The Crop Duster's Daughter Rhonda A. Colia,2015-12-18 I was driving on a graveled road leaving a trail of dust behind me and singing at the top of my voice I was rounding a very tall for Kansas kind of hill It was one of those curves that seemed to go on forever I wasnt paying much attention to the road or as it turned out to my moms flying signals either That changed abruptly when suddenly my mom was flying low and straight at me We were eye to eye I could see her laughing as we locked eyes Now I understand why my pony Silver didnt care for this Mom was very careful as she flew right over the hood and roof of the car She dropped a flag from her automatic flagman mounted on the right wing In retrospect it was a marvel that I didnt crash On the other hand this was pretty par for my mom I came by this naturally guys This proves it

The good news is that I got her message I was approaching an otherwise unmarked turn that I needed to make and Mom just wanted to get my attention so I didn't miss it Mission accomplished Laundry necessary The Family friend [ed. by R.K.
