Deep Purple and Rainbow Steve Pilkington,2022-06-28 Few would deny that Deep Purple were one of the most influential and popular heavy rock bands to emerge from the melting pot of the late 1960s They went through several line up changes and stylistic shifts before splitting up for the first time in the mid 1970s Talismanic guitarist Ritchie Blackmore carried the spirit on when he formed Rainbow after leaving Purple in 1975 particularly through his partnership with legendary singer Ronnie James Dio Deep Purple reformed some years later of course but many consider this original sometimes turbulent decade to be their most significant Steve Pilkington puts his focus on the period from

Shades Of Deep Purple in 1968 through to the first dissolution of the band after Come Taste The Band in 1976 via such classics as Machine Head and In Rock He also discusses first four Rainbow studio albums including the classic Rainbow Rising and the hit laden Down To Earth album in 1979 taking a look at every song from every album in detail He also discusses live recordings plus DVD and video releases The result is the most exhaustive guide to the band s music yet produced as critical opinion rubs shoulders with facts trivia and anecdotes to provide a fascinating alternative history of these revered bands Whether you are a hardcore fan or simply want a guide through the world which lies beyond Smoke On The Water this book is for you The Author Steve Pilkington is a music journalist proof reader and broadcaster He is Editor in Chief for the Classic Rock Society magazine Rock Society and contributes to other publications such as Prog Before taking on this work full time he spent years writing for fanzines and an Internet music review site on a part time basis He has recently published Black Sabbath Song By Song Fonthill 2018 book and has written the official biography of legendary guitarist Gordon Giltrap In addition he presents a weekly progressive rock radio show titled A Saucerful of Prog on Firebrand Radio He lives in St Helens Merseyside
