Heyer, 2024-09-02 A thoughtful reflection on how the Francis revolution can address the practical concerns of ordinary Catholics on a range of contemporary issues The papacy of Pope Francis has ushered in remarkable changes for the Roman Catholic Church From a new emphasis on collegiality in ecclesial governance to a transformed set of public priorities for the global Church Francis's unique model of pontifical leadership has far reaching implications for virtually every aspect of Catholic practice Catholic moral theology particularly in the United States has still not grappled fully with the emphases of Francis's pontificate To address this lacuna The Moral Vision of Pope Francis brings together a range of Catholic ethicists to reflect on Pope Francis's implicit approach to moral theology establishing the unique insights of this first Jesuit pope This evaluation of Pope Francis's teachings and actions draws out the moral vision animating his work and demonstrates how his moral vision should apply to Catholic ethical reflection on a range of contemporary issues The Moral Vision of Pope Francis shows how the Francis revolution meaningfully addresses the practical concerns of Catholics in the United States *The Oxford Handbook of John Henry Newman* Frederick D. Divine Freedom and the Doctrine of the Immanent Trinity Paul D. Molnar, 2017-02-23 Divine Freedom and the Doctrine of the Immanent Trinity is widely acclaimed by scholars in the field of Christian systematic theology Molnar's quest to place the doctrine of the immanent Trinity on the agenda of the Christian doctrine of God has proven to be a signal contribution to the debate in contemporary Christian theology The material in this second edition has been thoroughly updated it contains a new preface and a new introduction as well as a revised bibliography The book includes a brand new chapter titled Divine Freedom Revisited which addresses those questions that have arisen in connection with Molnar's original presentation of the divine freedom Molnar revisits here his discussion of the Logos Asarkos the theologies of Karl Rahner and Wolfhart Pannenberg He sheds new light on Rahner's and Torrance's discussions of the Resurrection and incorporates modern discussions by contemporary theologians to offer new insights into Eberhard Jüngel's thinking The Legacy of Pope John Paul II Alan Schreck, 2012 Popes are the Church's chief shepherds While some focused on governing the Church and addressing challenges from the world others recognized their primary responsibility to proclaim and teach the Gospel Author Alan Schreck calls these the teaching popes and John Paul II was such a pope leading the Church and impacting the world with his witness and his teaching The encyclical letter has been in modern times the instrument for popes to express their most important teaching teachings that have lasting value for the Church and often for the whole world Dr Schreck invites the reader to become familiar with the encyclical letters of Pope John Paul II In The Legacy of Pope John Paul II Dr Schreck breaks down more scholarly writing into accessible language The reflection questions and suggestions for further reading at the end of each chapter help facilitate a systematic study of the central teachings of this brilliant but pastoral pope who conveyed the truth in love *Development and Justice* Rajula Annie Watson, 2004 Restoring the health of the land is indispensable not only because it is the ground of our sustenance and survival but also land has in itself the inherent worth This book challenges humanity's indulgence and activities of development science and technology and insists for human responsibility and moral duties towards the land the sustaining mother earth which is abused ransacked of its wealth and ignored of its intrinsic value The study attempts to bring together perspectives and values that are important for preserving the rights of the land and proposes the contour of a land ethic *Richard Hooker and his Early Doctrine of Justification* Corneliu C. Simut, 2019-10-01 Richard Hooker and his Early Doctrine of Justification explores the doctrine of justification the doctrine of faith and grace and the doctrine of Scripture and use of reason in the early theology

of Richard Hooker In order to prove that Hooker was a Protestant Reformed theologian Simu concentrates on Hooker s doctrine of justification as reflected in his Learned Discourse of Justification which is the most important work of his early theology Unlike previous books on Hooker which use primarily the theology of Luther and Calvin to draw conclusions this book brings together quotations and ideas from the works of Luther Melanchthon Zwingli Bucer Calvin and Beza to show that Hooker was a Protestant Reformed theologian Simu also discusses the theological context of Hooker s career by offering an analysis of the doctrine of justification in the theology of John Jewel John Whitgift Hooker s patrons and Thomas Cartwright and Walter Travers Hooker s Puritan opponents
