## **Monsieur Pamplémousse Takes The Cure:**

**Monsieur Pamplémousse Takes the Cure** Michael Bond, 2015-05-21 When France's leading gastronomic guidebook decides to launch itself into the expanding health farm market its Director decides Monsieur Pamplémousse is the man for the job overweight underactive with a blood pressure count that threatens to shoot off the top of the scale So the former Sureté detective finds himself banished to the punitive regime of the Chateau Morgue a Pyrenean health clinic from which a number of damning reports have already emerged centred largely on its shady sounding owner Herr Schmuck The Chateau Morgue fulfils Pamplémousse's grimmest expectations obligatory dawn snow tramps rock hard beds and meals comprised solely of muddy spa water And it also provokes his deepest suspicions Why does a hearse pay such frequent visits What is going on in the astoundingly luxurious Tower Block And what is the significance of the delicious parcel of sausages sniffed out by Pamplémousse's indispensable bloodhound Pommes Frites With Pamplémousse and Pommes Frites on the trail truth is finally revealed but not before their sleuthing stamina has been tested to its absolute limits

**Monsieur Pamplémousse Takes the Train** Michael Bond, 2015-12-17 When the Director suggests Le Guide's food inspector Monsieur Pamplémousse take a brief jaunt to sample the gastronomy of Rome Pamplémousse knows the offer is too good to be true But when the only string attached seems to be that on the return journey he escort the Director's schoolgirl niece Caterina from her convent school to her uncle's Paris home Monsieur Pamplémousse begins to relax Until that is he sees the schoolgirl in question and spots her ever present shadow an Al Capone lookalike whose hostility Pamplémousse senses even across a crowded restaurant car However it is when the Rome Paris Express pulls into the Gare de Lyon and his charge apparently disappears into thin air that Pamplémousse really begins to worry Especially when he discovers the lustrous Caterina is the daughter of one of Sicily's most powerful Mafiosi a man who will not take the loss of his cherished daughter at all kindly

**Monsieur Pamplémousse** Michael Bond, 2014-09-18 Bond's charming food inspector and part time detective has a tricky task in sampling the appalling cuisine of the Hotel du Paradis Tricky due to the fact that it's run by his Director's formidable aunt and intriguing given the tales of the effect of the hotel's food on it's gues

Monsieur Pamplémousse Aloft Michael Bond, 2015-05-21 The Channel Tunnel is all very well as a mundane means of crossing La Manche but there are those who still believe in airships as the luxury transport of the future In a rare spirit of entente cordiale the governments of France and Britain agree to a trial run and plan a grand inaugural flight involving their heads of state But quelle horreur the organisers have overlooked the most important part of every French occasion the food and the wine Honour is at stake and a desperate call for help goes out to Le Guide France's most distinguished gastronomic publication Monsieur Pamplémousse ex Sureté sleuth turned food inspector is called on to rectify matters The assignment gets off to an inauspicious start As he nears the launch site in Brittany Monsieur Pamplémousse's 2CV is run off the road by a carful of decidedly ungodly nuns And the lady trapeze artist who rescues him clearly has something other than the evening's acrobatics preying on her mind When an old

friend cuts him dead he suspects the worst      **Monsieur Pamplémousse Stands Firm** Michael Bond,2016-12-15

According to the Director of Le Guide France s premier gastronomic companion it is high time his inspectors moved with the times and opened their ranks to the fairer sex And who better to oversee their initiation than Monsieur Pamplémousse However when the Director normally a model of rectitude hints that on no account must the trainee be allowed to make the grade Monsieur Pamplémousse is suitably outraged His indignation lasts only until he hears her name The Director is right The lady in question is known to be utterly unscrupulous in the use of her considerable physical charms and her permanent engagement would cause unrest amongst the other inspectors not to mention their wives But there are other problems Having blackmailed the Director into taking her on why is she so insistent on staying at the Hotel des Dunes an out of the way establishment in the Gironde unremarked even by the Camping Club of France let alone by any of the major guides Certainly not because of the food as Monsieur Pamplémousse dejectedly discovers And why having created a scene because she didn t get the room she wanted should one of her first acts be to photograph the dismal interior of the hotel When Monsieur Pamplémousse s ever faithful bloodhound Pommes Frites is seen ambling back to the hotel carrying a suspiciously large jambon Monsieur Pamplémousse realises that once again he must stand firm against the forces of crime      *Monsieur Pamplémousse On the Spot* Michael Bond,2015-01-22

When one of five restaurant owning brothers vanishes into thin air Monsieur Pamplémousse s detective skills are called into play A delicious blend of gastronomic delight teasing mystery and pure comedy      *Monsieur Pamplémousse Rests His Case* Michael Bond,2016-12-15

Ever eager to expand the influence of France s leading gastronomic guidebook beyond her native shores the Director of Le Guide has been cultivating a useful transatlantic connection in the form of a certain Mrs Van Dorman Ex parfumeur presently a publishing magnate and in her spare time a fan of private eye novels Mrs Van Dorman has deserted the relative safety of La Grande Pomme to accompany a group of crime writers to a recreation in Vichy of a banquet given by Alexandre Dumas before he started work on yet another sequel to The Three Musketeers And who better to escort her than Monsieur Pamplémousse Surete sleuth turned top rank gourmet Monsieur Pamplémousse himself could think of a number of more suitable candidates especially when it becomes apparent that the assignment involves a grand entry dressed as d Artagnan mounted on an uncomfortably rampant black charger But when cyanide turns out to be a surprise ingredient of the murder tour it is soon clear that Monsieur Pamplémousse aided by the unerring nose of bloodhound Pommes Frites is the only man for the job      Monsieur Pamplémousse & the Secret Mission Michael Bond,2015-01-22

Critic sleuth Pamplémousse has a lot on his plate when he investigates a terrible and strangely popular hotel      **Monsieur Pamplémousse & the Tangled Web** Michael Bond,2014-07-24

Monsieur Pamplémousse and his trusty dog Pommes Frites are called into Le Guide s offices early one morning and presented with a string of Leclercq s plaintive conundrums all relating to his mobster uncle in law These include a letter about a juicy steak turned brisket a dead restaurant owner and a giant truffle delivered by post With all these

seemingly random problems at hand Pamplemousse attempts to unravel each but it quickly proves impossible as they overlap and tangle at every turn usually making him look the fool *Monsieur Pamplemousse On Location* Michael Bond,2016-12-15 Called to a Provencal film set to vouch for the gastronomic authenticity of director Von Strudel s latest Biblical advertising extravaganza what was on the menu at the Last Supper restaurant inspector Monsieur Pamplemousse is surprised to find his sleuthing skills acquired during a stint at the Surete considerably more in demand Exploding strawberries adulterated cast food and sundry other mysterious occurrences all point to a saboteur or at best an infuriating prankster on the set But when the star of the sequence of perfume adverts Brother Angelo a heavy metal heart throb who has been cast against type as Jesus Christ seemingly vanishes into thin air it is clear matters have gone beyond a joke **Gumshoes** Mitzi M.

Guide France's premier gastronomic guide is failing to whet the appetite of its audience in America. Bribed by the Director with offers of some time off, Monsieur Pamplemousse agrees to flex his literary muscles in a bid to address the problem by writing a play. The result is the ex-detective's directorial debut, complete with walk-on part for faithful bloodhound Pommes Frites. Everything rests on their special guest, Jay Corby, the acclaimed American food critic whose good opinion could change their transatlantic fortunes. But disaster strikes on opening night when a manoeuvre with a trapdoor causes Corby to storm out in a rage. Monsieur Pamplemousse must find him before he ruins everything for Le Guide. Once again he can rely on star-sniffer dog Pommes Frites, who is hot on the trail of their only lead: a flimsy undergarment belonging to an exotic dancer they came across in a state of undress before the start of the show. **The Writers Directory**, 2013 **Food in the Arts**

Harlan Walker, 1999. A further volume in this series, this year discussing not so much food or its preparation as its portrayal in any number of art forms such as popular music, crime novels, film, theatre, literature, and fine art. There are also some papers which concentrate on the art of food or art relating to food; an instance is the art of tissue paper, orange wrappers, a recondite but riveting item. My impression when this subject was first mooted was that all contributions would revolve around paintings and high arts. I was mistaken: there is a remarkable spread: the arrangement of 18th-century desserts, cookery, and the Cuban Santería religion; drink in 19th-century English fiction; food in film noir; the cook as artist in 18th-century England; architectural food design in France and Italy; popcorn poetry; food and eating in Brontë novels; and much more. These volumes are sometimes indigestible fricassees if swallowed at once, but think of them as platters of oysters: each may contain a pearl. By the finish, a bracelet at least, perhaps a necklace is the consequence. **Dictionary of International Biography**, 2007. A biographical record of contemporary achievement together with a key to the location of the original biographical notes.

*Monsieur Pamplemousse on Vacation* Michael Bond, 2012-09-24. Monsieur Pamplemousse is looking forward to a well-earned break in the South of France courtesy of his employer; all he has to do is collect a piece of artwork for Le Guide's Director. But when his contact fails to show and a dismembered body is washed up outside the hotel, the holiday mood evaporates. As Pamplemousse struggles with the case and with modern technology, his ever-faithful bloodhound Pommes Frites is on hand offering proof why, during his time with the Paris Sûreté, he was one of their top sniffer dogs. *Cassette Books* Library of Congress.
