Frontier Scots Jenni Calder, 2020-05-15 Today there are up to 25 million Americans who claim to have Scottish heritage Many of these people are the descendants of Scots who journeyed to America in the 19th Century and became true pioneers in the West These men and women were real cowboys and homesteaders they were sheriffs and outlaws they mined gold and built railroads and they were among the first to conquer the frontier making lives for themselves in the wild west Most importantly they became the Scots who helped to shape the United States of America From the commended to the condemned the Scots who braved America s frontier territories have made a lasting impact on what is now the world s most powerful country This is an accurate and fascinating depiction of these people and their stories giving real insight into the lives of the frontier Scots

Discerning the Dynamics of Jeremiah 25-52 (MT) Mark O'Brien, 2020-06-01 This is the second of a two volume study of the dynamics of the MT version of the Book of Jeremiah The first volume published in 2017 analyzed chapters 1-25 and this volume will focus on chapters 25-52 of the MT version As with the first volume the aim of this one is to show the reader how by paying attention to the Dynamics of the Text namely how individual passages relate to their immediate and wider contexts a new understanding of the book emerges Rather than a loose collection of material assembled over a period of time by a variety of hands one can discern how the parts of the book combine to portray the dramatic unfolding of Jeremiah's prophetic vocation and how his relationship with God and God's people form an integral part of the book's presentation of the Word of God
