Reflections: the Stories and Life of a Country Vet Robert Hirt,2015-09-23 This little book is an attempt to introduce the general reading public into the reality of what makes a country veterinarian both a professional on the one hand and the get down and dirty requisite necessary to get the job done in an environment that is often neither welcoming nor particularly clean In a world that is ever espousing cleanliness and order the fact remains that in nature animals especially farm animals do not live by that code Farming and agribusiness requires that to remain profitable decisions have to be made by those in charge to save or salvage an animal in the most humane and medically expedient way And along the way there is often humor and kindness that often brings out the best in these rural folks and their veterinarian English spelling grammar and word usage was always very enjoyable for me as a young man Now into retirement I have found great joy in writing stories of my youth and especially of my career as a veterinarian The positive comments on some of my stories by noted author and classical guitarist Anthony Weller gave me incentive to put these stories and experiences into book form It is my hope the you the reader enjoy reading these stories as much as I have enjoyed writing them *Vet's Reflections on Life* Russell

Pyle,2019-08-01 After the Vietnam War Russell lived in Everett Washington having spent the end of his enlistment in Bremerton shipyard across the water from Seattle in Puget Sound After attending college and settling in civilian life after six years Navy time it became necessary to return home Social stigma after Vietnam and finances left a choice of leaning on friends or a return to home to start over at the age of twenty seven The return to Nashville helped keep the thread of music and writing alive Finding adapting to civilian life and work lonely and difficult he began retreating mentally and emotionally into himself and began writing down thoughts beginning with a letter to a friend left behind Typical of letters not mailed and thoughts unsaid these were collected over the years reflecting on deeper meaning of life experiences viewpoints of the past searching identity and meaning of the present as each page was recorded anticipation and remembrance highs and lows of life Collected by his wife Suzanne for family sister and Indian friend and mentor in a volume for the holidays one year This book is the narrative of those collected thoughts Whitaker's Books in Print ,1998 *City Girl, Country Vet* Cathy

Woodman,2012-09-04 London veterinarian Maz Harwood has learned the hard way that love and work don t mix So when Emma her best friend from vet school asks her to look after her practice in the English countryside for six months Maz decides that is just the change of scenery she needs But country life is trickier than she could have imagined It is one thing to trade her smart heels for wellies it s another to deal with unwelcoming locals an intense rivalry with the town s other vet practice and worse yet the realization that her friend s practice is in as bad a shape as Maz s own broken heart Things get even more complicated when she meets her rival s dashing son who is totally unsuitable as a prospect or is he Can Maz win over the locals save the lives of her patients keep Emma s practice from going under and find love again Cathy Woodman a

fresh new voice in women's fiction has written a warm breezy romantic comedy with just enough mishap and plenty of adorable four legged creatures Previously published in the UK as Trust Me I'm A Vet **Journal of the American Veterinary Medical Association**, 1997 It Really Does Happen to a Vet! Joe Inglis, 2016-05-19 Joe Inglis star of BBC 1's award winning series Vets in Practice has written his diary for a year It spans his first job after finishing training with a small Devonshire practice where farmyard crises loom large to an urban one where domestic pets in trouble are more the norm although he had to give the kiss of life to a snake on camera Even the newly qualified raw young vet can see that there are good vets and bad sound practice and short cuts Joe Inglis diary is very amusing and full of incident but also outspoken about some aspects of caring for animals the countryside and about people who keep animals Funny and very touching Family Circle **The British National Bibliography** Arthur James Wells, 2001 **Canadian Books in Print. Author and Title Index**, 1975 The Educator's Guide to Writing a Book Cathie E. West, 2015-09-07 The Educator's Guide to Writing a Book is for educators who dream of sharing their knowledge and skills with a broader audience This exciting resource provides step by step guidance on how to set publishing goals create well written content and resource material develop an informative yet accessible writing style prepare professional level manuscripts and anticipate each stage in the publishing process Chapters include authentic writing examples tips from veteran authors and publishing professionals and supportive resources The Educator's Guide to Writing a Book is an invaluable guide that helps aspiring and novice authors move publishing goals from dreams to reality The Spiritual Nature of Animals Karlene Stange, 2017-10-10 Beloved Companions Kindred Spirits Karlene Stange's spiritual journey began as she drove her pickup loaded with medical supplies to attend to animals throughout southwestern Colorado where the Animas River carves the landscape As an ambulatory veterinarian she has experienced the challenges sorrows and joys of working with creatures great and small and feels a powerful kinship with these beautiful beings a bond that goes beyond flesh and fur and feathers The Spiritual Nature of Animals chronicles her amazing exploration through the teachings of various religious and cultural traditions as well as her encounters with the magnificent Rocky Mountain terrain and the quirky characters both animal and human who inhabit it **The Best of James Herriot** James Herriot, 1998-09-15 The Best of James Herriot is one of the most extraordinary volumes ever devoted to the work and world of a contemporary writer Within its covers are unforgettable episodes from the remarkable series of memoirs that began with All Creatures Great and Small the ones my family and I have laughed at over the years and the ones my readers have said they most enjoyed as Herriot himself put it Yet the book is far more than a simple anthology Its gorgeous pages also include hundreds of line drawings and color photographs capturing Herriot's Yorkshire in a worthy complement to the writer's words The 1991 publication of Every Living Thing rendered the original edition of this book incomplete This fall will mark the publication of the complete definitive edition with the addition of five of his best more recent stories as well as new art Once again The Best of James Herriot becomes the quintessential Herriot volume one of those invaluable books that

will be loved as much in decades to come as it is today **James Herriot** Michael Rossi,1997-01-28 This study examines James Herriot s five major books as carefully crafted volumes of autobiography based on the building block of the short story In each of these works Herriot explores the fundamental choice of values underlying a happy and successful life In his vision the bonds of affection and mutual dependence between all creatures human and animal form an enduring theme that lies at the heart of the choices he makes in his personal and professional life This study will help the reader to understand the relationship between Herriot s stories and each book as a whole and to appreciate Herriot s work in the context of twentieth century anxieties about identity and meaning Following a biographical chapter that describes the relationship between Herriot s life and literary work Rossi discusses the genre of autobiography the relationship between truth and fiction in modern autobiography and Herriot s use of the genre A separate chapter is then devoted to each of Herriot s works in turn All Creatures Great and Small All Things Bright and Beautiful All Things Wise and Wonderful The Lord God Made Them All and Every Living Thing The discussion of each work includes sections on plot development and narrative structure character development thematic issues and alternative critical approaches that may be fruitfully applied to the book Helpful appendices contain identifications of minor characters in the works A complete bibliography of all of James Herriot s works critical sources and a listing of reviews of all of his works completes the volume Because of the popularity of Herriot s work among adults and young adults this companion will be a key purchase for school and public libraries **Rest** Alex Soojung-Kim Pang,2016-12-06 Rest is such a valuable book If work is our national religion Pang is the philosopher reintegrating our bifurcated selves Arianna Huffington New York Times Book Review Overwork is the new normal Rest is something to do when the important things are done but they are never done Looking at different forms of rest from sleep to vacation Silicon Valley futurist and business consultant Alex Soojung Kim Pang dispels the myth that the harder we work the better the outcome He combines rigorous scientific research with a rich array of examples of writers painters and thinkers from Darwin to Stephen King to challenge our tendency to see work and relaxation as antithetical Deliberate rest as Pang calls it is the true key to productivity and will give us more energy sharper ideas and a better life Rest offers a roadmap to rediscovering the importance of rest in our lives and a convincing argument that we need to relax more if we actually want to get more done **Foul Play** Fiona McIntosh,2025-07-17 From the very first page to the very last Foul Play just gave it a winning goal after goal Real reader review Great book and storyline so many twists and turns I couldn t put it down Real reader review Superstar footballer Luca Bruni is being blackmailed for a night of sex he swears he didn t participate in except the photos contradict that A media darling on and off the field Luca has a perfect home life he ll do anything to protect and more money than he knows what to do with He s determined to defy the extortion racket When Detective Superintendent Jack Hawksworth learns that the mastermind behind this crime has already swindled a dozen of the world s most highly prized male sporting stars he knows he has to keep the situation from escalating and prevent a media frenzy Intrigued by the
