Rediscovering The Sacred Perspectives On Religion In Contemporary Society:

Rediscovering the Sacred Robert Wuthnow,1992 Claiming that the realm of the sacred in modern societies is characterized more by rediscovery than by revival Wuthnow examines the main theoretical approaches toward religion that have emerged of late in the social sciences and shows how these approaches can help explain the shifting location of the sacred

The Ambivalence of the Sacred Scott R. Appleby,2000 This text explains what religious terrorists and religious peacemakers share in common and what causes them to take different paths in fighting injustice

Beyond Sacred and Secular Sultan Tepe,2008 Comparing the politics of Judaism and Islam this book demonstrates that common religious political party characteristics in Israel and Turkey can be as striking as their differences

Peter L. Berger on Religion Titus Hjelm,2024-04-30 Peter L Berger on Religion provides an overview and critical assessment of the work of one of the most influential sociologists of the 20th century Situating Berger s writings on religion and secularisation in the broader framework of social constructionism the book argues that neither he nor the research influenced by him consistently followed the constructionist paradigm This assessment is informed by a close examination of *The Sacred Canopy* 1967 in particular The volume also offers a Berger inspired constructionist framework for the study of religion This book is an excellent resource for students and researchers interested in the intersection of religion and social theory

God's Mission in Asia Ken Christoph Miyamoto,2007-06-15 Ecumenism in postwar Asia institutionalized in the Christian Conference of Asia displayed a remarkable this worldliness from its inception in the 1940s This tendency was in contrast to the tension between the church centric and world centric approaches to Christian mission that marked conciliar mission thinking in the West This work examines the development of such this worldly holiness in Asian ecumenism focusing on M M Thomas of India and C S Song from Taiwan Special attention is drawn to the idea of God s this worldly presence that considers God as redemptively at work in world history apart from the church The study first compares the development of this worldly holiness in the West and Asia and then examines the thinking of Thomas and Song The chapters on these two theologians discuss their backgrounds the basic concerns motivating their intellectual searches and responses to the questions arising from such concerns These chapters also try to understand how these theologians view the relationship between God and the world In so doing the study highlights the significance of the idea of God s this worldly presence shared by Thomas and Song in spite of differences in their backgrounds approaches and theological formulations Having compared Thomas and Song the study concludes that the idea of God s this worldly presence became central to Asian ecumenism because it offered a common unifying vision to Asian Christians who come from a region characterized by tremendous diversity The idea helped them to see the diverse peoples cultures and religions in Asia under one God who transcends the diversity and still takes it seriously

Steel City Gospel Keith A. Zahniser,2013-04-15 Demonstrating the power religious language ideas and institutions had in shaping progressive reform in Pittsburgh this cross disciplinary study addresses significant debates in the fields of

Progressive Era political history and American religious history while telling the story of an industrial city in a crucial era of change

Nursing the Spirit Don Grant, 2023-05-23 Illness and death have always raised profound spiritual concerns. However, today most people experience suffering and treatment in hospitals and other impersonal bureaucratic facilities whose employees are expected to follow scientific rationalized norms of behavior. How do professional caregivers—the nurses and other workers who tend to patients—navigate between science and spirituality? Don Grant investigates the subtle ways that nurses at an academic medical center incorporate spirituality into their care work. Based on extensive fieldwork and an in-depth survey on spirituality, this book finds that many nurses see themselves as responsible for not only patients' physical health but also their spiritual well-being. They believe they are able to reconcile science and spirituality through storytelling and claim that they can provide more spiritual care than chaplains. However, nurses rarely talk about religion among themselves because they are concerned that their colleagues are uncomfortable discussing spirituality. Nevertheless, by seeking to honor patients' ultimate worth as human beings, many nurses are able to instantiate spiritual values of care. Grant interweaves his experiences as a hospital volunteer chaplain and a living liver transplant donor with empirical analyses of nurses' spiritual work. Developing a new understanding of the social significance of religion, *Nursing the Spirit* recasts the intersection of science and spirituality by centering the perspectives of the people who provide care.

The Newer Deal Ram A. Cnaan, Robert J. Wineburg, Stephanie C. Boddie, 1999 Cnaan calls upon religious-based organizations and the social work social service community to put aside their differences and forge a limited partnership focusing on joint care for those in need, with attention to services for people of color, gays and lesbians, women, and programs for community empowerment and economic development.

The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it. Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s. Disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them. This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies. The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches. And then, as the debate traveled southward, the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards. Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified, particularly those that have persisted most stubbornly to the present day. Perhaps most surprising of all, the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in

light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today *Above All Earthly Pow'rs* David F. Wells, 2006-08 In this prophetic call to the evangelical church Wells stresses that Christians need to confess Christ as the center in a society lacking a center as the sovereign in a world seemingly ruled by chance and as the one who can give meaning in a nihilistic culture
