American Trinity Larry Len Peterson, 2017-09-11 American Trinity is for everyone who loves the American West and wants to learn more about the good the bad and the ugly It is a sprawling story with a scholarly approach in method but accessible in manner In this innovative examination Dr Larry Len Peterson explores the origins development and consequences of hatred and racism from the time modern humans left Africa 100 000 years ago to the forced placement of Indian children on off reservation schools far from home in the late 1800s Along the way dozens of notable individuals and cultures are profiled Many historical events turned on the lives of legendary Americans like the Father of the West Thomas Jefferson and the Son of the West George Armstrong Custer two strange companions who shared an unshakable sense of their own skills as their interpretation of truths motivated them in the winning of the West Dr Peterson reveals how anti Indian sentiments were always only obliquely about them They were victims but not the cause The Indian was a symbol not a real person The politics of hate and racism directed toward them was also experienced in prior centuries by Jews enslaved Africans and other Christians Hatred and racism when taken into the public domain are singularly difficult to justify which is why Europeans and Americans have always sought vindication from the highest sources of authority in their cultures In the Middle Ages it was religion supplemented later by the philosophy of the Enlightenment In nineteenth century Europe and America religion and philosophy were joined by science and medicine to support Manifest Destiny scientific racism and social Darwinism all of which had profound consequences on Native Americans and the Spirit of the West Presenting research in anthropology archaeology biology history law medicine religion philosophy and psychology Dr Peterson provides the latest observations that delineate why the Native American's life was destroyed American Trinity is a stunning portrait a view at once unique panoramic and intimate It is a fascinating book that will make you think about the differences between belief and knowledge about the self skepticism of science and medicine and about what aspects of the world we take on faith

Contributions to the Historical Society of Montana Montana Historical Society, 1917 **The Masterworks of Charles M. companion volume to the acclaimed Charles M Russell A Catalogue Raisonn edited by B Byron Price showcases many of the artist s best known works and chronicles the sources and evolution of his style *Indians and Emigrants* Michael L. Tate,2014-08-04 In the first book to focus on relations between Indians and emigrants on the overland trails Michael L Tate shows that such encounters were far more often characterized by cooperation than by conflict Having combed hundreds of unpublished sources and Indian oral traditions Tate finds Indians and Anglo Americans continuously trading goods and news with each other and Indians providing various forms of assistance to overlanders Tate admits that both sides normally followed their own best interests and ethical standards which sometimes created distrust But many acts of kindness by emigrants and by Indians can be attributed to simple human compassion Not until the mid 1850s did Plains tribes begin to see their independence and cultural traditions threatened by the flood of white travelers As buffalo herds dwindled and more Indians died from diseases brought by emigrants violent clashes between wagon trains and Indians became more frequent and the first Anglo Indian wars erupted on the plains Yet even in the 1860s Tate finds friendly encounters were still the rule Despite thousands of mutually beneficial exchanges between whites and Indians between 1840 and 1870 the image of Plains Indians as the overland pioneers worst enemies prevailed in American popular culture In explaining the persistence of that stereotype Tate seeks to dispel one of the West s oldest cultural misunderstandings **Contributions to the Historical Society of Montana** ,1917 Transactions Act of Incorporation Constitution Ordinances Officers and members The Bookman ,1910 **Southern California Quarterly** ,1974 **Choice** ,1968 **The Colorado Magazine** ,1968 **Southern Cultivator** ,1885
