Sex Science And Morality In China:

Sex, Science and Morality in China Joanna McMillan, 2014-07-30 After decades of near silence on the matter sex is being talked about in China But what is being said Who is allowed to speak And whose purposes are being served This ground breaking book takes a critical look at how sex in China is thought and talked about Drawing on the work of the country's foremost sex experts and years of research in the field it gives an overview of the sexual landscape in China today Including new material on transsexuals fetishism sex aids and pornography the book shows that the dominant ways of thinking about sex are neither innocent nor inconsequential and that amid catalogues of prescriptions linking self management to the collective good people are making decisions about how to live their sexual lives The most lively and accessible critique of sexual discourse this book will be essential reading for scholars in Chinese studies cultural studies and sexuality and gender studies

Sex, Science and Morality in China Joanna McMillan, 2009-04-15 Drawing on interviews with China's foremost sex experts this book provides a detailed examination of the political social and moral ramifications of gender sex and sexuality in China today

Sex and Sexuality in China Elaine Jeffreys, 2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People's Republic of China Commissioned from Western and mainland Chinese scholars of sex and sexuality in China the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns First the book situates China's changing sexual culture and the nature of its governance in the socio political history of the PRC Second it shows how China's shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens Finally the book demonstrates that the Chinese state does not operate strictly to repress sex it also is implicated in the creation of new spaces for sexual entrepreneurship expertise and consumption This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post socialist societies and culture directly appealing to both East Asia and China specialists

Sex in China Elaine Jeffreys, 2015-06-05 Choice Outstanding Academic Title for 2015 Sex in China introduces readers to some of the dramatic shifts that have taken place in Chinese sexual behaviours and attitudes and public discussions of sex since the 1980s The book explores what it means to talk about sex in present day China where sex and sexuality are more and more visible in everyday life Elaine Jeffreys and Haiqing Yu situate China's changing sexual culture and how it is governed in the socio political history of the Peoples Republic of China They demonstrate that Chinese governmental authorities and policies do not set out strictly to repress sex they also create spaces for the emergence of new sexual subjects and subjectivities They discuss the complexities surrounding the ongoing explosion of commentary on sex and sexuality in the PRC and the emergence of new sexual behaviours and mores Sex in China offers clear critical coverage of sex related issues that are a focus of public concern and debate in China chapters focus on sex studies marriage and family

planning youth and sex iness gay lesbian and queer discourses and identities commercial sex and HIV AIDS This book will be an invaluable resource for students and scholars both of modern China and of sex and sexualities who wish to understand the role that sex plays in contemporary China **The Sexual History of the Global South** Saskia Wieringa,Horacio Sívori,2013-04-11 The Sexual History of the Global South explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women s sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance *Reproductive Realities in Modern China* Sarah Mellors Rodriguez,2023-01-19 Lasting from 1979 to 2015 China s One Child Policy is often remembered as one of the most ambitious social engineering projects to date and considered emblematic of global efforts to regulate population growth during the twentieth century Drawing on a rich combination of archival research and oral history Sarah Mellors Rodriguez analyses how ordinary people particularly women navigated China s shifting fertility policies before and during the One Child Policy era She examines the implementation and reception of these policies and reveals that they were often contradictory and unevenly enforced as men and women challenged reworked and co opted state policies to suit their own needs By situating the One Child Policy within the longer history of birth control and abortion in China *Reproductive Realities in Modern China* exposes important historical continuities such as the enduring reliance on abortion as contraception and the precariousness of state control over reproduction Translating Feminism in China Zhongli Yu,2015-06-05 This book explores translation of feminism in China through examining several Chinese translations of two typical feminist works *The Second Sex* TSS Beauvoir 1949 1952 and *The Vagina Monologues* TVM Ensler 1998 TSS exposes the cultural construction of woman while TVM reveals the pervasiveness of sexual oppression toward women The female body and female sexuality including lesbian sexuality constitute a challenge to the Chinese translators due to cultural differences and sexuality still being a sensitive topic in China This book investigates from gender and feminist perspectives how TSS and TVM have been translated and received in China with special attention to how the translators meet the challenges Since translation is the gateway to the reception of feminism an examination of the translations should reveal the response to feminism of the translator as the first reader and gatekeeper and how feminism is translated both ideologically and technically in China The translators decisions are discussed within the social historical and political contexts *Translating Feminism in China* discusses among other issues Feminist Translation Practice Theory and Studies Translating the Female Body and Sexuality Translating Lesbianism Censorship Sexuality and Translation This book will be relevant to postgraduate students and researchers of

translation studies It will also interest academics interested in feminism gender studies and Chinese literature and culture Zhongli Yu is Assistant Professor of Translation Studies at the University of Nottingham Ningbo China UNNC *Cultivating Global Citizens* Susan Greenhalgh, 2010-10-15 Current accounts of China's global rise emphasize economics and politics largely neglecting the cultivation of China's people Susan Greenhalgh one of the foremost authorities on China's one child policy places the governance of population squarely at the heart of China's ascent Focusing on the decade since 2000 and especially 2004-09 she argues that the vital politics of population has been central to the globalizing agenda of the reform state By helping transform China's rural masses into modern workers and citizens by working to strengthen technoscience and legitimize the PRC regime and by boosting China's economic development and comprehensive national power the governance of the population has been critically important to the rise of global China After decades of viewing population as a hindrance to modernization China's leaders are now equating it with human capital and redefining it as a positive factor in the nation's transition to a knowledge based economy In encouraging human development the regime is trying to induce people to become self governing self enterprising persons who will advance their own health education and welfare for the benefit of the nation From an object of coercive restriction by the state population is being refigured as a field of self cultivation by China's people themselves

Rethinking China in the 1950s Mechthild Leutner, 2007 The articles in this issue deal with various aspects of the on going re evaluation and reconsideration of the far reaching political economic and ideological transformation of China in the 1950s exploring the broader themes in various subfields and from different perspectives There is a special focus on specific developments in the early 1950s on land reform and the significance of this for the political consolidation of the new People's Republic on state violence and mass crimes on the state discourse on housewives and housework on the establishment of Chinese as a foreign language at Peking University from the perspective of an eye witness Two studies deal with developments in the field of historiography the first analyses the discussions of Chinese intellectuals in the late 1950s who were seeking to establish historical legitimacy the second highlights recent debates among historians and intellectuals who have been creating new master narratives and have been involved in pluralistic terms in newly constructing the history of the 1950s especially with regard to the Great Leap Forward and the 1957 Anti Rightist Movement

Historicising Gender and Sexuality Kevin P. Murphy, Jennifer M. Spear, 2011-09-07 Historicising Gender and Sexuality features a diverse collection of essays that shed new light on the historical intersections between gender and sexuality across time and space Demonstrates both the particularities of specific formulations of gender and sexuality and the nature of the relationship between the categories themselves Presents evidence that careful and contextualised analysis of the shifting relationship of gender and sexuality illuminates broader historical processes

Sexology and Translation Heike Bauer, 2015-10 Examines the shape and shaping of sexual ideas and related scientific practices and cultural representations in parts of Europe Asia the Middle East and South America between the late 19th

century and the years leading up to World War II offering insights on the intersections between sexuality and modernity in a range of disciplinary cultural and trans national contexts Routledge Handbook of Sexuality Studies in East Asia Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences Queer Sinophone Cultures Howard Chiang, Ari Larissa Heinrich, 2013-11-26 The Sinophone framework emphasises the diversity of Chinese speaking communities and cultures and seeks to move beyond a binary model of China and the West Indeed this strikingly resembles attempts within the queer studies movement to challenge the dimorphisms of sex and gender Bringing together two areas of study that tend to be marginalised within their home disciplines Queer Sinophone Cultures innovatively advances both Sinophone studies and queer studies It not only examines film and literature from Mainland China but expands its scope to encompass the underrepresented Sinophone world at large in this case Taiwan Hong Kong Malaysia Singapore and beyond Further where queer studies in the U S Europe and Australia often ignore non Western cultural phenomena this book focuses squarely on Sinophone queerness providing fresh critical analyses of a range of topics from works by the famous director Tsai Ming Liang to the history of same sex soft core pornography made by the renowned Shaw Brothers Studios By instigating a dialogue between Sinophone studies and queer studies this book will have broad appeal to students and scholars of modern and contemporary China studies particularly to those interested in film literature media and performance It will also be of great interest to those interested in queer studies more broadly **Embodying Middle Class Gender Aspirations** Kailing Xie, 2021-04-25 This book takes a feminist approach to analyse the lives of well educated urban Chinese women who were raised to embody the ideals of a modern Chinese nation and are largely the beneficiaries of the policy changes of the post Mao era It explores young women s gendered attitudes to and experiences of marriage reproductive choices careers and aspirations for a good life It sheds light on what keeps mainstream Chinese middle class women

conforming to the current gender regime It illuminates the contradictory effects of neoliberal techniques deployed by a familial authoritarian regime on these women s striving for success in urban China and argues that paradoxically women s individualistic determination to succeed has often led them onto the path of conformity by pursuing exemplary norms which fit into the party state s agenda

Adolescent Identity Bonnie Lynn Hewlett,2013 As our world becomes increasingly permeable and as human populations are rapidly converging and transitioning within a global interconnectedness it is vital that we look to and learn from those most adept at the adaptation creation and contesting of culture adolescents This text is designed to bridge critical gaps in the understanding of the daily lives identity development and experiences of adolescents in diverse cultures around the world Cultural context is predictive of developmental uniqueness comparisons provide insights into how social structures and relationships influence the manifestation of individual patterns of development and experience In quantitative and qualitative detail the contributors relate the nature of adolescent life to cultural biological ecological demographic and social variables The findings of this book will be relevant not only to other social anthropologists but also to sociologists and developmental educational psychologists

Too Hot to Handle Jonathan Zimmerman,2015-02-22 The first comprehensive history of sex education around the world Too Hot to Handle is the first truly international history of sex education As Jonathan Zimmerman shows the controversial subject began in the West and spread steadily around the world over the past century As people crossed borders however they joined hands to block sex education from most of their classrooms Examining key players who supported and opposed the sex education movement Zimmerman takes a close look at one of the most debated and divisive hallmarks of modern schooling In the early 1900s the United States pioneered sex education to protect citizens from venereal disease But the American approach came under fire after World War II from European countries which valued individual rights and pleasures over social goals and outcomes In the so called Third World sex education developed in response to the deadly crisis of HIV AIDS By the early 2000s nearly every country in the world addressed sex in its official school curriculum Still Zimmerman demonstrates that sex education never won a sustained foothold parents and religious leaders rejected the subject as an intrusion on their authority while teachers and principals worried that it would undermine their own tenuous powers Despite the overall liberalization of sexual attitudes opposition to sex education increased as the century unfolded Into the present it remains a subject without a home Too Hot to Handle presents the stormy development and dilemmas of school based sex education in the modern world

Chinese Translation Studies in the 21st Century Roberto Valdeon,2018-11-09 Chinese Translation Studies in the 21st Century which presents a selection of some of the best articles published in the journal Perspectives in a five year period 2012 2017 highlights the vitality of Translation Studies as a profession and as a field of enquiry in China As the country has gradually opened up to the West translation academic programmes have burgeoned to cater for the needs of Chinese corporations and political institutions The book is divided into four sections in which authors explore theoretical and conceptual issues such as the

connection between translation and adaptation multimodality and the nature of norms audiovisual translation including studies on news translation and the translation of children s movies bibliographies and bibliometrics to assess for example the international visibility of Chinese scholars and interpreting analyzing pauses in simultaneous interpreting and sign language among other aspects The book brings together well established authors and younger scholars from universities in mainland China Hong Kong Macao and Taiwan The chapters in this book were originally published in various issues of Perspectives Studies in Translatology

Migrants In Chinese Megacities: Producing Transient Urban Spaces In The Pearl River Delta Bettina Gransow, 2025-07-23 This book starts from the assumption that there is no single path of migrant integration or incorporation into the megacity It then asks what kinds of migrant pathways into the Chinese megacity might be discovered by studying migrants own agency Based on over one hundred qualitative interviews conducted in the Pearl River Delta the micro studies in this volume show how different high risk migrant groups voluntary and involuntary blue collar and white collar internal and international connect to the megacity through their everyday routines and practices constituting and appropriating transient urban spaces It also examines the responsiveness of the Chinese government s migration policies from the perspective of these different migrant groups The study brings aspects of migration sociology and risk sociology into dialogue with each other and with urban China studies Linked to ideas of the global risk society and planetary urbanisation the study provides an empirical and theoretical building block beyond China s national development Its findings are expected to contribute to current debates on restricting or promoting migration to Chinese megacities

Rebel Men Pamela Hunt, 2022-05-10 Masculinity fast changing and regularly declared to be in the throes of crisis is attracting more popular and scholarly debate in China than ever before At the same time Chinese literature since 1989 has been characterized as brimming with countercultural attitude This book probes the link between literary rebellion and manhood in China showing how as male writers critique the outcomes of decades of market reform they also ask the same question how best to be a man in the new postsocialist order In this first full length discussion of masculinity in post 1989 Chinese literature Pamela Hunt offers a detailed analysis of four contemporary authors in particular Zhu Wen Feng Tang Xu Zechen and Han Han In a series of insightful readings she explores how all four writers show the same preoccupation with the figure of the man on the edges of society Drawing on longstanding Chinese and global models of maverick as well as marginal masculinity and responding to a desire to retain a measure of masculine authority their characters all engage in forms of transgression that still rely heavily on heteronormative and patriarchal values *Rebel Men* argues that masculinity so often overlooked in literary analysis of contemporary China continues to be renegotiated debated and agonized over and is ultimately reconstructed as more powerful than before An exceptionally lucid elegant study of masculinity in mainland Chinese fiction of the 1990s and 2000s Both historically and theoretically informed *Rebel Men* Masculinity and Attitude in Postsocialist Chinese Literature offers a major new perspective on post 1989 Chinese counterculture Julia Lovell Birkbeck

University of London *Sissi's World* Maura E. Hametz, Heidi Schlipphacke, 2018-07-12 *Sissi's World* offers a transdisciplinary approach to the study of the Habsburg Empress Elisabeth of Austria. It investigates the myths, legends, and representations across literature, art, film, and other media of one of the most popular, revered, and misunderstood female figures in European cultural history. *Sissi's World* explores the cultural foundations for the endurance of the Sissi legends and the continuing fascination with the beautiful empress, a Bavarian duchess born in 1837, the longest serving Austrian empress, and the queen of Hungary who died in 1898 at the hands of a crazed anarchist. Despite the continuing fascination with the beloved Sissi, the Habsburg empress, her impact and legacy have received scant attention from scholars. This collection will go beyond the popular biographical accounts, recountings of her mythic beauty, and scattered studies of her well-known eccentricities to offer transdisciplinary cultural perspectives across art, film, fashion, history, literature, and media.
