Daher,2014-04-09 The King of Wake Forest is a story about the epiphany my wife and I underwent while living on a wildlife reserve near Sea World in Orlando Florida We were transformed into animal lovers bird watchers and wildlife nuts as we identified many realizations about the parallels between our newly formed love for each other and the bonds we developed with the animals We moved to Wake Forest North Carolina for career reasons then continued this journey by becoming rabbit owners Anyone who is an animal lover a rabbit owner or who is thinking about becoming one will enjoy this book and find it insightful It is not intended to be a pedantic how to guide about caring for rabbits but rather an insightful and lighthearted look at the day to day life of pet ownership It also encompasses the joys responsibilities sadness and unique experiences we had in adopting rescued animals
