Bradley Van Vleet Jr., 2021-03-16 I know what you're thinking Another book on money And you're right this is another book on money but it's probably not quite from the angle that you're thinking *Money Matters to God* is a book about seeing finances through the eyes of God instead of the eyes of society Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it You may be surprised to see what's there Money is an important topic to God You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell Money is important to God simply because it's important to us Sometimes too important My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective Preparing for Marriage Donald J.
