The Making of the West, Combined Volume Lynn Hunt, 2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to *The Making of the West* The book's chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships Read the preface

A Cultural History of Childhood and Family in the Middle Ages Louise J. Wilkinson, 2012-03-01 The Middle Ages 800-1400 were a rich and vibrant period in the history of European culture society and intellectual thought Emerging state powers economic expansion and contraction the growing influence of the Christian Church and demographic change all influenced the ideals and realities of childhood and family life Movements for Church reform brought the spiritual and moral concerns of the laity into sharper focus profoundly shaping attitudes towards gender and sexuality and how these might be applied to family roles At the same time the growth of trade the spread of literacy and learning shifting patterns of settlement and the process of urbanization transformed childhood This volume explores the ideas and practices which underpinned contemporary perceptions of childhood in the medieval West and illuminates the enduring importance of the family as a dynamic economic political and social unit *A Cultural History of Childhood and Family in the Middle Ages* presents essays on family relationships community economy geography and the environment education life cycle the state faith and religion health and science and world contexts

Fifty Key Thinkers on History Marnie Hughes-Warrington, 2014-09-04 *Fifty Key Thinkers on History* is an essential guide to the most influential historians theorists and philosophers of history The entries offer comprehensive coverage of the long history of historiography ranging from ancient China Greece and Rome through the Middle Ages to the contemporary world This third edition has been updated throughout and features new entries on Machiavelli Ranajit Guha William McNeil and Niall Ferguson Other thinkers who are introduced include Herodotus Bede Ibn Khaldun E. H. Carr Fernand Braudel Eric Hobsbawm Michel Foucault Edward Gibbon Each clear and concise essay offers a brief biographical introduction a summary and discussion of each thinker's approach to history and how others have engaged with it a list of their major works and a list of resources for further study

Medieval Callings Jacques Le Goff, 1995-12-18 These essays by eleven internationally renowned historians present nuanced profiles of

the major social and professional groups the callings of the Middle Ages The contributors focus on attitudes of medieval men and women toward their own society Through a variety of techniques from a reading of the Song of Roland to a reading of administrative records they identify characteristic viewpoints of members of the fighting class the clergy and the peasantry Along with vivid descriptions of what life was like for warrior knights monks high churchmen criminals lepers shepherds and prostitutes this innovative approach offers a valuable new perspective on the complex social dynamics of feudal Europe Very useful discussions of texts both learned and literary Christopher Dyer Times Literary Supplement Contributors Mariateresa Fumagalli Beonio Brocchieri Franco Cardini Enrico Castelnuovo Giovanni Cherubini Bronislaw Geremek Aron Ja Gurevich Christiane Klapisch Zuber Jacques Le Goff Giovanni Miccoli Jacques Rossiaud and Andr Vauchez *Essex Pauper Letters, 1731-1837* Thomas Sokoll, 2006-03-09 The immensely rich archives from the administration of the English poor law before 1834 include letters to the overseers of the poor that came from the poor themselves As personal testimonies of people claiming relief which are often written in a stunningly private tone pauper letters allow deep insights into the living conditions experiences and attitudes of the labouring poor in the late eighteenth and early nineteenth centuries This edition contains some 750 of these letters all those presently known to survive in the county of Essex The Introduction demonstrates the immense importance of this neglected source both for the social historian and for the comparative study of literacy

The War Against the Family William D. Gairdner, 2007-08 Inspired by his own passionate experience as a son husband and father Gairdner offers in this book a forum for a long overdue debate about the future of the family in Western civilization *Emmanuel le Roy Ladurie: Illuminating History's Hidden Stories*, French Historians 1900-2000 Philip Daileader, Philip Whalen, 2010-03-16 French Historians 1900 2000 The New Historical Writing in Twentieth Century France examines the lives and writings of 40 of France's great twentieth century historians Blends biography with critical analysis of major works placing the work of the French historians in the context of their lifetimes Includes contributions from over 30 international scholars Provides English speaking readers with a new insight into the key French historians of the last century

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies *Theatre History Studies 2016, Vol. 35* Sara Freeman, 2016-12-06 Rosemarie K Bank and Michal Kobialka eds Theatre Performance Historiography Time Space Matter

Reviewed by Danny Devlin **The Devil and the Land of the Holy Cross** Laura de Mello e Souza, 2010-07-05 Originally published in Brazil as *O Diabo e a Terra de Santa Cruz* this translation from the Portuguese analyzes the nature of popular religion and the ways it was transferred to the New World in the sixteenth and seventeenth centuries Using richly detailed transcripts from Inquisition trials Mello e Souza reconstructs how Iberian indigenous and African beliefs fused to create a syncretic and magical religious culture in Brazil Focusing on sorcery the author argues that European traditions of witchcraft combined with practices of Indians and African slaves to form a uniquely Brazilian set of beliefs that became central to the lives of the people in the colony Her work shows how the Inquisition reinforced the view held in Europe particularly Portugal that the colony was a purgatory where those who had sinned were exiled a place where the Devil had a wide range of opportunities Her focus on the three centuries of the colonial period the multiple regions in Brazil and the Indian African and Portuguese traditions of magic witchcraft and healing make the book comprehensive in scope Stuart Schwartz of Yale University says It is arguably the best book of this genre about Latin America all in all a wonderful book Alida Metcalf of Trinity University San Antonio says This book is a major contribution to the field of Brazilian history the first serious study of popular religion in colonial Brazil Mello e Souza is a wonderful writer

Oral History Thad Sitton, George L. Mehaffy, O.L. Davis, 2011-05-18 More than a mode of gathering information about the past oral history has become an international movement Historians folklorists and other educational and religious groups now recognize the importance of preserving the recollections of people about the past The recorded memories of famous and common folk alike provide a vital complement to textbook history bringing the past to life through the stories of those who lived it Oral History is designed to introduce teachers students and interested individuals to the techniques problems and pleasures of collecting oral history The authors themselves experienced educators examine the uses of oral history in the classroom looking at a wide range of projects that have been attempted and focusing on those that have succeeded best Besides suggesting many possible projects they discuss the necessary hardware and its use recording equipment and procedures interview outlines and preliminary research photography and note taking in the field transcription and storage of information legal forms and more For the teacher the authors offer helpful advice on training students to be sensitive interviewers in both formal and informal situations How can oral histories collected in the classroom be put to use The authors discuss their uses within the curriculum in projects such as oral history archives publications such as the popular Foxfire books and other media productions and in researching current community problems Useful appendixes survey a variety of reference tools for the oral historian and describe in detail how a Foxfire concept magazine may be developed

Reading Primary Sources Miriam Dobson, Benjamin Ziemann, 2008-09-03 How does the historian approach primary sources How do interpretations differ How can they be used to write history Reading Primary Sources goes a long way to providing answers for these questions In the first part of this unique volume the chapters give an overview of both traditional and new methodological approaches to the use of sources

analyzing the way that these have changed over time The second part gives an overview of twelve different types of written sources including letters opinion polls surveillance reports diaries novels newspapers and dreams taking into account the huge expansion in the range of written primary sources used by historians over the last thirty years This book is an up to date introduction into the historical context of these different genres the ways they should be read the possible insights and results these sources offer and the pitfalls of their interpretation All of the chapters push the reader beyond a conventional understanding of source texts as mere reflections of a given reality instead fostering an understanding of how each of the various genres has to be seen as a medium in its own right Taking examples of sources from around the globe and also including a student friendly further reading section this is the perfect companion for every student of history who wants to engage with sources

Philosophy and Practice in Writing a History of Ancient Israel Megan Bishop Moore, 2009-07-01 An examination of current methodologies for writing Israel's history
