[Remarkable Events in the History of America from the Earliest Times to the Year 1848](#), John Frost, 1848

The history and topography of the United States of North America, brought down from the earliest period, John Howard Hinton, 1846

[Money and Politics in America, 1755-1775](#), Joseph Ernst, 2014-01-01

Although it is obvious that politics, money, and economic conditions were closely interrelated in the twenty years before the Revolution, this is the first account to bring together these strands of early American experience. Ernst also provides an analytical case study of the impact on America of British monetary policy during a period of dramatic shifts in the Atlantic economy and suggests that earlier studies are questionable because of theoretical misconceptions concerning the importance of visible money.
