hard work that went into each one's creation All the familiar delights of summer are here snowcones and popcorn and long days spent with people you love Melby's relationship with the course is love hate from the beginning given the summer's freedom it robs her of but when her parents decide to sell the course years later her panicked reaction surprises even her Now an adult living in Hollywood having flown the Midwest long ago she flies back to the course to help run it before the sale goes through wondering if she should try to stop it As the clock ticks she reflects on what the course meant to her both as a child and an adult the simpler era that it represents and the particular pains of losing your childhood home even years after you've left it

A Family Man Amanda Brookfield, 2021-02-11 The novel walks a line between comedy and wrenching sadness It is fluently written and its depiction of domestic chaos is all too recognisable Sunday Times A Family Man tells the story of thirty one year old Matt Webster who arrives home from work one day to find that his wife Kath has walked out leaving him to care for their four year old son Shock and hurt are compounded by the challenge of suddenly having to juggle work with being a single parent While the needs of his confused unhappy little son come first Matt embarks on the difficult quest to find out what could have driven his wife to abandon their child It is only as the truth emerges that he learns the full heartbreak and joy of unconditional love Praise for Amanda Brookfield s novels There should have been a trumpet fanfare when this book was launched for Amanda Brookfield is surely the queen of the relationship novel I have read and enjoyed all her previous books but this one is in my opinion the best It is the story of how apparently even secure relationships can fall apart Is there a happy ending I m not going to spoil your enjoyment by saying another thing Just buy and read and enjoy this splendid book Queen of Relationship Novel Mrs M G Powling Amazon reviewer 5 0 out of 5 for BEFORE I KNEW YOU I savoured every second of this deeply satisfying book Amanda Brookfield goes from strength to strength PATRICIA SCANLAN Few contemporary British novelists writing today explore the messy tangles of close human relationships with quite such warm perceptiveness as Brookfield DAILY MIRROR What is refreshing here is the author s conspicuous sanity and her sharp line in defence of reason It could be sentimental but it isn t GUARDIAN Penetrating insights into the ordinary female condition WOMAN S OWN
