abuse of clergy that afflicts many pastors and their loved ones by reading this book The view of church abuse of clergy being presented is a new paradigm that challenges older explanations of the church abuse This book shows that clergy must begin collaborating in order to discover effective solutions to the church abuse of clergy problem Clergy must become empowered to confront the church at all levels and support one another in the face of church abuse of clergy A very toxic ministry situation exists throughout the United States and internationally which must be challenged **Skunk Hollow** Charles Brackner, 2012-02-22 This is a story that could happen to anyone but maybe only the lucky ones While vacationing in the mountains of southern Virginia I stumbled upon one of the riches gold deposit in this country This is a story of wealth friendships family and lots of luck After making the discovery of the gold We discovered there was lots of other treasures there also Such as large quartz slabs with gold veins running through them and a very rare positive meteorite We discovered the meteorite causes our bodies to rejuvenate We felt and looked younger All of our aches and pains were gone It is a story of fulfilling some of the ideas that has been in my mind but I didn't know how these ideas could be put forward until I had the means to do them I think you will enjoy hearing about the silo houses the bridge and how we keep our discoveries quiet You will enjoy the characters in this book You might recognize yourself or you can relate to most of them The ending is not a surprise but the way you would like for your life's story to end
