Historical Dictionary of Botswana Barry Morton, Jeff Ramsay, 2018-06-13 The death of Botswana's last founding father Sir Ketumile Masire in June 2017 marked the end of an era Since the release of the Fourth Edition of *Historical Dictionary of Botswana* in 2008 Botswana has gone through its most turbulent and divided decade to date Throughout September 2016 when Botswana celebrated its 50th anniversary of independence all the successes of the Seretse and Masire era were sources of massive national pride Botswana had expanded provisions of electricity water education and health services to almost all of its people and become a model nation that owned its natural resources and

plowed the profits back into the nation's development. Despite these successes Botswana has a high unemployment rate about 20 percent and a much larger cohort of the underemployed. This fifth edition of *Historical Dictionary of Botswana* contains a chronology, an introduction, appendixes, an extensive bibliography, and more than 700 cross-referenced entries on important personalities and aspects of the country's politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Botswana. *Dealing with Evils* Annie Gagliano, 2014-10-01 **The African Book Publishing Record**, 2003 *African Books in Print*, 1978 **Unravelling Taboos** Suzanne Lafont, Suzanne LaFont, Dianne Hubbard, 2007 Women in Botswana Elsie Alexander, 2005 This publication updates the gender profile of Botswana published in 2000. It highlights the achievements and challenges facing the country in the quest for gender equality. It shows that despite the considerable achievements of one of Africa's most successful countries, poverty still disproportionately affects women and gender is not sufficiently taken into account in mainstream policies and planning. It further assesses the progress of the country to improve gender equality in the context of the adoption of the Beijing Platform for Action and the SADC Gender and Development Declaration. *The English Academy Review*, 2003 **International African Bibliography**, 2003 *Women and Law in Southern Africa Research Trust*, 1997 SADC Gender Protocol 2013 Barometer, 2013-09-25 In August 2008, Heads of State of the Southern African Development Community adopted the ground-breaking SADC Protocol on Gender and Development. This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance. By the 2013 Heads of State summit, 13 countries had signed and 12 countries had ratified the SADC Gender Protocol. The Protocol is now in force. With two years to go, time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality. In keeping with the Alliance slogan 'Yes we must', this 2013 Barometer provides a wealth of updated data against which progress will be measured by all those who cherish democracy in the region. The SADC Gender and Development Index (SGDI) introduced in 2011 complements the Citizen Score Card (CSC) that has been running for five years to benchmark progress.
