Doorway Thoughts: Cross-Cultural Health Care for Older Adults , Narrowing the Achievement Gap for Native American Students Peggy McCardle, Virginia Berninger, 2014-08-21 There has been much talk and effort focused on the educational achievement gap between white versus black Hispanic and American Indian students While there has been some movement the gap has not appreciably narrowed and it has narrowed the least for Native American students This volume addresses this disparity by melding evidence based instruction with culturally sensitive materials and approaches outlining how we as educators and scientists can pay the educational debt we owe our children In the tradition of the Native American authors who also contribute to it this volume will be a series of stories that will reveal how the authors have built upon research evidence and linked it with their knowledge of history and culture to develop curricula materials and methods for instruction of not only Native American students but of all students It provides a framework for educators to promote cultural awareness and honor the cultures and traditions that too few people know about After each major section of the volume the editors will provide commentary that will give an overview of these chapters

and how they model approaches and activities that can be applied to other minority populations including Blacks Hispanics and minority and indigenous groups in nations around the globe

All My Relations: Understanding the Experiences of Native Americans with Disabilities Hilary Weaver, Francis K. Yuen, 2018-04-19 Native Americans suffer disproportionately from many social and health disparities High rates of poverty exposure to environmental toxins and various forms of violence all increase the risk of health problems including disabilities yet there is very little published scholarship concerning Native American experiences with disabilities In collecting contributions on various aspects of disability in Native American populations in one volume this book seeks to redress this lack of attention Writing about regions of the United States Canada and Australia and spanning a diverse range of settings from remote rural areas to reservations to college campuses the authors are attentive to the impact of specific environments on their inhabitants Taking into account both physical and social environment and recognizing the importance of cultural context this book is a good starting point for anyone interested in developing a better understanding of the experience of Native peoples living with disabilities This book was originally published as a special issue of the Journal of Social Work in Disability Rehabilitation

Indigenous Experiences with Collaborative Governance Michèle Companion, Jason D. Rivera, 2025-10-01 Governance processes often fail to integrate Indigenous perspectives or address issues such as sovereignty self determination and decolonization making successful policy outcomes difficult to achieve It is vital for Indigenous and non Indigenous governments to collaborate in producing sustainable mutually beneficial outcomes This volume highlights the importance of authentic Indigenous inclusion in governance processes at national and subnational levels worldwide Through case studies and best practice models it examines the opportunities and barriers Indigenous Peoples face in collaborative governance In doing so it offers recommendations for practice and policy that promote social equity
