Sex Its Worth Waiting For:

Sex: It's Worth Waiting For Greg Speck, 2007-01-01 God has a perfect design for great sex with one person in a committed marriage But get outside of that design and you are headed for destruction Good sex is a gift that God wants to give you but exposed to air outside of marriage this gift turns sour Lust overcomes love and risks of disease abuse and pregnancy are real Sex It s Worth Waiting For will answer some of your honest questions like How far can we go before we ve gone too far and If we love each other why should we wait Making right choices today will give you the good sex you desire later Whether you re tempted by the thrill or longing for love don t be fooled God desires so much more for you

Making Chastity Sexy Christine J. Gardner, 2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism s transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa

The Quick-Reference Guide to Counseling Teenagers Tim Clinton, Chap Clark, 2010-08-01 Youth culture changes rapidly so those in the position to counsel teens often find themselves ill informed and ill prepared to deal with the issues that teens routinely encounter today The Quick Reference Guide to Counseling Teenagers provides the answers It is an A Z guide for assisting people helpers pastors professional counselors youth workers and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations Each of the 40 topics covered follows a helpful eight part outline and identifies 1 typical symptoms and patterns 2 definitions and key thoughts 3 questions to ask 4 directions for the conversation 5 action steps 6 biblical insights 7 prayer starters and 8 recommended resources

Forbidden Fruit Mark D. Regnerus, 2009-08-19 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents

schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren't less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations The only and largely ineffective sexual message most religious teens are getting is Don't do it until you're married Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making

Living for Jesus Beyond the Spiritual High Greg Speck, 2008-01-01 You soar on a spiritual high at a retreat or fly with emotion at a special meeting You joyously revel in the presence of your friends at a party But when the feelings are gone what will keep you going Can you really keep a relationship with Jesus that is vibrant even in the boring times Faith based on fact will do it God's Word will give you strength for a steady walk when the emotions are gone This book does more than entertain it is practical Greg Speck's interesting style will keep you reading and growing for the long haul after the party is over and you're slugging it out in everyday life

Sex Greg O Speck, 2021-04-27 This book was first published in 1989 and was runner up for book of the year award It was rewritten in 2007 and now again in 2021 It has remained popular because it speaks the truth about sex It's a radical and counter cultural book that calls men and women to purity God created sex and knows how we can experience it at its very best He calls us to wait to have sex while we are dating and believe it or not there are great reasons why we should seek purity beyond God says Yes I'm calling you to do something hard but nothing of worth or value is ever easy Alice Cooper says Drinking beer is easy Trashing your hotel room is easy But being a Christian that's a tough call That's rebellion So come join the rebellion as we reestablish our standards and learn why Sex is still worth waiting for

Pont Marie Al Stotts,2011-04-19 Metempsychosis refers to the passing of the soul at death into another body either human or animal At its most basic it refers to reincarnation but the theory of past lives can have overwhelming consequences especially when memories of these past lives seep into the life we currently live Just ask a modern day middle aged New Mexico gentleman whose dreams threaten his reality According to his dreams this unassuming man was once a printer in seventeenth century Paris and then a United States senator Prior to both of these lives he was an Anasazi sun priest in the eleventh century At first it was easy to ignore his dreams However thanks to their persistence this man must come to terms with the ramifications of his past lives and how they may affect the life he currently struggles to lead Set above the backdrop of an ancient bridge in Paris Pont Marie is the narrative of places people and things once forgotten but enlivened in one mans mind How can he thrive in his current life when the past permeates his present How can he hold together relationships when ancient relationships still haunt Will his quest for closure leave him cleansed or perhaps insane
