lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life *Plain Talk about Churches and Money* Dean Hoge,Patrick McNamara,Charles Zech,1998-11-01 Based on extensive research this volume offers insight and help on the key fiscal topics confronting church leaders today including Why is the church so uneasy with the topic of money Is there a difference between stewardship and fundraising How can we motivate giving Should we invest church funds It tackles the resistance fears and difficulties about money common in congregations The book is must reading for lay leaders and anyone in pastoral ministry today **Money and Marriage God's Way** Howard Dayton,2009-04-01 Some people adopt an It ll all work out somehow attitude toward marriage and finances But sadly it often doesn t work out Financial woes and marriage troubles can rob couples of precious opportunities to savor the blessings of companionship family and peace that God intends for His people Money and Marriage God s Way will help you discover God s approach to growing your finances and strengthening your relationship with your mate It highlights key issues like debt conflict spending investing saving and budgeting Regardless of the books magazines or television programs you ve seen nothing compares with money and marriage God s way Unique features include stories of real life couples discussion of common difficulties and solutions based on Biblical principles and end of chapter interaction sections
