J.

Campbell,Herbert K. Beals,Ann Savours,Anita McConnell,Roy Bridges,2017-05-15 This volume offers annotated texts with biographical and historical introductions of four previously unpublished travel journals from the period 1775 1874 The first of these is the journal of a participant in a Spanish expedition sent from Mexico to explore the north west coast of America From the outset difficulties plagued the voyage Bodega s ship a small schooner named Sonora was not designed for open ocean voyaging A landing party was attacked and killed midway into the voyage the Sonora became separated from her flagship and later she was nearly capsized by a massive wave Bodega s journal records the voyage s travails hardships discoveries and eventual return Next comes the journal of Commander Stokes who served in command of HMS Beagle under

Captain P P King during the survey of the Straits of Magellan in 1827 This is an account of a detached operation in very difficult weather conditions in the western part of the strait It is introduced by remarks on the expedition and the hydrographic history of the strait from its discovery to the inception of the survey and supplemented by remarks from Captain King s account and also that of the clerk Macdouall The third text is the journal of a young midshipman in HMS Chanticleer a small vessel commanded by Henry Foster RN who had recently been elected a Fellow of the Royal Society for his scientific work in the Arctic The voyage of 1828 31 was to make observations in the South Atlantic to determine the shape of the Earth and to ascertain the longitudes of a number of ports Kay s lively diary describes the Chanticleer s encounters with warships of the Brazilian navy largely manned by Englishmen He records his struggle to take observations at Deception Island during gales and snowstorms and near Cape Horn in fierce squalls and constant chilling rain nevertheless remaining cheerful in the company of his fellow midshipmen The final piece is the diary of Jacob Wainwright Marine Fisheries Review ,1979 Commercial Fisheries Review ,1979 **Monterey's Waterfront** Tim Thomas,Dennis Copeland,2006 On Monterey s waterfront the words sardine salmon mackerel pompano albacore abalone flounder and squid were music to the ears of fishermen With its deep underwater canyon Monterey Bay hosted a sealife jamboree long before the native Rumsien set out in small tule boats to harvest its bounty It has sounded a siren call to fishermen and biologists ever since Chinese fishermen pioneered modern commercial fishing in the 1850s clustering in villages along Monterey s rugged coast The cry Baleia sounded through town summoning Portuguese whalers to their longboats Japanese divers in primitive hard hat gear brought a sea snail called abalone to national attention while Sicilians earned Monterey the title sardine capital of the world The railroad opened the way for visitors to discover this natural coastal paradise now a tourist mecca **Collected Reprints** Southwest Fisheries Center (U.S.),1979 *Roadside Crosses* Jeffery Deaver,2009-06-09 From the author People magazine has hailed the New York Times bestselling author as a master of ticking bomb suspense comes the third addition to the Kathryn Dance series a chilling tale of a vigilante seeking revenge in both the cyber world and the real The Monterey Peninsula is rocked when a killer begins to leave roadside crosses beside local highways not in memoriam but as announcements of his intention to kill And to kill in particularly horrific and efficient ways using the personal details about the victims that they ve carelessly posted in blogs and on social networking websites The case lands on the desk of Kathryn Dance the California Bureau of Investigation s foremost kinesics body language expert She and Deputy Michael O Neil follow the leads to Travis Brigham a troubled teenager whose role in a fatal car accident has inspired vicious attacks against him on a popular blog The Chilton Report As the investigation progresses Travis vanishes Using techniques he learned as a brilliant participant in MMORPGs Massively Multiplayer Online Role Playing Games he easily eludes his pursuers and continues to track his victims some of whom Kathryn is able to save some not Among the obstacles Kathryn must hurdle are politicians from Sacramento paranoid parents and the blogger himself James Chilton whose belief in the importance of blogging and the

new media threatens to derail the case and potentially Dance's career. It is this threat that causes Dance to take desperate and risky measures. With Jeffery Deaver's signature style, *Roadside Crosses* is filled with dozens of plot twists, cliff hangers, and heartrending personal subplots that take a searing look at the accountability of blogging and life in the online world.
