Reflections Civil War:

Reflections on the Civil War William Bruce Catton, 1981

Reflections on the Civil War Bruce Catton, 1989

Bloody Promenade Stephen Cushman, 1999-10-29 On 5 and 6 May 1864 the Union and Confederate armies met near an unfinished railroad in central Virginia with Lee outmanned and outgunned hoping to force Grant to fight in the woods. The name of the battle Wilderness suggests the horror of combat at close quarters and an inability to see the whole field of engagement even from a distance. Indeed the battle is remembered for its brutality and ultimate futility for Lee even with 26 000 casualties on both sides the Wilderness only briefly stemmed Grant's advance. Stephen Cushman lives fifty miles south of this battlefield. A poet and professor of American literature he wrote *Bloody Promenade* to confront the fractured legacy of a battle that haunts him through its very proximity to his everyday life. Cushman's personal narrative is not another history of the battle. If this book is a history of anything he writes it's the history of verbal and visual images of a single particularly awful moment in the American Civil War. Reflecting on that moment can begin in the present with the latest film or reenactment but it leads Cushman back to materials from the past. Writing in an informal first person style he traces his own fascination with the conflict to a single book a pictorial history he read as a boy. His abiding interest and poetic sensibility yield a fresh perspective on the war's continuing grip on Americans how it pervades our lives through films and songs novels such as *The Red Badge of Courage*, *The Killer Angels* and *Cold Mountain*. Whitman's poetry and Winslow Homer's painting or the pull of the abstract idea of the triumph of freedom. With maps and a brief discussion of the Battle of the Wilderness for those not familiar with the landscape and actors *Bloody Promenade* provides a personal tour of one of the most savage engagements of the Civil War then offers a lively discussion of its aftermath. [The Enduring Civil War](#) Gary W.

Gallagher, 2020-09-02 In the seventy three succinct essays gathered in *The Enduring Civil War* celebrated historian Gary W. Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study contemplation and dispute. He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins conduct and aftermath of the war. The tension between history and memory forms a theme throughout the essays underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans. The array of topics Gallagher addresses is striking. He examines notable books and authors both Union and Confederate military and civilian famous and lesser known. He discusses historians who though their names have receded with time produced works that remain pertinent in terms of analysis or information. He comments on conventional interpretations of events and personalities challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points. Ulysses S. Grant as a general who profligately wasted Union manpower the Gettysburg Address as a watershed that turned the war from a fight for Union into

one for Union and emancipation and Robert E Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies addressing crucial questions about chronology history memory and the new revisionist literature The format of this provocative and timely collection lends itself to sampling and readers might start in any of the subject groupings and go where their interests take them

Decision in the Heartland Steven E. Woodworth, 2008-01-30 The verdict is in the Civil War was won in the West that is in the nation's heartland between the Appalachian Mountains and the Mississippi River Yet a person who follows the literature on the war might still think that it was the conflict in Virginia that ultimately decided the outcome Each year sees the appearance of new books aimed at the popular market that simply assume that it was in the East often at Gettysburg that the decisive clashes of the war took place For decades serious historians of the Civil War have completed one careful study after another nearly all tending to indicate the pivotal importance of what people during the war referred to as the West In this fast paced overview Woodworth presents his case for the decisiveness of the theater Overwhelming evidence now indicates that it was battles like Fort Donelson Shiloh Chattanooga and Atlanta that sealed the fate of the Confederacy not the nearly legendary clashes at Bull Run or Chancellorsville or the mythical high water mark at Gettysburg The western campaigns cost the Confederacy vast territories the manufacturing center of Nashville the financial center of New Orleans communications hubs such as Corinth Chattanooga and Atlanta along with the agricultural produce of the breadbasket of the Confederacy They sapped the morale of Confederates and buoyed the spirits of Unionists ultimately sealing the northern electorate's decision to return Lincoln to the presidency for a second term and thus to see the war through to final victory Detailing the Western clashes that proved so significant Woodworth contends that it was there alone that the Civil War could be and was decided

Reflections of the Civil War in Southern Humor Wade Hall, 2015-02-17 As one of the organic forms of literature humor has always responded to and reflected the needs of the people at a given time and the Civil War and its aftermath were days of the South's greatest need Historians have suggested many reasons for the South's fearless stand against overwhelming numbers and resources to use General Lee's words In this short study author and historian Wade Hall adds one reason to the list the humor of the Southerner as soldier and civilian during the war and the bleak days that followed it The South arose from the ashes of humiliation and defeat smiling though sometimes through tears The Southerner's sense of humor helped him to fight a war he believed honorable and to accept the bitter defeat which ended it Without the escape valve of humor many a rebel would have succumbed to despair The Southerner could smile wistfully as he looked back on a proud past and hopefully as he looked forward to an uncertain future He smiled because he read humorists like Bill Arp who once wrote somewhat serio comically that the South was conquered but not convinced In this study Hall has attempted to represent all the types of humor written in the South between the beginning of the Civil War and the beginning of World War I specifically 1861 and 1914 including war memoirs novels plays short stories poetry and songs After a survey

of humor written during the war Hall discusses the soldier the Negro the poor white and the folks at home in wartime as they are reflected in the postwar humor

History Teaches Us to Hope Charles P. Roland, 2007-12-07 Before his death in 1870 Robert E Lee penned a letter to Col Charles Marshall in which he argued that we must cast our eyes backward in times of turmoil and change concluding that it is history that teaches us to hope Charles Pierce Roland one of the nation's most distinguished and respected historians has done exactly that devoting his career to examining the South's tumultuous path in the years preceding and following the Civil War *History Teaches Us to Hope Reflections on the Civil War and Southern History* is an unprecedented compilation of works by the man the volume editor John David Smith calls a dogged researcher gifted stylist and keen interpreter of historical questions Throughout his career Roland has published groundbreaking books including *The Confederacy* 1960 *The Improbable Era The South since World War II* 1976 and *An American Iliad The Story of the Civil War* 1991 In addition he has garnered acclaim for two biographical studies of Civil War leaders Albert Sidney Johnston 1964 a life of the top field general in the Confederate army and *Reflections on Lee* 1995 a revisionist assessment of a great but frequently misunderstood general The first section of *History Teaches Us to Hope The Man The Soldier The Historian* offers personal reflections by Roland and features his famous GI Charlie speech A Citizen Soldier Recalls World War II Civil War related writings appear in the following two sections which include Roland's theories on the true causes of the war and four previously unpublished articles on Civil War leadership The final section brings together Roland's writings on the evolution of southern history and identity outlining his views on the persistence of a distinct southern culture and his belief in its durability *History Teaches Us to Hope* is essential reading for those who desire a complete understanding of the Civil War and southern history It offers a fascinating portrait of an extraordinary historian

What Caused the Civil War? Edward L. Ayers, 2016-11-08 An extremely good writer Ayers is well worth reading on the South and Southern history Stephen Sears Boston Globe The Southern past has proven to be fertile ground for great works of history Peculiarities of tragic proportions a system of slavery flourishing in a land of freedom secession and Civil War tearing at a federal Union deep poverty persisting in a nation of fast paced development have fed the imaginations of some of our most accomplished historians Foremost in their ranks today is Edward L Ayers author of the award winning and ongoing study of the Civil War in the heart of America the Valley of the Shadow Project In wide ranging essays on the Civil War the New South and the twentieth century South Ayers turns over the rich soil of Southern life to explore the sources of the nation's and his own history The title essay original here distills his vast research and offers a fresh perspective on the nation's central historical event

Decision in the Heartland Steven E. Woodworth, 2008-01-30 The verdict is in the Civil War was won in the West that is in the nation's heartland between the Appalachian Mountains and the Mississippi River Yet a person who follows the literature on the war might still think that it was the conflict in Virginia that ultimately decided the outcome Each year sees the appearance of new books aimed at the popular market that simply assume that it was in the East often at Gettysburg that

the decisive clashes of the war took place For decades serious historians of the Civil War have completed one careful study after another nearly all tending to indicate the pivotal importance of what people during the war referred to as the West In this fast paced overview Woodworth presents his case for the decisiveness of the theater Overwhelming evidence now indicates that it was battles like Fort Donelson Shiloh Chattanooga and Atlanta that sealed the fate of the Confederacy not the nearly legendary clashes at Bull Run or Chancellorsville or the mythical high water mark at Gettysburg The western campaigns cost the Confederacy vast territories the manufacturing center of Nashville the financial center of New Orleans communications hubs such as Corinth Chattanooga and Atlanta along with the agricultural produce of the breadbasket of the Confederacy They sapped the morale of Confederates and buoyed the spirits of Unionists ultimately sealing the northern electorate s decision to return Lincoln to the presidency for a second term and thus to see the war through to final victory Detailing the Western clashes that proved so significant Woodworth contends that it was there alone that the Civil War could be and was decided Reflections of a Civil War Historian Herman Hattaway,2004 **Weary of War** Joe A.

Mobley,2008-02-28 Providing a fresh look at a crucial aspect of the American Civil War this new study explores the day to day life of people in the Confederate States of America as they struggled to cope with a crisis that spared no one military or civilian Mobley touches on the experiences of everyone on the home front white and black male and female rich and poor young and old native and foreign born He looks at health agriculture industry transportation refugees city life religion education culture families personal relationships and public welfare In so doing he offers his perspective on how much the will of the people contributed to the final defeat of the Southern cause Although no single experience was common to all Southerners a great many suffered poverty dislocation and heartbreak For African Americans however the war brought liberation from slavery and the promise of a new life White women too saw their lives transformed as wartime challenges gave them new responsibilities and experiences Mobley explains how the Confederate military draft heavy taxes and restrictions on personal freedoms led to widespread dissatisfaction and cries for peace among Southern folk He describes the Confederacy as a region of divided loyalties where pro Union and pro Confederate neighbors sometimes clashed violently This readable one volume account of life behind the lines will prove particularly useful for students of the conflict Drawn with the Sword James M. McPherson,1996 An issue oriented discussion of the Civil War by one of the leading living historians on the subject Explores questions such as who freed the slaves and why the North won Concludes with a final essay What s the Matter with History Americans Remember Their Civil War Barbara A. Gannon,2017-07-07 This book provides readers with an overview of how Americans have commemorated and remembered the Civil War Most Americans are aware of statues or other outdoor art dedicated to the memory of the Civil War Indeed the erection of Civil War monuments permanently changed the landscape of U S public parks and cemeteries by the turn of the century But monuments are only one way that the Civil War is memorialized This book describes the different ways in which Americans

have publicly remembered their Civil War from the immediate postwar era to the early 21st century Each chapter covers a specific historical period Within each chapter the author highlights important individuals groups and social factors helping readers to understand the process of memory The author further notes the conflicting tensions between disparate groups as they sought to commemorate their war A final chapter examines the present day memory of the war and current debates and controversies

Reflections of the Civil War in Southern Humor Wade H. Hall, 2011 [The Women's War In the South](#) Martin Harry Greenberg, Charles V. Waugh, 1999-02-01 The Women s War in the South Recollections and Reflections of the American Civil War edited by Charles G Waugh and Martin H Greenberg recounts the manner in which Southern women experienced the war and the changes it brought about in their lives Filled with excerpts from the letters books diaries and postwar writings the women left behind it reveals the other side of the war the women s war through first person accounts of women running farms buying and selling goods working outside the home serving as spies and even participating in combat in disguise [Civil War Reflections: Part One](#) , Features the American Civil War remembrances of Harvey S Hogue of Company G 115th Regiment of the Ohio Volunteer Infantry Notes that Hogue wrote in 1900 about his experiences in the Civil War Contains background material and several Civil War stories Links to part two of Hogue s account

Reflections of the Civil War in Southern Humor (Classic Reprint) Wade H. Hall, 2017-07-23 Excerpt from Reflections of the Civil War in Southern Humor In this study I have attempted to represent all the types of humor written in the South between the beginning of the Civil War and the beginning of World War I specifically 1861 and 1914 including war memoirs nov els plays short stories poetry and songs After a survey of humor written during the war I discuss the soldier the Negro the poor white and the folks at home in wartime as they are re ected in the postwar humor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reflections of Equality Christoph Menke, 2006 The book argues that the center of political modernity is determined by a conflictive relation between the liberal core concept of political equality and the idea of individuality

Reflections and Comments 1865-1895 Edwin Lawrence Godkin, 2019-12-05 In Reflections and Comments 1865 1895 Edwin Lawrence Godkin presents a compelling collection of essays that delve into the political social and economic landscapes of post Civil War America Godkin s literary style is marked by eloquence and incisive analysis characterized by his advocacy for civil liberties and good governance Through editorial reflections from his time at The Nation he addresses issues ranging from political corruption to the importance of a free press all while embedding his arguments in the broader context of an evolving American society

grappling with modernity and reform Edwin Lawrence Godkin a renowned journalist and liberal thinker was instrumental in shaping public discourse in America during the late 19th century His Irish heritage and early experiences in British journalism endowed him with a unique perspective on governance and ethics Through his work Godkin sought to inspire critical thought and civic responsibility prompting him to critique the prevailing norms of his time which culminated in this thought provoking collection *Reflections and Comments* 1865 1895 is a must read for anyone interested in the historical dynamics of American politics and the evolution of journalistic integrity Godkin s incisive commentary resonates today providing timeless insights into the complexities of civic engagement and ethical leadership In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

Northerners at War James Matthew Gallman, 2010 Includes essays on the Northern home front This title brings together essays on the economic social and domestic aspects of life in the North during the Civil War It tackles a range of Civil War home front topics from urban violence and Gettysburg s wartime history to entrepreneurial endeavors and the war s economic impact
