Reflections Of Yesterday:

Yesterday's Reflections Albert F. Schmid, 2013-02-22 In *Yesterdays Reflections* author Albert F Schmid invites us to consider the various holidays that are celebrated throughout the year He provides interesting facts about each holiday and includes the religious origins of them where relevant because many of our holidays have a religious connection He also explains important points about the holidays such as why Easter is always on a Sunday and why Thanksgiving is always on the fourth Thursday in November In addition he includes devotionals on topics ranging from Contentment to God Is Where Love Is Each devotional includes the pertinent Scriptures a story to illustrate the point being made and Schmid's comments For example *The Rear View Mirror* tells the story of Grace who remembers her father's advice for driving in the snow find a snow plow and follow it When she encounters a blizzard she does this an hour later the driver stops to make certain she is all right as he had plowed a large parking lot was moving on to the next business and was concerned when he noticed that she was following him We often become comfortable thinking that we can just follow the snow plow when in truth we need to learn to trust God and let Him lead the way *Yesterdays Reflections* is an inspiring collection that reminds us that we are Christ's ambassadors and that God expects each of us to live and act as though He is making His appeal through us The best sermons are not preached they are lived *The Reflections of Yesterday* Jacky Brock Surma, 1994 **Reflections of**

Listening for God's Voice Donna Collier Rickman, 2023-03-30 Donna proclaims Jesus Christ as her personal Savior and witnesses to overcoming many trials and tribulations through God's mercy, power, forgiveness, healings, and saving grace. Since the age of twelve when she first gave herself to God through Jesus Christ at Eighth and Center Street Baptist Church in Hannibal, Missouri, her hometown, she had sensed His Holy presence in her life. Through the years, God has touched her life in so many ways, literally breaking shackles beneath a load of guilt and shame to allow her favor in listening for His guiding voice. She has written a religiously oriented non-fiction book which contains entries written in Christian meditations, memoirs, personal essays, and selected self-written poems. Meditations have originated from characters primarily using the King James Version of the Bible and tell how they evolved in their relationships with the Lord as the writer has successfully conveyed to her readers. To the best of her abilities through the workings of the Holy Spirit, she has tried to breathe God's word into the writing of each of the experiences and challenges faced by herself and characters within the Bible. Hopefully, through such design, these themes can aid the readers and soothe their hearts in what they are soulfully seeking in a word from God as they magnify His Holy name.

One-Room Schoolhouses of New Hampshire Bruce D. Heald, 2014-07-15 The quaint one-room schoolhouses dotting New Hampshire formed the backbone of the early Granite State education system. Education-minded communities began building these bare bones schools in the late seventeenth century. In a modest log or clapboard structure, a single teacher faced the challenge of instructing students of all grades through farming seasons and the daily rigors of rural life. Often, these determined educators were limited to instructing students from whichever books pupils brought from home. Despite this, education was highly valued, and students trekked through the weather of all seasons and endured corporal discipline to become literate and learned. Author Bruce Heald explores the evolution of New Hampshire's one-room schoolhouses and shares the firsthand accounts and memories of former pupils.

This book is a compilation of the journey of Jim's transition to Heaven, his wife's experience as the caretaker, and the portal to expand humanity's understanding of it all. Riveting moments capture the reader, open the hearts of many, and truth be told, enlighten all of us to believe that the soul lives on forever.

Yesterday's Self Andreea Deciu Ritivoi, 2002 In *Yesterday's Self*, Andreea Ritivoi explores the philosophical and historical dimensions of nostalgia in the lives of immigrants forging a connection between current trends in the philosophy of identity and intercultural studies. The book considers such questions as: Does attachment to one's native culture preclude or merely influence adaptation into a new culture? Do we fashion our identity in interdependence with others, or do we shape it in a non-contingent frame? Is it possible to assimilate in an unfamiliar world without risking self-alienation? Ritivoi's response: nostalgia is both the poison and the cure in such situations.
