Rediscovery Of Awe Splendor Mystery And The Fluid Center Of Life:

Rediscovery of Awe Kirk J. Schneider, 2004-05-17 At a time when two dominant worldviews nihilistic relativism and dogmatic fundamentalism threaten to tear our world asunder Rediscovery of Awe offers a timely and restorative alternative It weds faith to doubt and the depth and pathos of religiosity to the openness and discernment of science As Schneider says in his introduction The starting point of consciousness is awe We humans first experience the world cosmos as overwhelming From the moment we are aware we are aware of our meagerness From the moment we reflect on the world we sense how hopeless helpless and vulnerable we are And yet close on the heels of this shuddering despair is a riveting sense of possibility We are thrilled enthralled and exalted by our condition as much as it overpowers us There are many problems with conventional maxims of balance The conventional center is a rather dull and static one and not at all what I have in mind with my notion of a fluid center What then do I have in mind and how are we to cultivate it in this atrophied world We will explore these questions over a broad range of psychological domains from personality to psychotherapy and from society to religion and spirituality

The Spirituality of Awe (Revised Edition) Kirk J. Schneider, 2019-03-18 settings to our governments and even our wars the quick fix instant result society is roiling our world Yet what is lost in this delirium is depth the awesomeness not just of our machines but of our flesh our capacity to feel and our capacity to dwell in the miracle of the unknown This book dwells in the miracle of the unknown It is an intimate trek into the evolving spirituality of awe the humility and wonder sense of adventure toward life Can we preserve awe the arguable heart of humanity in spite of and even in light of our technologies Or will we devolve into mechanically driven puppets numb to our possibilities blind to our servitude There is no more critical problem for our age
