No Faith Required

Charles Pettit McIlvaine

No Faith Required:

No Faith in Religion John Saxbee, 2009 If religion is characterised by the recruitment of God to serve our agendas and faith is about putting our agendas at the service of God then clearly there is too much religion in the world and not enough faith The first eight chapters of this book apply this religion faith dichotomy to some crucial areas of interest to those exploring what it might mean to be people of faith in a world saturated with religion *Righteousness by Faith, or the nature and means of our justification before God; illustrated by a comparison of the doctrine of the Oxford Tracts with that of the Romish and Anglican Churches. A new and revised edition of "Oxford Divinity" ... Third edition* Charles Pettit

Willis, 2014-01-27 Faith Williams husband is dead so why isn t she crying at his funeral From the outside looking in it appeared that the prominent Williams family had it all They were a powerful and well to do African American Bishop and First Lady at a mega church that they built as a team in Oakland California They had three lovely daughters a grand mansion drove the finest cars and had more church members than they could account for in their large Baptist congregation But there

was a price that was paid to Have It All It isn't until Faith is sitting on the front pew at her husband's funeral that she finally has the courage to dig deep within herself to reflect on a relationship that was built on a bed of lies Faith will take the reader on a journey through her relationships with her husband God and herself She will dissect it all the good times the lies the infidelities and the skeletons that will fall out of all of their closets Through it all will she have enough Faith to walk away unscathed
