**Monitoring International Labor Standards** National Research Council,Policy and Global Affairs,Division of Behavioral and Social Sciences and Education,2003-04-28 The NRC has convened the Committee on Monitoring International Labor Standards to provide expert science based advice on monitoring compliance with international labor standards The committee held a workshop in July 2002 to assess the quality of information and measures of progress towards compliance with international labor standards This document summarizes the workshop Reflecting the workshop agenda this report focuses primarily on the availability and quality of information to measure compliance with four core international labor standards that were identified in 1998 by the ILO The goal of this workshop summary is to communicate the key ideas and themes that emerged from the workshop presentations and discussions

*Monitoring International Labor Standards: Human Capital Investment* National Research Council,Policy and Global Affairs,Division of Behavioral and Social Sciences and Education,2003-10-23 An increasingly globalized world economy creates new economic cultural and social opportunities Globalization also poses the challenge of ensuring that workers throughout the world share in these opportunities In 1998 the International Labour Organization ILO adopted the Declaration on Fundamental Principles and Rights at Work a set of core international labor standards embodying basic workers rights Carrying out this commitment to workers rights requires an understanding of labor conditions and country level compliance with these standards The U S Department of Labor DOL contracted with the National Research Council NRC of the National Academies to advise the U S government on the design of an integrated and comprehensive system to monitor country level compliance with these core international labor standards The NRC has convened the Committee on Monitoring International Labor Standards CMILS to provide expert science based advice on monitoring compliance with international labor standards

Monitoring International Labor Standards National Research Council,Policy and Global Affairs,Division of Behavioral and Social Sciences and Education,2003-07-13 The National Research Council has convened the Committee on Monitoring International Labor Standards to provide expert science based advice on monitoring compliance with international labor standards The committee has undertaken a two year project with multiple intersecting activities The committee is charged with assembling information on country compliance with

international labor standards and organizing these data into an easily accessible web based format for use by the DOL As one step in this process a workshop in November 2002 was held to discuss national legal frameworks and the challenges of measuring the extent to which international standards have been incorporated into national laws and practices Monitoring International Labor Standards is the summary of that workshop This report communicates the key ideas and themes that emerged from the workshop presentations and discussions Monitoring International Labor Standards National Research Council,Policy and Global Affairs,Division of Behavioral and Social Sciences and Education,2003-06-01 Over the past half century the international flow of goods services and capital has grown rapidly Globalization creates new economic cultural and social opportunities but also poses the challenge of ensuring that workers throughout the world share in these opportunities Responding to this challenge the U S government carries out a variety of policies and programs aimed at encouraging greater recognition of worker rights around the globe The U S Department of State monitors worker rights abroad and reports on the status of those rights as part of its annual report to Congress in the Country Reports on Human Rights Practices Building on this history of monitoring and encouraging worker rights around the world the Trade Act of 2002 includes on the list of overall trade negotiating objectives of the United States promote respect for worker rights Monitoring International Labor Standards provides expert science based advice on monitoring compliance with international labor standards This report identifies relevant valid reliable and useful sources of country level data on labor standards assesses the quality of existing and potential data and indicators that can be used to systematically monitor labor practices and the effectiveness of enforcement in order to determine compliance with national labor legislation and international standards identifies innovative measures to determine compliance with international labor standards on a country by country basis and to measure progress on improved labor legislation and enforcement explores the relationship between labor standards compliance and national policies relating to human capital issues and recommends sustainable reporting procedures to monitor countries progress toward implementation of international labor standards Quality of Information National Research Council (U.S.). Policy and Global Affairs,National Research Council (U.S.). Division of Behavioral and Social Sciences and Education,2003 Focuses on the availability and quality of information to measure compliance with four core international labour standards that were promulgated in the ILO s 1998 Declaration on Fundamental Principles and Rights at Work **Monitoring International Labor Standards: Human Capital Investment** National Research Council,Policy and Global Affairs,Division of Behavioral and Social Sciences and Education,2003-11-23 An increasingly globalized world economy creates new economic cultural and social opportunities Globalization also poses the challenge of ensuring that workers throughout the world share in these opportunities In 1998 the International Labour Organization ILO adopted the Declaration on Fundamental Principles and Rights at Work a set of core international labor standards embodying basic workers rights Carrying out this commitment to workers rights requires an understanding of labor conditions and

country level compliance with these standards The U S Department of Labor DOL contracted with the National Research Council NRC of the National Academies to advise the U S government on the design of an integrated and comprehensive system to monitor country level compliance with these core international labor standards The NRC has convened the Committee on Monitoring International Labor Standards CMILS to provide expert science based advice on monitoring compliance with international labor standards *Monitoring International Labor Standards* Margaret Hilton, University of Illinois at Urbana-Champaign. College of Law, National Research Council (U.S.). Committee on Monitoring International Labor Standards, 2003 *International Labor Standards* Robert J. Flanagan, William B. Gould, 2003 This book provides the most thorough empirical assessment to date of the impact of international regulation on labor standards and conditions and critically analyzes the common view that globalization and international competition can only further degrade labor standards *Federal Register*, 2002-08 **Global HRM Practices Strategic Alignment of Structure and Culture** Dr. Chikati Srinu, 2025-07-05 **Global Corporate Citizenship** Anuradha Dayal-Gulati, Mark Finn, 2007-09-04 Looks at issues of corporate responsibility globally at companies in developing countries facing important challenges within their own countries **Finance & Development, December 1997** International Monetary Fund. External Relations Dept., 1997-01-01 For the latest thinking about the international financial system monetary policy economic development poverty reduction and other critical issues subscribe to Finance Development F D This lively quarterly magazine brings you in depth analyses of these and other subjects by the IMF's own staff as well as by prominent international experts Articles are written for lay readers who want to enrich their understanding of the workings of the global economy and the policies and activities of the IMF *Approaches to Reducing the Use of Forced or Child Labor* National Research Council, Policy and Global Affairs, 2009-11-09 Globally child labor and forced labor are widespread and complex problems They are conceptually different phenomena requiring different policy responses though they may also overlap in practice The Trafficking Victims Protection Act of 2000 TVPA was designed to reduce the use of child and forced labor in the production of goods consumed in the United States The Act was reauthorized in 2003 2005 and 2008 In response to provisions of TVPA the the Bureau of International Labor Affairs requested that the National Research Council organize a two day workshop The workshop summarized in this volume discusses methods for identifying and organizing a standard set of practices that will reduce the likelihood that persons will use forced labor or child labor to produce goods with a focus on business and governmental practices *Corporate Social Responsibility and Global Labor Standards* Luc Fransen, 2011-12-21 How effective are multinational companies at improving working conditions in their supply chains This book focuses on a crucial dynamic in private efforts at regulating labor standards in international production chains It addresses questions regarding the quality of rules Are existing efforts to privately regulate labor standards credible as well as business demand for private regulation To what extent are different types of regulation adopted by companies This volume seeks to understand the underlying issue of

whether private regulation can be both stringent and popular with firms The study analyzes the nature and origins of the business demand for and the competition between all relevant private regulatory organizations focusing on clothing production The argument of the book focuses on the interaction between activists and firms in consensual developing and governing private regulatory organizations and in contentious forms activists exerting pressure on firms The book describes and explains an emerging divide in the effort to regulate working conditions in clothing production between a larger cluster of less stringent and a smaller cluster of more stringent private regulatory organizations and their supporters The analysis is based on original data adopting both comparative case study and inferential statistical methods to explain developments in apparel retail and sportswear sectors
