these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God s gifts of love sex and romance in marriage Daddy s Little Girl and Mommy s Little Boy brings us clear evidence of just how America s Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters
