MONSTROUS MARTYRDOMS

THREE PLAYS
ERIC BENTLEY

SECOND EDITION

Monstrous Martyrdoms

Violet Fenn

Monstrous Martyrdoms:

Monstrous Martyrdoms Eric Bentley, 2007-04-18 This is an adaptation of Dickens *Hard Times* for the stage *Oscar Wilde* John Stokes, 1996-03-14 Stokes offers studies of Wilde's place in the Romantic tradition and of his relationships with such legendary figures of the fin de siècle as Aubrey Beardsley, Alfred Jarry and Arthur Symonds. And always as part of the process of historical inquiry Stokes considers those who came after: humanitarian disciples who kept Wilde's memory sacred; performers in his plays; actors who impersonated the man himself.

Visions of Queer Martyrdom from John Henry Newman to Derek Jarman Dominic Janes, 2015-04-27 Dominic Janes is at pains here to highlight the role played by Christianity in the history of homosexuality in Britain. His story deals not merely with genital relations but also with identities both embraced and refused. Necessarily coded expressions of desire as well as creative blurrings between religious idealism and queer gender and sexuality are integral to Janes's account. A special focus for Janes is the way in which visual images and imaginary visions of suffering in ecclesiastical contexts were used to develop concepts of male same-sex desire that projected the self as dutiful and penitent rather than shameful. And so a model and in ways a substitute for same-sex relationships was readily available in idealizations of the person and body of Christ: the unmarried queer martyr. Homosexual desires and identities prove to have unfolded in creative dialogue with religion during and since the 19th century. Various figures enter into Janes's history from Cardinal Newman and Oscar Wilde to artists such as Simeon Solomon and Frederick Rolfe, and the plot thickens with forays into Victorian monasteries that functioned as queer families with fascinating side trips into Rolfe's Christmas cards as expressions of queer aesthetic identity. He brings the account full circle with a concluding chapter on the life and works of Derek Jarman. Janes uses this case to show that the experience of the AIDS epidemic led to a reconnection with older modes of queer self-expression specifically concerned with the endurance of suffering. The religious roots of queer creativity are a vital resource for modern churches and openly gay men and women to learn from.

The Secret Life of Oscar Wilde Neil McKenna, 2009-03-05 Oscar Wilde said of himself: "I put all my genius into my life; I put only my talent into my work." Now for the first time Neil McKenna focuses on the tormented genius of Wilde's personal life, reproducing remarkable love letters and detailing Wilde's until now unknown relationships with other men. McKenna has spent years researching Wilde's life, drawing on extensive new material including never before published poems as well as recently discovered trial statements made by male prostitutes and blackmailers about Wilde. McKenna provides explosive evidence of the political machinations behind Wilde's trials for sodomy as well as his central role in the burgeoning gay world of Victorian London. Dazzlingly written and meticulously researched, *The Secret Life of Oscar Wilde* fully charts Wilde's astonishing odyssey through London's sexual underworld and paints a frank and vivid psychological portrait of a troubled genius.

Dandyism Len Gutkin, 2020-02-26 The dandy, a nineteenth-century character and concept exemplified in such works as Wilde's *The Picture of Dorian Gray*, reverberates in surprising corners of twentieth and twenty-first century culture.

Establishing this character as a kind of shorthand for a diverse range of traits and tendencies including gentlemanliness rebelliousness androgyny aristocratic pretension theatricality and extravagance Len Gutkin traces Victorian aesthetic precedents in the work of the modernist avant garde the noir novel Beatnik experimentalism and the postmodern thriller As defined in the period between the fin de siècle and modernism dandyism was inextricable from representations of queerness But rinsed of its suspect associations with the effeminate dandyism would exert influence over such macho authors as Hemingway and Chandler who harnessed its decadent energy Dandyism Gutkin argues is a species of gendered charisma The performative masquerade of Wilde's decadent dandy is an ancestor to both the gender performance at work in American cowboy lore and the precious self presentation of twenty first century hipsters We cannot understand modernism and postmodernism's negotiation of gender aesthetic abstraction or the culture of celebrity without the dandy Analyzing the characteristic focus on costume consumption and the well turned phrase in readings of figures ranging from Wyndham Lewis Djuna Barnes and William Burroughs to Patricia Highsmith Bret Easton Ellis and Ben Lerner Dandyism reveals the Victorian dandy's legacy across the twentieth century providing a revisionist history of the relationship between Victorian aesthetics and twentieth century literature

The Unfinished Revolution Stephen M. Engel, 2001-07-26 Compares the post Second World War histories of the American and British gay and lesbian movements

Bernard Shaw Sally Peters, 1996-01-01 A biography of the playwright speculates that he was secretly homosexual and examines his literary ambitions and austere lifestyle

The Air That We Breathe - Book One Simon M. Zayas, 2025-03-21 Father Marcellinus warns the young monk saying The air that we breathe that is the creature that we become explaining how every influence both good and evil ultimately shape us into the person that we are Based on real events this novel unfolds in a nineteenth century abbey and is about a young man who struggles to face the truth of who he really is something that all of us must ultimately do in our own lives The reader is invited into that cloister so full of passions and conflicts Simon desires only one thing since he was a little boy and that is to serve God as a priest He dreams of wearing silken gold vestments and being enveloped in great clouds of incense offering the Sacrifice to God When he is seventeen he leaves home and becomes a monk far north in the mountains of Pennsylvania His faith is genuine and he gives himself to his studies in order to become a Roman Catholic priest But not all is as he expected A sexual awakening he had not anticipated blossoms in him and boyhood dreams are shaken to the core as he wrestles with a side of himself he never counted on He falls in love in a monastic world filled with holy men mischievous souls colorful individuals and also great scoundrels A powerful visitor invites him to Rome something Simon never expected There is a dark price tag however something Simon is unaware of

It's Not Unusual Alkarim Jivani, 1997 This book is an anecdotal account of lesbian and gay Britain as told by those who lived through it all

Writers, Editors and Exemplars in Medieval English Texts Sharon M. Rowley, 2020-12-24 This collection of essays explores the literary legacy of medieval England by examining the writers editors and exemplars of medieval English texts In order to better understand the human

agency creativity and forms of sanctity of medieval England these essays investigate both the production of medieval texts and the people whose hands and minds created altered and or published them The chapters consider the writings of major authors such as Chaucer Gower and Wyclif in relation to texts authors and ideals less well known today and in light of the translation and interpretive reproduction of the Bible in Middle English The essays make some texts available for the first time in print and examine the roles of historical scholars in the construction of medieval English literature and textual cultures By doing so this collection investigates what it means to recover study and represent some of the key medieval English texts that continue to influence us today

The Ancient Lowly Cyrenus Osborne Ward,1900

Queer London Matt Houlbrook,2006-10-15 Queer London explores the underground gay culture of London during four decades when homosexual acts between consenting adults remained illegal The author discovers how queer men made sense of their sexuality and how their lifestyles were affected by and in turn influenced the life of the metropolis

Sex and Sexuality in Victorian Britain Violet Fenn,2020-05-30 Dull this book is not and it gives an insight into the many scandals not spoken about in polite Victorian drawing rooms Glasgow West of Scotland Family History Society Peek beneath the bedsheets of nineteenth century Britain in this affectionate informative and fascinating look at sex and sexuality during the reign of Queen Victoria It examines the prevailing attitudes towards male and female sexual behavior and the ways in which these attitudes were often determined by those in positions of power and authority It also explores our ancestors ingenious surprising bizarre and often entertaining solutions to the challenges associated with maintaining a healthy sex life Did the people in Victorian times live up to their stereotypes when it came to sexual behavior This book will answer this question as well as looking at fashion food science art medicine magic literature love politics faith and superstition through a new lens leaving the reader uplifted and with a new regard for the ingenuity and character of our great great grandparents I would say this book gives you the information on relationships genders and very much behavior that doesn t usually come across in history books Therefore this is an excellent book indeed certainly one that more people should be aware of and learn from UK Historian The writing is joyous and it is clear the author enjoys her subject and is fairly knowledgeable on things Victorian Rosie Writes Fenn s writing is so readable and it s clear this is a book written by a historian who loves her subject and is very knowledgeable about the research being carried out by other historians Jessticulates

Quest for Justice: Towards Homosexual Emancipation Antony Grey,2011-03-22 In 1967 after a ten year campaign the laws which treated all homosexual acts between males as crimes in England and Wales were altered to permit such behavior between two consenting men aged over twenty one in private Twenty five years on the profound significance of that change and the nature of the struggle that was waged to achieve it are not always fully appreciated Gay people and their lifestyles are still the subjects of considerable controversy and entrenched prejudice and today s gay rights campaigners are justified in believing that many more sweeping changes in legal and social attitudes are now called for Quest for Justice is the inside story of the

battle for the Wolfenden reforms told by one of its main protagonists Antony Grey was Secretary of the Homosexual Law Reform Society during much of the campaign and for some time afterwards Here besides giving his personal account of the reform campaign he comments on the subsequent course of the developing movement for gay rights and his own not always entirely harmonious relations with it He also describes the rising power of the moral majority backlash and its bitter attacks upon the liberalisers whom it miscalled permissive Whilst expressing disappointment at the slow progress of human sexual rights during recent years and a sense of ever greater urgency with the advent of AIDS for the widespread acceptance of much more frank and realistic attitudes Antony Grey concludes on a hopeful note foreseeing a sexually saner twenty first century in which updated moral social and legal attitudes will combine to promote rather than hinder human happiness

Oscar Wilde and Modern Culture Joseph Bristow, 2009-01-12 Oscar Wilde and Modern Culture The Making of a Legend explores the meteoric rise sudden fall and legendary resurgence of an immensely influential writer's reputation from his hectic 1881 American lecture tour to recent Hollywood adaptations of his dramas Always renowned if not notorious for his fashionable persona Wilde courted celebrity at an early age Later he came to prominence as one of the most talented essayists and fiction writers of his time In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy As this volume shows Wilde died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss's opera Salome and Robert Ross's edition of De Profundi With each succeeding decade the twentieth century continued to honor Wilde's name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings This volume reveals why more than a hundred years after his demise Wilde's value in the academic world the auction house and the entertainment industry stands higher than that of any modern writer The Gay & Lesbian Theatrical Legacy Billy J. Harbin, Kim Marra, Robert A. Schanke, 2005

Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time **Oscar Wilde -- the Great Drama of His Life** Ashley H. Robins, 2012-07-23 In the 1890s Oscar Wilde enjoyed one of the most high profile reputations in Britain yet virtually overnight he was plunged into disgrace and ruin What were the reasons for this extraordinary reversal of fortune Ashley Robins explores Wilde's motivation in prosecuting the Marquess of Queensberry and elaborates on the precarious legal situation that effectively quashed any prospect of a withdrawal from the lawsuit without dire consequences He examines the medical and psychiatric aspects of Wilde's two year imprisonment and reveals for the first time and based on the original Home Office records the machinations among prison officials and doctors to cover up Wilde's state of health Wilde's medical history is presented with an expert evaluation of his terminal illness including a resolution of the syphilis controversy Robins details Wilde's tangled matrimonial affairs during his imprisonment and goes on

to disclose the manoeuvres adopted by friends to secure his early release citing hitherto unpublished letters to show that bribery of prison personnel was seriously contemplated The issue of homosexuality is discussed not only in relation to Oscar Wilde but from the broader historical legal and biological perspective The author portrays Wilde s character and behaviour through the images he projected onto society by the strong but mixed public reaction to him and by the quality of his interpersonal relationships with his wife family and close friends Finally Wilde s personality is assessed using internationally accepted diagnostic criteria and in an unusual and innovative experiment a group of Wildean scholars completed a psychological questionnaire as if they were doing so for Oscar Wilde himself Drawing on these findings and on his own extensive psychiatric experience Ashley Robins concludes that Wilde had a disorder of personality that culminated in the final and tragic phase of his life

The World We Have Won Jeffrey Weeks,2007-06-21 The World We Have Won is a major study of transformations in erotic and intimate life since 1945 We are living in a world of transition in the midst of a long unfinished but profound revolution that has transformed the possibilities of living out our sexual diversities This book provides a balance sheet of the changes that have transformed our ways of being from welfarism to the pill women s and gay liberation from globalization consumerism and individualization to new forms of intimacy from friends as family to same sex marriage Some respond to these challenges with a deep cultural pessimism or moral conservatism It rejects such views and argues that this is a world we are increasingly making for ourselves part of the long process of democratization of everyday life Unless we grasp this we cannot understand not only the problems and anxieties but the opportunities and hopes in this world we have won

The Playwright as a Thinker Eric Bentley,1957 Homintern Gregory Woods,2017-11-21 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture In a hugely ambitious study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin s Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history

The Enigmatic Realm of **Monstrous Martyrdoms**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Monstrous Martyrdoms** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.
