PAWN A Novel About Reality by H J Ted Gresham Richard Cleveland isn't a happy man His marriage is falling apart and there's nothing he can do to stop it On a late fall evening he takes a drive just to clear his head and think a while When he arrived home his wife was frantic His short drive should have taken less than an hour but he arrived home after more than three hours He could not account for that time And that was just the beginning Richard Cleveland takes a journey down the rabbit hole a twisting turning convoluted trip into a world where nothing is what it seems and nobody can be trusted He's forced to face a reality that changes everything He's thrust into a world that exists only in the shadows a world of secrets intrigue and conspiracy And he discovers that not even love is what it seems In the end Richard realizes he's merely a pawn an insignificant blip in a secret war that has no boundaries This is a story of fear and horror of love lost and faith destroyed It is a work of fiction but it represents a reality that few comprehend and even fewer believe exists Follow along as Richard Cleveland takes you into the dark foreboding world of alien abductions **United Queerdom** Dan Glass, 2020-06-18

John Cassavetes asked journalist Michael Ventura to write a unique film study and an on set diary of the making of his film *Love Streams*. Cassavetes laid out his expectations. He wanted a daring book, a tough book. In Ventura's words, "All I had to do for daring and tough was transcribe this man's audacity day by day." Full of insight into not only the filmmaker but his actors and his Hollywood peers, the resulting book describes the creation of *Love Streams*, shot by shot, crisis by crisis. During production, the director learned that he was seriously ill, that this film might as it tragically turned out be his last. Starring alongside actress and wife Gena Rowlands, Cassavetes shot in sequence, reconceiving and revising his film almost nightly in order that *Love Streams* could stand as his final statement. Both an intimate portrait of the man and an insight into his unique filmmaking philosophy, this important text for all movie lovers and film historians documents a heroic moment in the life of a great artist.

Devil's Sexy Candy Zeena Becks, 2023-09-14. Life as the guitarist of a world famous rock band has its perks. Plenty of money. Plenty of attention. And plenty of women. Usually it also means plenty of work, just as Mickey Collins loves it. The less time spent all by himself, the better. Until destiny takes him to Lucy Stewart. She's smart, she's beautiful, and she's the first woman to ever make him fight for her attention. Getting her out of his head is impossible. Falling for her is inevitable. But being with her seems impossible. Not as long as she's still hung up on someone else. Ever since she was twelve years old, Lucy Stewart dreamed about being a nurse, taking care of those in need, bringing a smile onto the faces of everyone around there. Hadn't been a greater joy for her. Until a tragic loss left her with nothing but guilt, grief, and red wine to fill the lonely hours at home. But her whole life is set to change when one of her patients presents her with tickets for the London show of her favourite British rock band, Devil's Entourage. It could have been the best day of Lucy's life. If it wasn't for the brief encounter with the band's guitarist, resulting in a blooming friendship, torn feelings, and too much sexual tension for a woman who is determined to never love again. Will Mickey succeed in leaving his playboy past behind to find true love? And what happens when Lucy has to realise that the man she had sworn to love until her very last breath may not have been as good for her as she had once believed. *Devil's Sexy Candy* is book 5 in the *Devil's Series*, a series following the mates of British rock band Devil's Entourage. The first four books of the series do not have to be read in order to understand and enjoy Mickey and Lucy's story.

Assault On Void Star Academy Jesse Wilson, 2024-01-09. One small skirmish turns into a devastating event for both sides, and a war begins. Grandell, student and one-time Unicorn Slayer, is forced to take charge of the situation against the escalating series of events in an attempt to save everyone. But does he have what it takes to fight back against the Assault on Void Star Academy?

Relative Messages Emma Harvey, 2007-09-01. Tarot cards were just little cards with pretty pictures on them, weren't they? All Chloe wanted out of life was to find a tall, dark, handsome man to whisk her off her feet. When she met Mal, that was exactly what happened. Caught up in the first flushes of romance,

Chloe didn't realise that this was no ordinary relationship. This was a relationship where unseen relatives were very busy at work. They would make Chloe look at this relationship and her life in a way she had never thought of before. The story of Chloe's love for a man who would never love her, the overwhelming concern she has for a man who will never be completely honest with her until it's too late. A story of intrigue, fear, sadness, and loss. All Chloe had ever wanted was to be happy. Happiness wasn't quite what she got. If all things psychic interest you, then this book is for you. Do people who have passed over come back to help us in times of need, or is it just a case of having a hunch about something? You decide. **The**

Sadness Behind the Smile Anthony Hall, 2013-06-12. This book is about emotional abuse that many people go through and is something that can go undetectable, especially when looking at a male's point of view. It's everywhere and even in the unexpected places can be found. This book is a highlight and insight to my life and struggle with emotional abuse and its to show that everyone has their scars; it's just that some of mine are on the inside. **Unexpected Love** Donna L.

Frank, 2022-07-24. The hot southern Arizona desert can be an unforgiving place. In the 1880s, Meridith Benson realized this, especially after losing her husband and facing trial after trial. It was only by God's grace and protecting hand that she, her family, and friends survived. It's amazing how evil human beings can treat each other, but even more amazing how God can change a life. US Marshal Clint Dolin arrived and, along with Meridith's Uncle Jake, God turns her life from sorrow to joy and **Unexpected Love**. **Time to Let Go, My Love** Nagi. This is the book 2 of *Time to Let Go, My Love*. When Madora comes back after a decade, she doesn't expect to find her old group of friends in such a state. She also doesn't expect the mixed reactions she and her child receive. But she's here now, after ten long years, and it's finally time to heal. For all of them, it's finally time to let go, even if it means they have to go through hell to get there. Can they? Are they going to build a bridge over ten years of radio silence? Will they re-open the old wounds together in order to help each other heal right this time? Only time can tell. **YOU CAN TRUST ME** Sabrina Jones, 2021-03-10. Yasmeen Blake is a very intelligent, talented, and gorgeous young lady with a heart of gold. She has some short comings, but who doesn't? Yasmeen is an administrative supervisor of Social work at a local hospital in California. She is hard working and she is damn good at her job. Yasmeen is unmarried, single, and she is looking for love. After getting her heart broken by Aaron Sinclair, a doctor who works at the same hospital, Yasmeen guards her heart. That is, until Doctor Mahmoud Shashivivek, the new Owner of the hospital, arrives. Mahmoud is a

neurosurgeon. He stands six feet tall, one hundred sixty-five pounds, with silky black curly hair that flows down to his shoulders and his strong facial features. With eyes as blue as the ocean, his skin is flawless and blemish-free, like smooth, light-creamy caramel. His smile is bright like the sun, that reveals his beautiful, pearly white teeth. His lip like a dark pink rose. With a physique better than the Rock Eight pack abs, with strong arms and hands, Yasmeen wants to hate Mahmoud, but her body longs to have him, but he's promised to another woman. **Ain't No Sunshine** Renita Michelle Walker, 2003.
