Money Confronting The Power Of A Modern Idol:

Money Philip Yancey, 1985 ChurchMoney Michael White, Tom Corcoran, 2019-09-13 There is a secret formula to help convince parishioners to give financially to your church It s pretty simple Just ask them And when you do make sure it s not about the money In ChurchMoney Rev Michael White and Tom Corcoran award winning authors of the bestselling book *Rebuilt* will help you learn the basic skills you need to discover that true success in raising funds comes from the incredibly freeing approach that connects giving to discipleship The two share stories of success and failure during their twenty years leading the Church of the Nativity in Timonium Maryland They tell you what they learned to meet the real financial challenges of their mission And they offer the practical wisdom and inspiration you need to tackle the thorny matter of raising money in your Catholic parish So if giving isn t about the money what is it about Giving is about loving God and serving him loving others and helping them fall in love with their Savior transforming the world little by little through love and the eternal impact we can and need to make with money White and Corcoran contend that giving actually glorifies God and attracts others to the Church Over and over again in scripture they point out you ll find the same simple point Giving gladly serves as a key ingredient to the Church s growth from its very beginning White and Corcoran share the lessons facts habits and great ideas they ve implemented from some of the most successful and vibrant churches in the United States ChurchMoney offers a proven plan for raising money in parishes It s readily adaptable firmly rooted in the reality of leading a Catholic parish based on the Bible and finessed with the best advice of communication professionals You will read stories of embarrassing failure and exhilarating success in tripling a budget and running three extraordinarily successful capital campaigns over a ten year period including a recent campaign leading to the construction of 16 million sanctuary built debt free White and Corcoran have increased staff fourfold and significantly raised salaries and increased staff benefits while expanding mission outreach both locally and internationally *A Christian View of Money* Mark Vincent, Matthew M. Thomas, Zachary L. Vincent, 2017-01-05 Money touches everything in our lives It communicates our values whether we want it to or not often simultaneously resulting in what we prefer and what we regret Those who wish to be thoughtful about how they reflect God s image in all things do well to think through what they believe about earning and using money This volume walks through a logical progression of how to think and act in regards to money and provides scores of scenarios for discussion and application **Giving Away the Collection Plate** John Richardson, 2012-06 Giving Away the Collection Plate gives a great apologetic for believers and the church to be generous agents engaged in God s mission Ed Stetzer President of LifeWay Research This book will confront you with the clear biblical mandates of what the church as the body of Christ is to be in the world Jerry Rankin President Emeritus International Mission Board SBC Read this book only if you want your norm to be wrecked by the generosity of Jesus Jason C Dukes Author of *Live Sent You Are a Letter* and *Beyond My Church* What would happen in your church if you gave away all of the tithes and offerings for a week What if God pushed you further and

asked you to give everything away for an entire year One small church plant in Mississippi felt that push from God As they prayed about how to accurately depict Christ to their community they were prompted to give away their tithes and offerings for an entire year Giving Away the Collection Plate exposes the work of Traceway Church and explores the dynamic relationship between generosity and spiritual growth Regardless of your background this book will inspire you to consider missional generosity It will force you to ask How can our church become a better physical representation of Christ in our community It may even provoke you to the point that you become radically generous as God is generous toward us **A Revolution in Generosity** Wesley K. Willmer,2008-05-01 Give over 100 today and get this personalized state of the art fountain pen free Become a gold sponsor and your name will be featured on our exclusive Wall of Fame Send in your donation by December 31st and enjoy the benefits of giving on your next tax return Who hasn't heard fundraising gimmicks like these Or who hasn't used these gimmicks on others As Wes Willmer writes generosity is the natural outcome of God's transforming work in individuals when they are conformed to the image of Christ Fundraising and giving are not simply drops in the bucket Capital campaigns and raising funds go deeper than the money They are spiritual activities in becoming more like Christ A Revolution in Generosity is a work by some of the best scholars and practitioners on the subject of funding Christian organizations As Willmer writes The foundation for realizing a revolution in generosity is understanding the biblical view of possessions generosity and asking for resources With over twenty expert contributors this book is a must read for organizations striving to rid themselves of secular asking practices and gain an eternal approach *Simplicity* Ed Dobson,1995 The complexities of modern living can sweep us away from life's true essentials Dobson calls us out of the rat race to a simpler way actively engaging life while shedding its pretenses He describes specific ways to simplify life through prayer worship and discipleship Those who've felt overburdened by their lifestyle will find a path to joy and peace in their families faith and lives **Signposts to Freedom** Jan Milic Lochman,2007-01-01 In this book Lochman presents an ethic illuminated by the Ten Commandments In wrestling to discover the meaning of human life both individual and social his deepest concern has been with freedom under the law Lochman points out that no human society however well equipped technologically can exist without a moral basis without convictions that are more than mere opportunism pragmatism and calculated self interest This moral basis is provided by the Ten Commandments the Magna Charta of freedom Lochman discusses current problem areas of personal sexual and social ethics worship of false gods anxiety the work ethic and the cult of success murder terrorism suicide abortion euthanasia the death penalty war the new morality and new understandings of shared life in marriage **Confronting Technology** Matthew T. Prior,2020-03-16 We are living through a digital revolution which already touches every area of life and will continue to shape the future in as yet unforeseen ways Digital technologies are an ordinary part of daily life and yet they also present an unprecedented challenge to Christians to articulate a biblical theological framework to navigate times of rapid change The work of the French theologian Jacques Ellul is a theological

time bomb primed for times like these Accounts of Ellul s career often divide off his sociology and theology but this book argues that Ellul conceived a single project of bringing technology into confrontation with the Word of God tackling the phenomenon he named technique the pursuit of maximal power and efficiency implicit in the technological enterprise with a profound depth of biblical and ethical insight Centering himself on the apocalypse or revelation of Jesus Christ in history Ellul offers a monumental timely though far from flawless contribution to contemporary ethical debates about the uses and abuses of technologies His work blazes a trail that Christians and all concerned for the future would do well to follow as we avoid both the naivety of technological neutrality and the dread of technological determinism **One World or Many** Richard

Tiplady,2003-06-01 This book considers in detail the key drivers of globalization its contemporary shape and its implications for world mission It also looks at the impact of globalization on different contemporary issues affecting mission such as ethnicity the environment and global health as well as globalization s effect on more traditional missionary questions of the world religions contextualization theology and the church One World or Many is written by a variety of authors from all over the world This book was published in partnership with the World Evangelical Alliance **Love's Redeeming Work** Geoffrey Rowell,Kenneth Stevenson,Rowan Williams,2003 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access Love s Redeeming Work draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them Love s Redeeming Work traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness *The Christian Work and the Evangelist* ,1904

[Facing the Monarch](#) Garret P. S. Olberding, 2020-05-11

In the popular consciousness, manipulative speech pervades politicized discourse, and the eloquence of politicians is seen as invariably rooted in cunning and prevarication. Rhetorical flourishes are thus judged corruptive of the substance of political discourse, because they lead to distortion and confusion. Yet the papers in *Facing the Monarch* suggest that separating style from content is practically impossible. Focused on the era between the Spring and Autumn period and the later Han dynasty, this volume examines the dynamic between early Chinese ministers and monarchs at a time when ministers employed manifold innovative rhetorical tactics. The contributors analyze discrete excerpts from classical Chinese works and explore topics of censorship, irony, and dissidence, highly relevant for a climate in which ruse and misinformation were the norm. What emerges are original and illuminating perspectives on how the early Chinese political circumstance shaped and phrased and prohibited modes of expression.

Follow the Lamb Douglas D. Webster, 2014-09-16

The Revelation builds conviction, inspires worship, and encourages patient endurance. This is a prison epistle like no other, a disciple making tract, a manifesto, an extraordinary treatise on Christ and culture, and a canonical climax. We come expecting to learn the ABCs of the end times, and the Apostle John gives us the fullness and fury of his Spirit-inspired praying imagination. Meaning is not found in cleverly devised interpretations but in God's redemptive story. The apostle's purpose was to strengthen the people of God against cultural assimilation and spiritual idolatry, not to stimulate end-times speculation. The Revelation is a sustained attack against diluted discipleship with an unrelenting focus on the immediacy of God's presence in the totality of life. Nothing escapes the gaze of Christ.

The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G. S. Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom
