Science of Spirit Robert Donald Tonelli,2011-01-17 Beyond the Secret Beyond the Power of Now is the Science of Spirit a Deeper look at life Why are we here alive on planet earth trapped in a life of 9 to 5 wage slavery Science of Spirit Lost Keys to the Kingdom of Heaven on Earth shows that all life on planet earth and in the universe is based on an evolution of consciousness from the beginning of timethe Big Bang It clarifies the connectedness of all life with Science and to Spirit through the understanding of world old Hermetic Teachings in a balance of Reason and Faith Consciousness is the very fabric that all form is made out of and is the ground of all beingness of life Consciousness and the energy that makes up matter are inextricably combined or linked emerging in a sequence of events called occasions of experience that ultimately create our experiences in life and our reality The universe isnt made of things or particles Its a process Its made up of events The result of this evolution of consciousness is an Analogical Awareness of life living in the now moment of unlimited potentials for the growth of a new super conscious species of humanity moving through an Omega Point in time between 2011 2013 These Hermetic Teachings were clarified for me through the teaching of Ramtha and his Ancient Gnostic School much of what I have learned in 20 years my philosophy of life has its foundation in Ramthas philosophy Our accelerating consciousness is moving to a quantum existence of Spirit in Mass God Man realized alive with all the lower species of life specifically the Sheeple of Economic Western Society The Science of Spirit is based on my personal experience my research and my understanding of the ancient philosophy that this work comes from It uses from research the philosophy and experience of other very credible people that have studied different aspects of a Science of Spirit as a philosophy to live by I use this eclectic approach to build an accurate model of reality based in consciousness that allows us to create our own

reality once we rid ourselves of the illusions of society This approach gives credibility to my overall viewpoint a modern interpretation of a very old philosophy and way of life A Science of Spirit that is inherent in Mother Nature It goes in depth about understanding What Consciousness Is An Analogical State of Awareness that is continuously evolving faster and faster to the eternal Now Moment It uses the discovery of a new perspective of the Mayan Calendar that is supposed to end in a religious Apocalypse at The Omega Point in time around 2012 as its foundational understanding of an Evolution of Consciousness on earth This philosophy and research show an Evolution of Consciousness a rising of an Analogical Awareness of life revealing a Science to the nature of Spirit It explains from a new perspective this battle between the Forces of Good and Evil at The End of Time This Ancient Science of Spirit philosophy explains how the primeval forces of life Spirit that are inherent in Mother Earth growing for 16 4 billion years are pitted against the dogmatic stagnant god fearing personalities that runs the Engines of Commerce of our Global Society with their focus on monetary control of the people and the planet This is a real life battle between evolving evolutionary beings against the Anti Christ Social Consciousness of The Multi National Corporations Religious dogmas talk about an Apocalypse at the end of time to help warn us of our impending doom the remarkable thing is that the word Apocalypse means the lifting of a veil or a disclosure to certain privileged persons of something hidden from the majority of humankind I will show in this book that the lifting of a veil is a rising of consciousness that knows no fear of the unknown and clarifies ancient predictions of the end days and the real battle of Armageddon This ancient Science The Prosperity Bible Napoleon Hill,2012-01-05 For the first time in paperback here is the all in one bible on how to fire up the creative powers of your mind to attain a life of prosperity The Prosperity Bible is a one of a kind resource that collects the greatest moneymaking secrets from authors across every field religion finance philosophy and self help and makes them available in a single handy volume Now reprinted with an affordable paperback price this is the only volume in which you can explore success advice from Napoleon Hill P T Barnum Benjamin Franklin Charles Fillmore Wallace D Wattles Florence Scovel Shinn and Ernest Holmes along with a bevy of legendary writers and success coaches who have one aim explaining and promulgating the laws of winning **TAKING SOULWINNING**

SERIOUSLY ISAIAH MACWEALTH, There are certain believers today who are of the opinion that living right and doing good works are all it takes to reach the world and turn people to Christ Is this really true Some others also criticize the approach of those who actively evangelize share tracts and preach the Gospel with every opportunity as being too confrontational Are they correct As important as living right and doing the right thing are there are still many people who would not be saved until they hear and understand the Gospel How then shall they call on him in whom they have not believed and how shall they believe in him of whom they have not heard and how shall they hear without a preacher Romans 10 14 And this is why the Lord Jesus specifically instructs us to Go and Preach the Gospel And he said unto them Go ye into all the world and preach the gospel to every creature Mark 16 15 This does not suggest any form of passiveness or indifference but literarily

going out there to relate the message of the Gospel to the lost This requires some deliberate efforts In this book you would learn practical steps and wisdom from scriptures on how to be proactive in reaching out to the lost and winning souls to Christ through teaching preaching and testifying GETTING RESULTS IN PRAYER ISIAAH MACWEALTH, The confidence that we have in prayer is hinged on the Word of God and the infallibility of His person And this is the confidence that we have in him that if we ask any thing according to his will he heareth us And if we know that he hear us whatsoever we ask we know that we have the petitions that we desired of him 1John 5 14 15 However many times we do not get answers when we pray even though we may have followed the rules that guide prayer This is a cause for concern for many believers around the world If God is ready to hear us and grant the petitions we desire of Him then what may be the cause of unanswered prayers In this book we will be studying factors that may hinder us in prayers These are factors like guilt unbelief doubt offence sin and asking amiss We will also consider how to get results in prayers *REACHING YOUR WORLD WITH CHRIST* ISIAAH MACWEALTH, Witnessing is the essence and purpose of the church The concept should hence be understood in its entirety Jesus gave the church this all important calling at His ascension because it is the heartbeat of the Father Sadly most people and churches have not fully understood it making the church ineffective in its fulfillment Witnessing is a lot more than preaching from street to street morning cries or even mega crusades Though these are very important in witnessing they are perhaps just a minute part of the process This book aims to enunciate the concept of witnessing as a process that requires the right consciousness attitude and sacrifice and the role of the church individuals and groups in effective witnessing Our Master Jesus Christ is coming back very soon Consequently we need to employ all necessary techniques and tactics to witness to this world for Him As you read this book I pray that God will birth in you a strong passion for souls and grant you understanding into this ultimate assignment of witnessing in Jesus Name Amen Spiritual Wealth Management George S. Mentz Jd Mba Cwm,2012-09 Spiritual Wealth Management is an executive success manifesto with a mystical twist After a lifetime of study and experience the author was inspired to distill the greatest prosperity and wealth teachings into a brief readable treatise It brings together ancient wisdom from the Western and Asian traditions and modern strategies which enhance a success program of action and presents them in the context of the science of wealth management **More than Money (EasyRead Large Bold Edition)** Mark Albion,2008 In More Than Money Albion redefines the typical way the risk reward equation is written using his own life story and those of the many entrepreneurs executives and MBAs he s met as both cautionary and inspirational tales He introduces a framework of four crucial questions to consider when thinking about your career choices as well as lifelines principles that can help you answer these questions A consciousness raising book rather than a how to More Than Money encourages MBA students to give themselves permission to be who they really want to be and find their path of service For as Albion says in the end we won t remember you for the size of your wallet as much as the size of your heart *Radiant* Tess Whitehurst,2024-06-04 Radiant offers inspiration journal prompts practical actions

and a touch of magic to uplift readers embarking on their midlife adventure SETTING OUT AS A SOUL WINNER ISAIAH MACWEALTH, The desire to see souls saved is not enough to get souls saved Every true witness must first seek to have a revelation of the mandate given us by the Lord Jesus Christ when He commissioned us for soul winning And Jesus came and spake unto them saying All power is given unto me in heaven and in earth Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost Teaching them to observe all things whatsoever I have commanded you and lo I am with you alway even unto the end of the world Amen Matthew 28 18 20 As seen in the scripture above the Lord Jesus commissioned us to witness after He has received all power in heaven and on earth This shows that we have not been sent empty handed Rather we have been sent with all power in heaven and or earth Glory to God Thus every true witness ought to set out and go about soul winning with the understanding and confidence that he has the backing of the Lord Jesus Christ and that the resources of Heaven are at his disposal In this book I would be bringing to you the revelation of the power and authority of heaven backing you as you witness I would also be helping you to see how to consciously draw on the limitless resources of heaven in your quest to preach the Gospel of Jesus Christ and turn many unto righteousness It is time to kit up set out with all confidence and return with fruits that would abound in God s Kingdom Get ready for a new level of fruitfulness in soul winning Come along with me WHY TRUMP'S 2ND TERM PROPHECY SEEMED TO FAIL ISAIAH MACWEALTH, As the race for the 2020 Presidential Election in the United States began to gather steam the media and online space was flooded with numerous prophecies from ministers of God around the world about the outcome of the elections With one voice several renowned prophets pointed to Donald Trump as God s choice to win the race However as you read this book you already know that against the predicted outcome Joe Biden emerged victorious and Trump is no longer President of the United States of America So what happened to the prophecies released by those ministers around the world Did they really hear from God What happened to their prediction How did they miss the mark As a seasoned prophet of God who myself have spoken severally from the LORD about the political landscape of the United States of America I would like to share with you from the revelations of God the intricacies behind prophecy and the interplay between its interpretation and update that determines its outcome We will be looking through this lens to dissect the prophecy of Trump s second term in office and helping you to understand where the prophecies were right and where they were wrong and also to reveal what God s plan is for the United States *Weekly Compilation of Presidential Documents* ,2006 **The New Thought Companion** ,1914
