Sex Confronting Sexuality:

Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States National Research Council, Institute of Medicine, Committee on Law and Justice, Board on Children, Youth, and Families, Committee on the Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States, 2013-12-12 Every day in the United States children and adolescents are victims of commercial sexual exploitation and sex trafficking Despite the serious and long term consequences for victims as well as their families communities and society efforts to prevent identify and respond to these crimes are largely under supported inefficient uncoordinated and unevaluated *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* examines commercial sexual exploitation and sex trafficking of U S citizens and lawful permanent residents of the United States under age 18 According to this report efforts to prevent identify and respond to these crimes require better collaborative approaches that build upon the capabilities of people and entities from a range of sectors In addition such efforts need to confront demand and the individuals who commit and benefit from these crimes The report recommends increased awareness and understanding strengthening of the law s response strengthening of research to advance understanding and to support the development of prevention and intervention strategies support for multi sector and interagency collaboration and creation of a digital information sharing platform A nation that is unaware of these problems or disengaged from solutions unwittingly contributes to the ongoing abuse of minors If acted upon in a coordinated and comprehensive manner the recommendations of *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* can help advance and strengthen the nation s emerging efforts to prevent identify and respond to commercial sexual exploitation and sex trafficking of minors in the United States

Confronting Sexual Harassment Anna-Maria Marshall, 2017-03-02 Examining the relationship between law and social change in the context of employees everyday problems with sexual harassment this volume elaborates a framework for studying the role of law in everyday acts of resistance what the author calls the legal consciousness of injustice The framework situates the analysis in the context of a specific social problem and its related legal domain It de centres the law by accounting for the way that social movements counter movements policy makers and powerful institutions frame the debate surrounding the social problem Drawing on frame analysis developed in social movement studies this aspect of the approach specifically incorporates other schema and shows how law supports both oppositional and dominant interpretations of experience Following the stages of a dispute the framework then examines the way that people use frames to make sense of their experiences [Sex Confronting Sexuality](#) Kerry Phelps, 1993-04-01 **Confronting Sexual Exploitation of Homeless Youth** , 1991 [Human Sexuality](#) Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of

disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists *Facing the Complexities of Women's Sexual Desire* Vera S. Maass,2006-11-22 This book represents a broad based approach to a narrow but complex issue The issue causes distress for many and has been instrumental in family disruption and divorce Women s sexual desire whether it is too little or too much has become an issue of growing concern and vague promises for solution In the meantime the women are looking for answers consulting professionals in the field of human sexuality physicians or therapists media advice and self help books The material discussed in this book is not part of any structured research The women encountered in the pages of this book have not been selected on a random basis Some have been clients some are volunteers from the general population and another group is made up of undergraduate college students The college s dents came from a varied ethnic and cultural background while the clients mainly were of white and African American background The volunteers were predominantly from a white middle class population There is no claim that the women are representative of all women in the general population **Sexual Abuse in Nine North American Cultures** Lisa Aronson Fontes,1995-04-17 The impact of culture on sexual abuse issues is only beginning to be understood In minority populations sexual abuse can be overlooked or survivors can be inappropriately treated because of cultural or linguistic misunderstandings racism or homophobia This volume contains culture specific chapters that consider ways in which cultural norms can be used to protect children and promote healing from sexual abuse **Confronting Child Sexual Abuse** Anne M Nurse,2021-02-05 A sociological study of how media coverage social movements and personal experience shape our views of victims and offenders *Confronting Rape and Sexual Assault* Mary E. Odem,Jody Clay-Warner,1998 Examines the issue of sexual violence from various perspectives including sociology criminology anthropology public health and women s studies This collection analyzes social and institutional factors that contribute to their occurrence and provides strategies for prevention and change *Sexual Anorexia* Patrick J Carnes,2009-08-07 A first time examination of sexual anorexia an extreme fear of sexual intimacy and obsessive avoidance of sex by the acknowledged leader in the treatment of compulsive sexual behavior and recovery Author Dr Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder sexual addiction and compulsivity often arise from a background of childhood sexual trauma neglect and other forms of abuse Carnes explores the numerous dimensions of sexual health examining key issues which must be addressed and resolved for recovery to proceed Utilizing extensive research and elucidating case studies Carnes develops concrete tasks and plans for restoring nurturing and sensuality building fulfilling relationships exploring intimacy and creating healthy sexuality Woven throughout the book are stories of recovery which illustrate sexual healing principles model new behavior and support motivation for change Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but instead a deeply sensual passionate fulfilling and spiritual

experience that all human beings are innately entitled to **A Review of Sexual Misconduct by Basic Training Instructors at Lackland Air Force Base** United States. Congress. House. Committee on Armed Services,2013

Confronting Child and Adolescent Sexual Abuse Cynthia Crosson-Tower,2014-01-30 Confronting Child and Adolescent Sexual Abuse is the first text to examine the history theory treatment and prevention of this complex phenomenon With in depth insights into the psychologies of victims their families and the perpetrators this comprehensive text shows readers how to recognize the symptoms and impact of childhood sexual abuse critically engage with the unique nature of each case complete a thorough assessment develop a treatment plan and effectively intervene in critical situations A national expert on child abuse and neglect and the author of numerous books and publications Cynthia Crosson Tower addresses a wide range of special topics and helps readers prepare for working in this challenging professional field This is sure to become the definitive classic text in courses preparing students for competent practice with sexually abused children and adolescents Barbara Nowak Albany State University This text opens with a history of sexual abuse offers models for treatment and assessment and provides excellent insights into many of the major sexual abuse dynamics of our times Finally we have a textbook that is very relevant for our times Nancy DeCesare Chestnut Hill College **Human Sexuality** Ami Rokach,Karishma Patel,2021-01-22 Human sexuality touches us all pun intended We all either enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one s self esteem self respect and to relationships with intimate partners Human Sexuality Function Dysfunction Paraphilias and Relationships explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilias and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior Bolshevik Sexual Forensics Dan Healey,2022-11-15 In an effort to modernize criminal and civil investigations early Bolsheviks gave forensic doctors most of whom had been trained under the tsarist regime new authority over issues of sexuality Revolutionaries believed that forensic medicine could provide scientific and objective solutions to sexual disorder in the new society Bolshevik Sexual Forensics explores the institutional history of Russian and Soviet forensic medicine and examines the effects of its authority when confronting sexual disorder

Healey compares sex crime investigations from Petrograd and Sverdlovsk in the 1920s to the numerous publications by forensic doctors and psychiatrists of the prerevolutionary and early Soviet periods to illustrate the role that these specialists played. In addition, Healey presents a fascinating look at how doctors diagnosed and treated hermaphroditism, showing how Soviet physicians revolutionized the standard scientific view in these cases by taking into account individual desire. This study sheds light on unexplored radical and reactionary forces that shaped the Bolshevik sexual revolution as lawmakers defined new ways of seeing sexual crime and disorder. Forensic doctors struggled to interpret the replacement of the age of consent with a standard of sexual maturity, a designation that made female sexuality a collective resource, not part of an individual's personality. Innocence, experience, and virginity played a major role in the expertise doctors furnished in rape and abuse trials. Psychiatrists recoiled from the language of sexual psychology in their investigations of sex criminals. Yet in the clinic, Soviet physicians probed the desires of the two-sexed citizen, whose psychology served as the basis for a distinctly modern approach to the erasure of the hermaphrodite. Healey concludes that the vision of men and women as equals after a sexual revolution was undermined from the outset of the Soviet experiment. Law and medicine failed to protect women and girls from violence, and Soviet medicine's physiological and biological model of sexual citizenship erased the vision of sexual self-expression, especially for women. This groundbreaking study will appeal to Soviet historians and those interested in gender studies, sexuality, medicine, and forensics.

Handbook of Clinical Sexuality for Mental Health Professionals Stephen B. Levine, Candace B. Risen, Stanley E. Althof, 2011-01-19. The constantly changing field inspired the second edition of *Handbook of Clinical Sexuality for Mental Health Professionals*. In a state-of-the-art guide, Dr. Levine and his associates continue to help professionals with the assessment and treatment of a large array of sexual concerns. Written in a personal supervisory style, the book will help new therapists anticipate clinical contingencies and help experienced therapists refine their thinking and teaching. Easily accessible, the *Handbook* is divided into six major sections with helpful annotated references: Being a Therapist, Intimacy, Sexual Dysfunction, Sexual Identity, Struggles, The Forgotten, and Additional Vital Topics. Twenty-one chapters have been thoroughly revised and updated, and five new ones have been added. These focus on gay and lesbian life, transitioning to single life, cancer survivorship, the sexual issues of the developmentally challenged, and sex among the aging.

Sexual Dysfunction: Beyond the Brain-Body Connection R. Balon, 2011-10-11. During the last years, human sexuality has been the focus of interest and study by various disciplines. In this volume, a multidisciplinary team of international experts discuss contemporary issues of human sexuality, from updates on diagnosis to the management of various sexual dysfunctions. Reviews of the management of several female sexual dysfunctions, the impact of cancer on sexual functioning, the impact of trauma on sexual desire and function, as well as the newest trends in sex therapy, androgen deprivation, treatment of sexual behavior, and autogynephilia are discussed in detail. Further, the complex interplay between the field of human sexuality and the Internet, psychological and cultural aspects of infertility are reviewed. A large amount of clinical material on topics rarely

covered in other volumes will prove invaluable reading to clinicians from various disciplines such as psychiatry psychology urology gynecology sexology and sex therapy Sexual Harassment V. P. Argos,1999 The topic of sexual harassment is a real threat to society in spite of its downplaying by a large segment of society including the 42nd President of the United States This book presents analyses designed to help shed light on it and a bibliography sorted for ease of use **Sexual Inequalities and Social Justice** Niels Teunis,Gilbert H. Herdt,2007 This pioneering collection of ten ethnographically rich essays signals the emergence of a new paradigm of social analysis committed to understanding and analyzing social oppression in the context of sexuality and gender The contributors an interdisciplinary group of social scientists representing anthropology sociology public health and psychology illuminate the role of sexuality in producing and reproducing inequality difference and structural violence among a range of populations in various geographic historical and cultural arenas In particular the essays consider racial minorities including Hispanics Koreans and African Americans discuss disabled people examine issues including substance abuse sexual coercion and HIV AIDS and delve into other topics including religion and politics Rather than emphasizing sexuality as an individual trait the essays view it as a social phenomenon focusing in particular on cultural meaning and real world processes of inequality such as racism and homophobia The authors address the complex and challenging question of how the research under discussion here can make a real contribution to the struggle for social justice *Critical Sexual Literacy* Gilbert Herdt,Michelle Marzullo,Nicole Polen Petit,2021-08-03 This book is a new and exciting resource for teachers students and activists who aim to critically examine contemporary sexuality through the lens of sexual literacy and situated social analysis This original anthology provides shorter cutting edge essays on theory method and activism including the nature of globalization and local sexuality discovered in global topics processes and contexts These cutting edge essays inform readers of key moments in sexual history including areas relating to research practice and social policy and provide a platform from which to engage in rich discussion and forecast the development of sexual literacy in our world within multiple contexts Marital and Sexual Lifestyles in the United States Linda P Rouse,2013-12-16 Learn the changing role of sexuality in American life This helpful book offers a solid background in the sociology of family life and personal sexuality Marital and Sexual Lifestyles in the United States Attitudes Behaviors and Relationships in Social Context is designed to give readers a broad view of the diversity of contemporary U S attitudes behaviors and relationships It also covers basic sociological concepts and research methods Most human sexuality texts focus on the individual whereas texts designed for sociology courses on the family downplay individual sexual expression Marital and Sexual Lifestyles in the United States integrates the two approaches The choices of the individual take on additional meaning when seen within a unified historical statistical and conceptual framework Marital and Sexual Lifestyles in the United States gives readers the tools to consider such pressing issues as Does the divorce rate mean that the institution of marriage is in trouble Are children s futures impaired if they come from single parent households Should same sex couples

be allowed to marry How does marriage differ from cohabitation What are the real sexual differences between the genders What is sexual morality How much confidence can we place in studies of human sexuality by such social scientists as Alfred Kinsey and Masters and Johnson These questions and others like them are placed in the context of U S social trends beginning with the 1950s and moving toward today Plentifully illustrated with tables charts and figures that show where we are going as well as where we have been Marital and Sexual Lifestyles in the United States gives a clear perspective on relationships in social context
