Canonizing Economic Theory Christopher D. Mackie, 2016-07-11 Historians of economic thought traditionally summarize critique and trace the development of existing theory History of thought literature provides information about the authors chronology and relative importance of influential works Generally missing from the literature however are answers to questions about why economic theory exists in its current form Why have economists chosen the theories they have to represent the discipline s formal content What are the criteria that determine the value of a theory or of research in general and how have these criteria changed over time In this insightful and well written work Christopher Mackie analyzes how ideas and theories are accepted in economics from the pre publication phase to the point at which once written a theory enters the accepted body of professional literature Drawing from economics the history of science and philosophy Mackie shows how both empirical and non empirical criteria determine how theory will actually evolve **Journal of Economic Literature** ,1988 Guide to Reference Books Robert Balay, Eugene Paul Sheehy, 1992 The 10th edition of the Guide 1986 is one of a small core of references essential to the day to day operations of Reference and Research Book News it was enthusiastically reviewed in our May 1987 issue and we trust to librarians and researchers everywhere This Supplement the only one to the 10th edition lists 4 668 titles that cover reference publishing from the end of December 1984 through the end of 1990 As in prior editions the focus continues to be on reference works for scholarly research but representative works intended for general reference are included as well Member price 76 50 Annotation copyright by Book News Inc Portland OR
