Theresa Alan, 2013-10-08 You are not the first and you are definitely not the last And probably you are not the best It s never a good idea to take messages scrawled in bar bathrooms personally Eva Lockart knows this really she does Still such things tend to take on a weird sort of significance when one is in the throes of a panic attack prompted by irrational jealousy of one s boyfriend s ex wife Something that s been happening lately a lot Not that Eva has anything to worry about really X she has a name but why dwell on details is long gone and Will loves Eva now loves her enough in fact to want to move in and get married So she s got a guy she s crazy about a thriving business and fun wedding plans to make including finding an affordable reception site that doesn t have dead animal heads hanging from the walls a non poofy dress that adequately corrals her cleavage and a cake that isn t orange inside Still what s a little stress in exchange for wedded bliss When Eva thinks of all the married people she knows she s positive that this may turn out to be the biggest mistake of her life because all those married people are now either acrimoniously divorced or seemingly on the brink But once the bridal ball is rolling downhill it s damn near impossible to stop it without getting crushed And now the fact that Will s done this once before has Eva running that much faster to make things perfect and getting herself into more trouble than she ever dreamed possible
