The Monkey's Paw W. W. Jacob,Hasan A. Yahya,2013-07-10 William Wymark Jacobs 8 September 1863 1 September 1943 was an English author of short stories and novels Although much of his work was humorous he is most famous for his horror story The Monkey s Paw The Monkey s Paw is a horror short story by author W W Jacobs It was published in England in 1902 The story is based on the famous setup in which three wishes are granted In the story the paw of a dead monkey is a talisman that grants its possessor three wishes but the wishes come with an enormous price for interfering with fate Great story to read *Monkey's Paw* W. W. Jacobs,2010 The Monkey's Paw (Annotated) William Wymark Jacobs,2020-01-28 Differentiated book It has a historical context with research of the time The story begins by telling a scene in which father and son Mr White and Herbert are playing chess in their living room and are in the company of the mother It is a cold and wet night which helps to insert and increase the suspense A new character arrives on stage whom they were waiting for and is very dear to the family and tells them of the places he has been while serving as a sergeant in India It is here that he tells the story of the monkey leg The monkey leg is a talisman that can be asked for three wishes but each of these wishes are fulfilled in unexpected conditions and you have to learn to endure and live with its consequences This new character is Sergeant Morris who as already said comes from India and tells them that an old fakir haunted this monkey leg so that three men would ask for three wishes Apparently this monkey leg had already

fulfilled the sergeant's wishes the former owner of the talisman had also fulfilled his wishes being the last death He also explained how the talisman was used and talked about its effectiveness Apparently Morris had been so terrified by this talisman that he decided to throw it into the fire but Mr White decided to take it and keep it He decides to make his first wish without paying attention to the warnings Morris had given him The first desire is money that they need to finish paying the house mortgage The money comes the next day with a terrible consequence the death of Herbert The other two wishes ask them to remedy the fatal consequence of the first but after the last wish it is as if it annulled everything as if nothing had happened beyond the first desire
