality including sexual behavior sexual orientation and the role of pornography in shaping sexuality on the family including both same sex and single parent families and on the proper role of law in these areas The essayists are all fiercely independent thinkers and offer the reader a range of bold and thought provoking proposals Susan Moller Okin argues for instance that gender ought to be done away with that differences in biological sex ought to have no more social relevance than one s eye color or the length of one s toes and she urges that we look to same sex couples as a model for households and families in a gender free society And Cass Sunstein suggests that the Supreme Court case *Loving vs Virginia* which overthrew the ban on interracial marriages in Virginia might be a precedent for overturning laws that bar same sex marriage just as *Loving* overturned miscegenation laws because they were at the service of white supremacy Sunstein shows the laws against same sex marriages and homosexuality are at the service of male supremacy and might also be overturned Of vital importance to anyone interested in sexuality
