Reflecting His Image:

In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world [Reflecting Christ](#) Ellen G. God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen,2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God s glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish

Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Lalita Sahasranama , For The Gospel and The Church , A Church for a Secular World Marinus De Jong, 2025-09-25 The relationship between the Church and the world has been a subject of debate since the Church's earliest days Stanley Hauerwas with his emphasis on the Church as polis has made a significant contemporary contribution one that has also faced strong criticism This study examines the distinctive insights of second generation neo Calvinist theologian Klaas Schilder 1890-1952 on this

issue Neo Calvinism is renowned for its development of Reformed theology particularly in this area and Schilder builds on this tradition with a critical eye Engaging with the increasing secularity of the twentieth century he carefully interacts with Karl Barth s writings while refining his own perspective In doing so Schilder s position comes close to the Anabaptist stance of Hauerwas yet remains firmly rooted in the Reformed understanding of creation **Designer Living** Susan

news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprintsthe masterplansto determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the familybut not by redefining replacing or removing these honorable

foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities
