Montana The Gold Frontier:

Montana: the Gold Frontier Dan Cushman, 1973 **Montana** Michael P. Malone, Richard B. Roeder, William L. Lang, 1991 Montana A History of Two Centuries first appeared in 1976 and immediately became the standard work in its field In this thoroughgoing revision William L Lang has joined Michael P Malone and Richard B Roeder in carrying forward the narrative to the 1990s Fully twenty percent of the text is new or revised incorporating the results of new research and new interpretations dealing with pre history Native American studies ethnic history women s studies oral history and recent political history In addition the bibliography has been updated and greatly expanded new maps have been drawn and new photographs have been selected **Montana Vigilantes, 1863-1870** Mark C. Dillon, 2018-10-22 A history and legal analysis of vigilantism in Montana in the 1860s from a state Supreme Court justice and legal historian Historians and novelists alike have described the vigilantism that took root in the gold mining communities of Montana in the mid 1860s but Mark C Dillon is the first to examine the subject through the prism of American legal history considering the state of criminal justice and law enforcement in the western territories and also trial procedures gubernatorial politics legislative enactments and constitutional rights Using newspaper articles diaries letters biographies invoices and books that speak to the compelling history of Montana s vigilantism in the 1860s Dillon examines the conduct of the vigilantes in the context of the due process norms of the time He implicates the influence of lawyers and judges who like their non lawyer counterparts shaped history during the rush to earn fortunes in gold Dillon s perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics constitutional issues corrupt law enforcement and the basic need of citizenry for social order This readable and well directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western history law and criminal justice for years to come Justice Dillon s book reads like a Western Dillon masterfully sets the stage for the rise of the Montana vigilantes by bringing alive the people who created and lived in mining towns There are heroes villains shady characters and more than a few politicians businessmen lawyers and judges What sets Dillon s book apart from historical texts and fictional tales is that he provides legal analyses and explanations of the trials sentences due process and procedures of the day And shed s grisly light on the details of the hangings Dillon s unique background as an attorney and judge and his downright dogged research are what makes this complex story so engaging The prose is clear crisp and gets to the point The book is satisfying because it answers contemporary nagging questions about the law regarding the vigilantes and the hangings Gregory Zenon Brooklyn Barrister Dillon s analysis of the vigilantes of Bannack Alder Gulch and Helena in Montana Territory is the most detailed insightful and legally nuanced yet produced This book is a model for historians to follow when dealing with 19th century criminal proceedings Establishing historical context includes examining the laws in books as well as the law in action Gordon Morris Bakken Great Plains Research **Montana Gold** H. L. Risteen, 2011-05-01

Montana: A Bicentennial History (States and the Nation) Clark C. Spence, 1978-06-17 At three times the size of Pennsylvania with a county bigger than the whole state of Connecticut Montana is a large place once described as bounded on the west by the Japan current on the north by the aurora borealis on the south by Price's Army and on the east by the Day of Judgement Montana has a rich story in which different people have sought both great fortune and modest prosperity How well they succeeded is part of the story told in this engaging history

A Decent, Orderly Lynching Frederick Allen, 2013-07-17 The deadliest campaign of vigilante justice in American history erupted in the Rocky Mountains during the Civil War when a private army hanged twenty one troublemakers Hailed as great heroes at the time the Montana vigilantes are still revered as founding fathers Combing through original sources including eye witness accounts never before published Frederick Allen concludes that the vigilantes were justified in their early actions as they fought violent crime in a remote corner beyond the reach of government But Allen has uncovered evidence that the vigilantes refused to disband after territorial courts were in place Remaining active for six years they lynched more than fifty men without trials Reliance on mob rule in Montana became so ingrained that in 1883 a Helena newspaper editor advocated a return to decent orderly lynching as a legitimate tool of social control Allen's sharply drawn characters illustrated by dozens of photographs are woven into a masterfully written narrative that will change textbook accounts of Montana's early days and challenge our thinking on the essence of justice

Virginia City Thompson-Hickman County Library, 2011-04-18 Tucked between the Tobacco Root Mountains and Mount Baldy in southwestern Montana Virginia City began in May 1863 when gold was discovered in Alder Gulch Some 10 000 fortune seekers arrived and the days of whiskey revolvers road agents and vigilantes began Boot Hill overlooking the town is a constant reminder of its rough tough and unruly past A great number of mining towns have become ghost towns but not Virginia City thanks to the men and women who gave of themselves to establish a permanent town where families schools churches businesses and organizations would thrive

A Guide to Historic Virginia City Marilyn Grant, 1998 The gold rush era town of Virginia City recently purchased by the State of Montana to preserve for posterity makes a fitting first subject for the Montana Mainstreet series Once it was Montana's acting territorial capital and the center of trade for Alder Gulch the site of the richest placer mines in the world but Virginia City became a town almost frozen in time once gold deposits played out and the state capital moved to Helena in 1889 Today Virginia City attracts visitors from all over the world who marvel at its intact architecture If walking down Virginia City's streets is like a trip backwards in time the road map for that journey is Guide to Historic Virginia City

Yankees & Rebels on the Upper Missouri: Steamboats, Gold and Peace Ken Robison, 2016 During the 1860s the Missouri River served as a natural highway through snags and rapids from St Louis to Fort Benton for steamboats bringing Yankees and Rebels and their families to the remote Montana territory The migration transformed the Upper Missouri region from the isolation of the fur trade era to the raucous gold rush days that would keep the region in turmoil for decades The influx of newcomers involved

its share of dramatic episodes including the explosion of the Chippewa triggered by a drunken crew member the mystery of the fugitive James Younger gang and Colonel Everton Conger's journey from capturing John Wilkes Booth to the Montana Supreme Court Acclaimed historian Ken Robison reveals the thrilling history behind this war weary wave of migration seeking opportunity on Montana's wild and scenic frontier

Figures in a Western Landscape Elizabeth

Stevenson, 2017-09-04 *Figures in a Western Landscape* is an absolutely stunning book A biographer's take on the story of the American West it posits that the turns of history are based on people major figures who shape their time and place In her sequence of biographical essays Elizabeth Stevenson tells the story of the northern Rockies and in particular Montana a state of mind even more than it is a state of the Union As her readers have come to expect she offers more than a mere recounting of events Stevenson captures the humanity of her subjects Charles Little author of *Louis Bromfield at Malabar and Greenways for America* The northern Rocky Mountains and adjacent high plains were the last American West Here was the final enactment of our national drama the last explorations the final battles of the Indian wars the closing of the frontier In *Figures in a Western Landscape* award winning biographer Elizabeth Stevenson humanizes the history of the region with a procession of individual lives moving across generations Each of the sixteen men and women depicted left behind his or her own unique written record or oral history The stories they have bequeathed are rich in revealing anecdote and colorful detail Among them Meriwether Lewis America's most introspective explorer John Kirk Townsend known to the Chinooks as the bird chief Pretty Shield wife of the Crow scout who warned Custer to turn back at Little Big Horn James and Granville Stuart early settlers lured by rumors of gold in the 1850s In a concluding chapter Stevenson draws on previously unpublished material to reveal new information about Martha Jane Cannary Burke better known as Calamity Jane the woman who could ride shoot and drive a mule team as well as any man but who once failed to pass because she didn't cuss her mules like one She lies buried in Deadwood South Dakota next to the man some said was her husband Wild Bill Hickok These and other men and women whose stories Stevenson

America's Northern Heartland John R. Borchert, 1987

To most Americans the Northern Heartland has long been the most mystifying part of their country

Special Resource Study, Environmental Assessment, 1995

Discovery Men Gary R. Forney, 2009-02-19 There is no available information at this time

Death Valley to Deadwood; Kennecott to Cripple Creek United States. National Park Service. Division of National Register

Programs, 1990 Papers address concerns by contractors and agencies in how to survey and nominate properties to the National Register of Historic Places and how to mitigate adverse actions on significant resources management concerns

related to historic mining sites on public lands and interpretation and display of mining sites and materials The focus is on the western United States but other parts of the U S and western Canada are covered

Garnet, Montana's Last Gold Camp

, 1983 *Montana Mining Ghost Towns* Barbara Fifer, Montana is home to many storied ghost towns and few people get to see these remote places in person the way photographers Larry and Vivian Roland have Here they share rich color

photographs of landscapes townsites homes stores mining structures closeup details and more Historical black and white images newspaper quotes and anecdotal text help tell the stories of thousands of hard working pioneers those who preyed on them and a few larger than life characters bringing the past back to colorful life *Journeys to the Land of Gold* Susan Badger Doyle,2000 Collected here for the first time ever are the surviving eyewitness accounts of the Bozeman s Trail s civilian emigrants twenty four diaries written during the journey and nine reminiscences prepared afterward These accounts describe life on the West s last great emigrant trail the shortcut from the Platte River Road to the Montana goldfields from 1863 until 1866 when the route was closed by Red Cloud s War Ample introductions extensive annotation historical illustrations and detailed maps enrich this oversized two volume compendium *Draft Special Resource Study and Environmental Assessment* ,1993 *Gold Mountain Turned to Dust* John R. Wunder,2018-09-15 This legal history of the Chinese experience in the American West based on the author s lifetime of research in legal sources all over the West from California to Montana to New Mexico serves as a basic account of the legal treatment of Chinese immigrants in the West

African American Women Confront the West Quintard Taylor,Shirley Ann Wilson Moore,2003 The authors argue that African American women in the West played active though sometimes unacknowledged roles in shaping the political ideological and social currents that influenced the United States over the past three centuries This is the first major historical anthology on the topic
