When Winning Costs Too Much John McCloskey, Julian E. Bailes, 2005 In this day and age when the sports pages of the local newspaper read like either a police report or a pharmacology text it is impossible not to conclude that the mantra of winning has entered very dangerous ground This book not only details these abuses and the dangers of the drugs themselves but also addresses the misguided

coaches failed mentors and poor role models who have contributed to the decline of the sports for sports sake mentality

Dads, Kids, and Fitness William Marsiglio, 2016-10-31 Now more than ever American dads act as hands on caregivers who are devoted to keeping themselves and their families healthy Yet men are also disproportionately likely to neglect their own health care diets and exercise routines bad habits that they risk passing on to their children In *Dads Kids and Fitness* William Marsiglio challenges dads to become more health conscious in how they live and raise their children His conclusions are drawn not only from his revealing interviews with a diverse sample of dads and pediatric healthcare professionals but also from his own unique personal experiences as a teenage father who thirty one years later became a later life dad to a second son Marsiglio's research highlights the value of treating dads as central players in what he calls the social health matrix which can serve both healthy children and those with special needs He also outlines how schools healthcare facilities religious groups and other organizations can help dads make a positive imprint on their families health fitness and well being Anchored in compelling life stories of joy tragedy and resilience *Dads Kids and Fitness* extends and deepens public conversation about health at a pivotal historical moment Its progressive message breathes new life into discussions about fathering manhood and health

The Mom's Guide to Asperger Syndrome Jan Johnston-Tyler, 2007 The Mom's Guide to Asperger Syndrome and Related Disorders is written primarily for parents of children who have newly been diagnosed with Asperger Syndrome. It is especially a great resource for the preschool through elementary school years. The book draws from the author's personal experience both as the mom of a son with Asperger Syndrome and her study of and work with children and adolescents with special needs. The result is a practical guide written for other Aspie parents in a clear, concise, and sometimes humorous tone. This user-friendly book leaves no stone unturned as it explains in a friendly, familiar voice situations and issues that all parents with an AS child will encounter at one point or another. Above all else, the book arms parents with basic, sound information, empowering them to seek out the very best services and programs for their child. From dealing with sensory issues and bullying to staying on top of homework, The Mom's Guide to Asperger Syndrome and Related Disorders offers easy-to-use suggestions. The Mom's Guide to Asperger Syndrome and related disorders should be used as a practical, valuable reference throughout the years.

Sociology of Sport George H. Sage, D. Stanley Eitzen, Becky Beal, Matthew Atencio, 2023 Now in its twelfth edition, Sociology of Sport offers a compact yet comprehensive and integrated perspective on sport in North American society. Bringing a unique viewpoint to the subject, George H. Sage, D. Stanley Eitzen, Becky Beal, and Matthew Atencio analyze and in turn demythologize sport. This method promotes an understanding of how a sociological perspective differs from commonsense perceptions about sport and society, helping students to understand sport in a new way.
