**Monet, Renoir, and the Impressionist Landscape** Virginia Museum of Fine Arts, 2000     **Monet, Renoir and the Impressionist Landscape** Virginia Museum of Fine Arts, 2000     *Monet, Renoir, and the impressionist landscape* George T. M. Shackelford, Nagoya-Boston museum of fine arts (Nagoya, Japan), 1999     **Impressions of France** John House, 1995

Impressions of France traces the development of the French painted landscape from 1860 to 1890 a period of dramatic artistic evolution Taking as his context the Paris Salons the central forum for the display of contemporary art in Paris and the focus for discussions of the state of modern art John House explains how the Impressionist landscapes exhibited there both reflected and forever changed the cultural tastes of the age

**Impressionism** John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes     *Impressions of Light* George T. M. Shackelford, Fronia E. Wissman, 2002 It takes a broad view yet never loses sight of the intricacy and variation that make the landscape so endlessly appealing

BOOK JACKET     *Critical Readings in Impressionism and Post-Impressionism* Mary Tompkins Lewis, 2023-12-22 The essays in this wide ranging beautifully illustrated volume capture the theoretical range and scholarly rigor of recent criticism that has fundamentally transformed the study of French Impressionist and Post Impressionist art Readers are invited to consider the profound issues and penetrating questions that lie beneath this perennially popular body of work as the contributors examine the art world of late nineteenth century France including detailed looks at Monet Manet Pissarro Degas C zanne Morisot Seurat Van Gogh and Gauguin The authors offer fascinating new perspectives placing the artworks from this period in wider social and historical contexts They explore these painters pictorial and market strategies the critical reception and modern criteria the paintings engendered and the movement s historic role in the formation of an avant garde tradition Their research reflects the wealth of new documents critical approaches and scholarly exhibitions that have fundamentally altered our understanding of Impressionism and Post Impressionism These essays several of which have previously been familiar

only to scholars provide instructive models of in depth critical analysis and of the competing art historical methods that have crucially reshaped the field Contributors Carol Armstrong T J Clark Stephen F Eisenman Tamar Garb Nicholas Green Robert L Herbert John House Mary Tompkins Lewis Michel Melot Linda Nochlin Richard Schiff Debora Silverman Paul Tucker Martha Ward

**Colours of Impressionism: Masterpieces from the Musée d'Orsay** Paul Perrin, Marine Kisiel, 2018-01-31 One of the great innovations of the Impressionists was their radical use of colour their application of strokes of complementary or contrasting hues captured the shifting effects of light and foregrounded the nature of vision Using colour as the lens through which to magnify the movement's intricacies this catalogue sweeps us from Manet's rich blacks through green and blue landscapes of Monet and C zanne to the sensuous pinks of Renoir Along this journey scientific discoveries and emerging definitions of modernity are explored illuminating the profound innovations of the Impressionists and the shifting preconceptions of their art

Impressionism and the Modern Landscape James H. Rubin, 2008-04-03 The examples convey not only these major themes but also the painters belief in the progress of civilization through science and industry The book thus expands the scope of Impressionist celebrations of modernity to include what might be called Impressionism's other landscape and proposes that in the Impressionists effort to forge a modern landscape art those signs of modernity defined their vision most clearly

**BOOK JACKET** *Impressionism* Jane Bingham, 2008 How did the Impressionists get their name Who were the most famous Impressionists Did the Impressionist style have a lasting impact Impressionism answers all these questions It also discusses how and why the Impressionist movement began looks at how the Impressionists captured the changing effects of light and color in nature and examines the different subjects Impressionist artists chose for their paintings

Art on the Wall is an exciting and informative series that explores a range of art movements and styles Each title in the series looks at the history behind the movement and discusses the techniques used by its artists The text is supported with stunning paintings and other artworks that illustrate each art style The titles also include biographies of well known artists and try it yourself activities that encourage readers to create their works of art using the techniques of the movement

Impressionists Side by Side Barbara Ehrlich White, 1996 White looks at the personal and professional relationships between eight artists Degas Manet Monet Renoir C zanne Pissarro Morisot and Cassatt

Origins of Impressionism Gary Tinterow, Henri Loyrette, 1994 This handsome publication which accompanies a major exhibition at The Metropolitan Museum of Art is a lively and engaging account of the artistic scene in Paris in the 1860s the years that witnessed the beginnings of Impressionism For the first time the interactions and relationships among the group of painters who became known as the Impressionists are examined without the overworn art historical polarities commonly evoked academic versus avant garde classicist versus romantic realist versus impressionist A host of strong personalities contributed to this history and their style evolved into a new way of looking at the world These artists wanted above all to give an impression of truth and to have an impact on or even to shock the public And they wanted to measure up

to or surpass their elders This complex and rich environment is presented here the grand old men and the young turks encounter each other the Salon pontificates and the new generation moves fitfully ahead benignly but always with determination Origins of Impressionism gives a day by day year by year study of the genesis of an epoch making style Bibliographies and provenances are provided for each of the almost two hundred works in the exhibition and there is an illustrated chronology With more than two hundred superb colorplates this informative survey is an essential work for both the general reader and the scholar BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
