Financial Exodus Guy Walker, 2008-07 Author and Pastor Guy Walker makes a convincing argument that God is about to call His people to embark on a modern day Exodus Unlike the forced march of Biblical times which was from one geographic location to another today God is calling His people to come out of the world's financial system which has by and large enslaved them They have of course willingly accepted this bondage through their voracious appetite to consume goods and services that they cannot afford to pay for The result is financial oppression through consumer debt that is stifling their spiritual life Financial Exodus is a roadmap to freedom and true financial prosperity God's way He is calling His people to no longer be conformed to the world but to be transformed by the renewing of your mind so that you might prove what the good and acceptable will of God is for your life God has a plan for your deliverance read Financial Exodus to find out what it is
