FRANK G. CARRINGTON

Neither Cruel Nor Unusual The Case For Capital Punishment

Yuval Ginbar

Neither Cruel Nor Unusual The Case For Capital Punishment:

Why Not Torture Terrorists? Yuval Ginbar, 2008-03-27 The book addresses a dilemma at the heart of the War on Terror is it ever justifiable to torture terrorists in order to save the lives of innocent civilians the so called ticking bomb scenario The book first analyzes the ticking bomb dilemma as a pure moral one facing the individual would be torturer A never say never utilitarian position is pitted against a minimal absolutist view that some acts are never justifiable and that torture is one such act It then looks at the issues that arise once a state has decided to sanction torture in extreme situations when how and whom to torture the institutionalization of torture its effects on society and its efficacy in combatting terrorism in the shorter and longer runs Four models of legalized torture are next examined including current ones in Israel and the USA and the idea of torture warrants Finally related legal issues are analyzed among them the lawfulness of coercive interrogation under international law and attempts to allow torture only after the fact for instance by applying the criminal law defence of necessity A minimal absolutist view under which torture whether by private individuals or by state officials must be prohibited absolutely in law policy and practice and allowing no exceptions for ticking bomb situations is defended throughout

The Decline of the Death Penalty and the Discovery of Innocence Frank R. Baumgartner, Suzanna L. De Boef, Amber E. Boydston, 2008-01-07 Since 1996 death sentences in America have declined by more than 60 percent reversing a generation long trend toward greater acceptance of capital punishment In theory most Americans continue to support the death penalty But it is no longer seen as a theoretical matter Prosecutors judges and juries across the country have moved in large numbers to give much greater credence to the possibility of mistakes mistakes that in this arena are potentially fatal The discovery of innocence documented in this book through painstaking analyses of media coverage and with newly developed methods has led to historic shifts in public opinion and to a sharp decline in use of the death penalty by juries across the country A social cascade starting with legal clinics and innocence projects has snowballed into a national phenomenon that may spell the end of the death penalty in America

The Rehnquist Court Thomas R. Hensley, 2006-06-08 A detailed look at the Rehnquist Court s key figures rulings and major changes to U S constitutional law Did the Rehnquist Court which followed the liberal Warren Court and the moderate Burger Court achieve a conservative counterrevolution Using quantitative data to supplement detailed opinion analysis political scientist Thomas R Hensley argues that continuity not change characterized the Rehnquist Court era But without a doubt the Rehnquist Court was frequently a war zone Fourteen justices served during the Rehnquist era which began in 1986 during the Reagan administration and ended with Rehnquist s death in September 2005 Presidents Reagan and Bush appointed conservative justices and set in motion an assault on the ultra liberal decisions made by the two previous courts But President Clinton appointed two moderate Democrats slowing the conservative juggernaut The result One of the most fascinating contentious and crucial periods in the history of the U S Supreme Court

Justice and Compassion in Biblical Law Richard H.

Hiers,2009-12-14 Annotation Richard Hiers provides a new consideration biblical law with an emphasis upon the underlying justice and compassion implicit within Special consideration is given to matters of civil law the death penalty and due process

Capital Punishment Michael Kronenwetter,2001-12-07 This revised edition of a perennial bestseller with more than 50 percent new material is a much needed overview of a hotly debated topic Capital Punishment focuses on the use of the death penalty in the United States its international status and how foreign developments affect the country It includes a history a discussion of the controversies surrounding the death penalty updated biographical sketches and statistics Key documents include the U S Supreme Court decision affirming capital punishment a key dissent Charles Dickens 19th century view of the guillotine and various papal and European Union decrees It also includes a chronology organizations websites with further information and an annotated bibliography In this updated survey a thorough overview of capital punishment author Michael Kronenwetter reveals interesting facts for example under Roman law death was the penalty for publishing insulting songs and disturbing the city s peace *The Death Penalty* United Nations Social Defence Research Institute,1988 **Capital**

Punishment C. Cliff,2003 The issue of capital punishment is a continually debated issue because it calls into question the values and direction of society How is a civilisation supposed to handle lawbreakers Are some crimes so heinous and some people so dangerous that the death penalty is the only appropriate response The United States Constitution prohibits cruel and unusual punishment but opinions on whether that includes capital punishment are vehement on both sides Many states have some form of death penalty and public opinion seems to indicate support of it in principle However many firestorms have erupted recently over the application of the penalty including the topics of its use on minors and those with mental disabilities There are also questions raised about how much of a factor race plays in a capital sentence Internationally several countries have foresworn the death penalty with certain countries in Europe and the Americas refusing to extradite criminal suspects including suspected terrorists to the US if capital punishment is a possible sentence With such politically flammable and ethically challenging issues hanging over it capital punishment is a vitally important issue to understand To help facilitate that study this book assembles a carefully selected and substantial listing of literature focussing on the death penalty Anyone researching this area of criminal justice will find this book an important tool as it offers easy access to the most relevant works about capital punishment Following the bibliography further access is provided with author title and subject indexes *Older Americans Fighting the Fear of Crime* United States. Congress. Senate. Special Committee on Aging,1981

The Ethics of Capital Punishment Scott Rae,2012-04-10 Derived from Scott B Rae s widely adopted textbook Moral Choices this digital short looks carefully at the Bible s teaching on capital punishment and at arguments for and against it With cases and questions for further discussion at the end The Ethics of Capital Punishment provides a wise and well grounded introduction to a key public policy related ethical question namely Can a Christian in good conscience support capital punishment today *Illustrated Great Decisions of the Supreme Court* Tony Mauro,2005-12-07 Acclaimed by

researchers students and general readers this informative lively and easy to use volume fills the public need for information about key recent and historical cases before the U S Supreme Court Now significantly updated this new edition includes all the new major cases over twenty five in total handed down by the Court since the first edition was published in 2000 The new entries include many high profile cases that have stirred public controversy including *Boy Scouts of America v Dale* 2000 granting the right to exclude homosexuals from leadership positions in the Boy Scouts *Bush v Gore* 2000 ceasing ballot recounts in the 2000 presidential election *PGA Tour v Martin* 2001 obliging the PGA to accommodate a disabled golfer *Lawrence v Texas* 2003 stating that a law criminalizing same sex sodomy violates due process *Gratz Grutter v Bollinger* 2003 stating that an affirmative action program to achieve diversity in universities may or may not violate the equal protection clause depending on how it is implemented In each of the over 100 cases summarized author Tony Mauro succinctly describes the decision provides background and facts of the case the vote and highlights of the decision with verbatim excerpts and in conclusion discusses the long term impact of the decision on United States citizens and U S society Topic search aids let readers easily trace the evolution and impact of rulings in particular issue areas Added features also enhance the volume including many new portraits political cartoons and drawings a comprehensive bibliography and an easy to access case subject index A perfect starting point for research on Supreme Court decisions this newly updated volume is an essential addition to every public high school and college library

Sentencing in Capital Cases United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice, 1978

Death Penalty in Decline? Austin Sarat, 2024-05-31 This volume presents essays evaluating the similarities and differences between the legal political ethical and practical landscapes confronted by the death penalty abolition movement at the time of the *Furman v Georgia* decision and subsequent reversal and those confronted by the same movement today

Lethal Injection Jonathan R. Sorensen, Rocky LeAnn Pilgrim, 2013-08-26 Few state issues have attracted as much controversy and national attention as the application of the death penalty in Texas In the years since the death penalty was reinstated in 1976 Texas has led the nation in passing death sentences and executing prisoners The vigor with which Texas has implemented capital punishment has however raised more than a few questions Why has Texas been so fervent in pursuing capital punishment Has an aggressive death penalty produced any benefits Have dangerous criminals been deterred Have rights been trampled in the process and most importantly have innocents been executed These important questions form the core of *Lethal Injection* Capital Punishment in Texas during the Modern Era This book is the first comprehensive empirical study of Texas's system of capital punishment in the modern era Jon Sorensen and Rocky Pilgrim use a wealth of information gathered from formerly confidential prisoner records and a variety of statistical sources to test and challenge traditional preconceptions concerning racial bias deterrence guilt and the application of capital punishment in this state The results of their balanced analysis may surprise many who have followed the recent debate on this important issue

Nomination of Anthony M. Kennedy to be

Associate Justice of the Supreme Court of the United States United States. Congress. Senate. Committee on the Judiciary,1989 **Who is on Trial? Conflicts Between the Federal and State Judicial Systems in Criminal Cases** United States. Congress. House. Committee on Government Operations. Government Information, Justice, and Agriculture Subcommittee,1988 **The Code of Alabama: Criminal** Alabama,1907 **The Code of Alabama: Criminal** ,1907 **Criminal** Alabama,1907 **Reports Containing the Cases Determined in All the Circuits from the Organization of the Courts** ,1916 **On This Date** Carl M. Cannon,2017-07-18 Forget what you were taught in seventh grade this riveting book takes readers down American history s back alleys and side streets From the arrival of the Mayflower through the 2016 election **On This Date** explores five hundred years of American history revealing a compelling tale for each day in the calendar year Drawing from Carl M Cannon s popular RealClearPolitics Morning Note **On This Date** is focused on fascinating and sometimes unknown stories behind specific dates in U S history What inspired Abraham Lincoln to grow his famous beard what Dwight Eisenhower really thought about playing football against the great Jim Thorpe the legal grounds for the first American divorce who wrote Rudolph the Red Nosed Reindeer and who profited from it Colorful yet authoritative **On This Date** debunks some popular myths and celebrates America s forgotten heroes
