Let the Spirit Shape Your Ministries David S. Luecke, 2023-03-22 Traditional mainline churches have been in decline for fifty years as their church energy continues to seep away What are the options to regain vitality Pastor Luecke thought for years that better administration was the answer But the problem is deeper Our Reformation heritage left us with a very weak practical theology of the Holy Spirit confining him mostly to the Creeds We don't have a hands on understanding of how he makes a difference in church life today We can find that by appreciating how central the Spirit was to Paul's leadership This collection of Reflections comes in two parts The first highlights how the Spirit works today based on Paul's insights It outlines how personal growth in the Spirit can happen Church leaders cannot take others to where they personally have not been before The second part is organized around Martin Luther's explanation of the four functions of the Holy Spirit He calls gathers enlightens and sanctifies God's people The Spirit is the leader of ministry
