Montgomery Clift Michelangelo Capua,2015-09-16 At the peak of his career in the 1950s Montgomery Clift was the symbol of a very talented yet rebellious generation of movie stars His acting combined the personal and the professional and his seventeen movies show his superb craft and extraordinary sensitivity Yet there was much more to his life than his talents as an actor more than most people knew This book is a biography of the extremely handsome acutely intelligent but tormented Montgomery Clift His life has been described as the longest suicide in the history of Hollywood and this biography shows the accuracy of that description It covers Clift s sheltered childhood his discovery at the age of 12 the early critical acclaim that brought attention from such noted directors as Elia Kazan and Antoinette Perry his development as a professional actor and work with many of Hollywood s greatest directors including Kazan Fred Zinneman Alfred Hitchcock and John Huston and the devastating car accident that disfigured his face and caused him to turn to drugs and alcohol Throughout the book attention is given to Clift s self destructive personality which created problems that even close friends

like Elizabeth Taylor could not help him solve and his closet homosexuality which contributed to his intense insecurity Richly illustrated **The Original Method Actors** Charles River Editors, 2025-05-01 It would be no exaggeration to say that James Dean has been more mythologized than any other actor in history a development due more to his off screen personality and conduct than the films he actually starred in Much of Dean s appeal derives from his humble and ordinary origins and audiences are drawn to the romance of the Indiana farm boy who catapulted to the top of the motion picture industry in a single year the same year that would see him die Of course James Dean remains well known for being anything but humble and ordinary As famous as his films are Dean s story is inextricably tied to his love for racing cars and his death in a high speed car crash And though Dean was already wildly famous at the time of his death there is no question that his death only enhanced his fame One study found evidence of a James Dean effect which concluded that a star s popularity benefits if the star dies young instead of living longer and losing luster By dying young Dean actually ensured that his name would remain famous and his appeal has transcended generations Marlon Brando Few names in the acting profession evoke such a strong almost visceral reaction Over the course of his long prolific career he was considered perhaps the greatest actor of the 20th century as well as one of the most complicated and misunderstood Uniquely able to be both emotionally charged and technically constrained in the same performance he single handedly changed the direction of not only the American style of acting influencing successors such as Robert De Niro Al Pacino and even Johnny Depp but the acting profession on a global scale His iconic interpretations of characters such as Stanley Kowalski A Streetcar Named Desire Terry Malloy On the Waterfront and Vito Corleone The Godfather have been forever burned into the collective memory of film and theatre aficionados scholars and critics for their immense passion rage love defiance vulnerability cruelty and tenderness basically the full spectrum of the human condition With several Oscars and Golden Globes to his name Brando s contributions remain the gold standard of the acting craft and the American Film Institute has listed him as the 4th greatest screen legend in history Brando was one of his generation s sex idols its most versatile actors and a political activist but who was the person behind the legend What propelled a young man from the Midwest to become such a powerful capricious and dominating force in the acting arena How was he able to penetrate the human condition replete with all its multilayered emotional baggage and convey its strengths weaknesses and delicate nuances so successfully often while plagued by his own personal tragedies and demons In Edward Montgomery Clift the public not only discovered an unusually gifted actor but a persistent and stoical anti authoritarian an extreme non conformist in a conformist age and a personal enigma who has remained the target of prying Hollywood reporting since his death Described as the first method actor in Hollywood he was to co create and develop this lonely unwilling and uncertain American hero filled with deep personal ambiguities a conflicting will vulnerable and sensitive In his eventual arrival to Hollywood following a lengthy period of resistance he not only embodied this new male model but inspired the next generation of fascinating characters who didn t fit in such as friends Marlon

Brando and James Dean He added to this screen persona a sexual dualism that while not apparent on the surface changed the way leading men were perceived by the late 1940s A first rate stage actor Clift approached Hollywood on his own terms and permanently upset the ruling order of the studio to star system in which long term contracts guaranteed corporate ownership of the artist [The Passion of Montgomery Clift](#) Amy Lawrence,2010-05-27 From his 1948 film debut in Red River through such classics as The Heiress A Place in the Sun and From Here to Eternity Montgomery Clift exemplified a new masculinity and leading the way for a generation of actors including Marlon Brando and James Dean epitomized the new naturalistic style of acting Clift s impact was such that both during his troubled life and after his untimely death fans described the actor in religious terms characterizing Clift as a vision acolyte and martyr In The Passion of Montgomery Clift Amy Lawrence challenges the myth of Clift as tragic victim by examining Clift s participation in the manipulation of his image his collaborations with directors his relationships with costars and his interactions with writers [The Hollywood Book of Extravagance](#) James Robert Parish,2011-01-06 Savor the inside scoop on over the top superstars I m not a paranoid deranged millionaire I m a billionaire Acting is an empty and useless profession Good girls go to heaven Bad girls go everywhere else I m interested in being provocative and pushing people s buttons Which screen icons gave us the quotes above How do stars get away with self indulgent unrestrained behaviors or do they In The Hollywood Book of Extravagance longtime industry insider and Hollywood historian James Robert Parish gives you a provocative look behind the scenes at the lavish indulgences and larger than life egos of Tinseltown s rich and famous The featured celebrities range from heartthrobs to industry tycoons and from yesterday s matinee idols to today s hottest celebs The stars are grouped according to their excesses ego neurosis partying power rich living and romancing You ll devour little known details on the excesses and exploits of notables ranging from Mae West to Madonna Greta Garbo to Marilyn Monroe and Marlon Brando Bela Lugosi to John Belushi Zsa Zsa Gabor to Paris Hilton Errol Flynn to Jude Law and many more [Encyclopedia of Lesbian and Gay Histories and Cultures](#) Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field

Bibliographic Index, 2004 **They Knew Marilyn Monroe** Les Harding, 2012-09-07 Taking an innovative approach to the life and legend of Marilyn Monroe 1926 1962 this biographical dictionary concentrates on her circle of friends acquaintances and coworkers 1618 in all Distilled from hundreds of celebrity biographies are references to and quotes about the iconic Hollywood sex symbol from such diverse personalities as architect Frank Lloyd Wright Israeli diplomat Abba Eban beat poet Jack Kerouac novelist Somerset Maugham jazz singer Ella Fitzgerald counterculture guru Timothy Leary and evangelist Aimee Semple McPherson to name but a few All of these remarkable people have in one way or another crossed paths with the magnificent Monroe The entries in this volume with source listings for further reading and research confirm the fact that Marilyn Monroe remains a figure of enduring fascination five decades after her death

Norma Jean Fred Lawrence Guiles, 2020-04-28 Marilyn Monroe remains the most provocative female legend of the twentieth century What you may have known about her before was only the tip of the iceberg For twenty years the men and women who knew Marilyn best saw what they knew suppressed

because certain important people were still living and the tenor of the times prohibited frankness. Instead rumors ballooned. This book finally sets the record straight. Fred Guiles, whom Norman Mailer acknowledges as the chief source of fact about Marilyn, has written the life behind the legend. He reveals what really happened in the careening career of the pretty waif named Norma Jean Mortensen who married the boy next door, became a model, an actress, movie star, married an incompatible legend named Joe DiMaggio, sought to improve the mind that came with her near perfect body, married playwright Arthur Miller, lent herself to the Svengali-like ministrations of Paula and Lee Strasberg, became the mistress of John and then Robert Kennedy when they ran the country, kept camera crews and studios waiting but not death which took her under the most unusual circumstances by the age of thirty-six. A legend by definition is unaltered by fact but the enthralled reader will find the revelations in this book no deterrent to the love of Marilyn Monroe by understanding at last what happened to the Queen of Need. Among the people interviewed for this book are Arthur Miller, James E. Dougherty, her first husband Frank Taylor, the producer of *The Misfits*, Lee Strasberg, Otto Preminger, Billy Wilder, Joshua Logan, and John Huston.

Hollywood Death and Scandal Sites E.J. Fleming, 2015-09-18 For more than a century people have been drawn to sites of tragedy involving the rich, beautiful, and notorious of Hollywood. Tourists at the center of the movie universe flock to Rudolph Valentino's grave, the house where Marilyn Monroe died, the O.J. murders condo, the hotel where John Belushi overdosed, a myriad of haunted mansions. In its extensively researched and enlarged second edition, this book tells the stories of these locations and makes finding them simple. Seventeen driving tours include more than 650 sites. Each tour covers a specific area from Hollywood and the Sunset Strip to Brentwood and Malibu, covering the entire Los Angeles basin. Concise, easy-to-follow directions are given to each location with 145 photos and the fascinating story behind each stop.

Martini Man William Schoell, 2003-10-10 Martini Man goes beyond the simple caricature of the boozy lounge singer with a penchant for racy humor to reveal the substantive man behind that mask. Although Martin's movie roles receive in-depth attention in this incisive biography, as does his career-defining partnership with Jerry Lewis, details of Dino's personal life also abound, such as how Shirley MacLaine dropped by his house to tell Dean she was in love with him even though his wife was in the other room. William Schoell's chronicle is a sympathetic portrait that recreates the life and times of one of America's favorite entertainers.
