Monster Back:

Chitso Samake Kenny J. Moncrieff, 2011 In a Steampunk Asian like world there are those who gain the powers over specific elements such as wind fire and things that aren't really elements like machine and death These people are called Elementals who seek to gain wealth fame and adventure and form guilds to strive to do so One of them a water elemental from the Ossuka Empire guild is named Chitso Samake Accidentally cursed by someone he loved years ago he has the chance to fix thing and is assisted by a fellow guild member and friend named Genevive But being the only one known to have survived this curse he is sought out by bounty hunters and mercenaries who wish to collect him for experiments and collections Obstructed by these Chitso is helped by his willpower skill and friends the water elemental believes he will succeed

The Last Monster Dan Walker, 2022-08-04 The Light Hunters have fought Monsters for centuries and Squad Juno are the very best at it From cities to villages the young group's abilities are on show for all to see now that their powers don't have to be used in secret Every victory they have prevents a Monster from taking more victims preventing more loss Lux Dowd Squad Juno's healer has had more than enough loss But a more immediate loss is that of his powers Lux can't or won't heal his teammates Whenever he tries a terrible energy comes from within and hurts the people around him Lux can't afford to lose anymore of those he cares about Sent on a mission that could end their war against the Monsters the Light Hunters soon find themselves making new allies in their quest to unearth an Ancient secret that may be able to stop the attacks Could this really be the last monster they fight

The Horror Film Peter Hutchings, 2014-09-11 The Horror Film is an in depth exploration of one of the most consistently popular but also most disreputable of all the mainstream film genres Since the early 1930s there has never been a time when horror films were not being produced in substantial numbers somewhere in the world and never a time when they were not being criticised censored or banned The Horror Film engages with the key issues raised by this most contentious of genres It considers the reasons for horror's disreputability and seeks to explain why despite this horror has been so successful Where precisely does the appeal of horror lie An extended introductory chapter identifies what it is about horror that makes the genre so difficult to define The chapter then maps out the historical development of the horror genre paying particular attention to the international breadth and variety of horror production with reference to films made in the United States Britain Italy Spain and elsewhere Subsequent chapters explore The role of monsters focusing on the vampire and the serial killer The usefulness and limitations of psychological approaches to horror The horror audience what kind of people like horror and what do other people think of them Gender race and class in horror how do horror films such as *Bride of Frankenstein* *The Texas Chainsaw Massacre* and *Blade* relate to the social and political realities within which they are produced Sound and horror in what ways has sound contributed to the development of horror Performance in horror how have performers conveyed fear and terror throughout horror's history 1970s horror was this the golden age of horror production Slashers and post slashers from *Halloween* to *Scream* and beyond The Horror Film throws

new light on some well known horror films but also introduces the reader to examples of noteworthy but more obscure horror work A final section provides a guide to further reading and an extensive bibliography Accessibly written *The Horror Film* is a lively and informative account of the genre that will appeal to students of cinema film teachers and researchers and horror lovers everywhere

The Morals of Monster Stories Leslie Ormandy, 2017-08-07 The simplicity of children's picture books stories told with illustrations and a few well chosen words or none at all makes them powerful tools for teaching morals and personal integrity Children follow the story and see the characters behaviors on the page and interpret them in the context of their own lives But unlike many picture books most children's lives don't feature monsters This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters Topics include monsters as instructors the normalization of strangers or the other fostering gender norms and therapeutic monsters among others

Twisted Diaries of a Monster Groupie Loretta Kendall, 2025-03-17 When a monster groupie with psychopathic tendencies heads to her favorite horror convention with plans to kidnap her Frank n heartthrob she's not expecting him to like it Will the lovable but unhinged scream queen throw her willing victim back or protect him from dangerous loan sharks out to de animate her celebrity crush Roxy Malone has her eyes on the horror industry's beloved monster actor Acid Green After a one night stand gone wrong he mistakes her kidnapping attempt as a clever escape from the loan sharks fast on his heels and a cute attempt to be a bad girl Drawn to the thrill of the chase and Acid himself the punk princess will put her science loving skills to work when her family legacy of monster creations becomes his one way out

The Encyclopedia of Japanese Horror Films Salvador Jiménez Murguía, 2016-07-29 Although the horror genre has been embraced by filmmakers around the world Japan has been one of the most prolific and successful purveyors of such films From science fiction terrors of the 1950s like *Godzilla* to violent films like *Suicide Circle* and *Ichi the Killer* Japanese horror film has a diverse history While the quality of some of these films has varied others have been major hits in Japan and beyond frightening moviegoers around the globe Many of these films such as the *Ringu* movies have influenced other horror productions in both Asia and the United States *The Encyclopedia of Japanese Horror Films* covers virtually every horror film made in Japan from the past century to date In addition to major and modest productions this encyclopedia also features entries on notable directors producers and actors Each film entry includes comprehensive details situates the film in the context and history of Japanese horror cinema and provides brief suggestions for further reading Although emphasizing horror as a general theme this encyclopedia also encompasses other genres that are associated with this theme including Comedy Horror Science Fiction Horror Cyber punk Horror Ero Guru Erotic Grotesque and Anime Horror *The Encyclopedia of Japanese Horror Films* is a comprehensive reference volume that will appeal to both cinema scholars as well as to the many fans of this popular genre
