

Reflections On Viet Nam

John Norton Moore, Robert F. Turner

Reflections On Viet Nam:

The American Experience in Vietnam The Editors of Boston Publishing Company, 2014-11-07 The updated commemorative volume to the groundbreaking Pulitzer Prize nominated collection from Boston Publishing The American Experience in Vietnam combines the best serious historical writing about the Vietnam War with new never before published photos and perspectives for the fiftieth anniversary of the conflict

More Than a Memory Victor R. Volkman, 2008-01-01 Featuring the work of 15 Viet Nam War veteran writers this anthology of poems stories and essays looks through the lens of past and present perspectives and defines how modern warfare affects the lives of those who lived it and their families

Reflections on the Vietnam War United States. Dept. of the Army. Center of Military History, 1979

Reflections on Vietnam R. G. Clarke, 2021-03-27 The war in Vietnam impacted more than just the lives of those who were there it toppled governments forced changes to national policy and forever altered lives But what of those who were there Reflections on Vietnam lays bare the real life experiences of some of those who were there giving insight to the effect of those experiences on those who lived through it

Reflections on the Vietnam War Warren Hunt, 2017-12-08 An important contribution to the literature on the war Gary R Hess Emeritus Distinguished Research Professor Bowling Green State University Author Vietnam Explaining America's Lost War In his Reflections on the Vietnam War A Fifty Year Journey Warren E Hunt chronicles his long struggle to come to grips with the meaning of the Vietnam War and how it affected him before during and after his tour in Vietnam with the U S First Infantry Division Using a stylistic mix of personal anecdote historical reflection and essay the author weaves his experience of the war into a broad context encompassing the course of his life Starting out as a naive and patriotic teenager drafted at age 19 he traces his path through military training his impressions of Vietnam and its people the absurdity of daily basecamp life and the crucible of enemy fire Returning to a nation torn apart by the war he soon realizes that even though he is no longer in the army he cannot escape the war's insane grasp Catastrophic events in Vietnam and on the home front along with the dawning awareness of suicides among his fellow veterans prompt him to seek answers to the questions that haunt his daily life Why did America go to war in Vietnam How could we lose Why did so many people have to suffer in vain His quest leads him to the unveiling of the Vietnam Veterans Memorial in Washington D C where painful memories and powerful emotions merge to initiate a healing process for the author his fellow veterans and the country at large

Vietnam & Beyond Jenny La Sala; Jim Markson, 2014-09-22 Vietnam and Beyond is a collection of wartime letters written home by Jim Markson from March 1967 to March 1968 Jim carried sadness and boxed up memories from Vietnam Perhaps if it were not for the general divided and oppositional public opinion of the Vietnam War at that time the soldiers returning home might have been able to open up and begin the healing process Instead those soldiers returning from Vietnam were afraid to tell their story These fears bound each soldier to the other We are very proud to embrace all veterans and include stories of veterans of all wars including WWII Korea Vietnam Iraq and Afghanistan to show the

similarities of war and the soldier from one generation to another Why Vietnam Margaret Colbert Brown, 2025-03-30
 Explores the complex reasons behind the USA's involvement in Vietnam analyzing political, social, and military factors. The reasons behind the USA's involvement in Vietnam remain a subject of extensive debate. Initially, America supported the French until their defeat at Dien Bien Phu, which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia. Why Vietnam delves into the myriad reasons for US involvement, examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war, which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia. The questions of why the USA became involved, whether their involvement was justified, and if the war was ever winnable have been fiercely debated for over 50 years. This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era. *After the Storm* Paul Drew, 1999 Paul Drew could never have predicted the impact that combat and the underlying mood of the nation would have on him and his fellow soldiers. The social stigma still stings for most Vietnam vets who were thought of as drug-addicted, baby-killing drones behind a war that was an embarrassing mistake and a failure. This is not a combat diary but honest observations about a generation responsible for the conduct of the war and the events that laid the groundwork for the state of the nation today, a nation that still has yet to learn to hate war but respect its warriors. **Reflections on the Vietnam War** Cao Van Vien, 1980 **Triumph or Tragedy: Reflections on Vietnam** Richard N. Goodwin, 1966
Vietnam Journal: Reflections and Personal Memories Roger Vanover, 2018-02-14 A SOLDIER'S JOURNEY TO A LAND OF WAR AND THEN A TIME OF HEALING AND REFLECTION Last Reflections on a War Bernard B. Fall, 1967 **Vietnam Reflexes and Reflections** Anthony F. Janson, National Vietnam Veterans Art Museum, 1998-10 The long overlooked art of Vietnam War veterans offers a unique perspective on a momentous event in American history. Nearly 200 works in a wide range of mediums are highlighted from the extraordinary collection at the National Vietnam Veterans Art Museum in Chicago. 307 illustrations, 123 in color. *What They Know: Reflections of Vietnam* Rebecca Dean, 2021-08-11 In a 1980s junior college classroom in western Florida, a young English professor assigns the first paper. Her students, of whom many are of Vietnamese origin, are unsure of what to write about. The professor offers one piece of advice: Write about what you know. This book is a collection of essays written by Vietnamese refugees who vividly depict their memories of fear, danger, hope, and strength as they escaped Vietnam during one of the darkest periods of the twentieth century. Their stories provide a glimpse into this period that is grossly underemphasized by historical curricula and remind us of the resilience of the human spirit in dangerous situations. In addition to the essays, the book includes a new introduction by the instructor who reflects on the lessons she learned from her Vietnamese students that stayed with her for the rest of her life. Peace, liberty, and freedom can

be achieved on our planet but only through communication understanding and empathy between different peoples The people of the United States do not know nearly enough about the Vietnamese people for and against whom we battled so many years We have not heard the voices the thoughts the experiences and the attitudes of this population Perhaps because we have not listened

The Vietnam War Experience: Reflections on the War and Its Consequences Paul M. Ryan, 2020-09-09 The intent of this book is first to provide insights into the Vietnam war and second to express the effects of that war on both the veteran and society Serving in a war zone necessarily affects the psyche sometimes producing symptoms of mental illness It also affects the veteran morally emotionally and too often physically The stories are meant to elucidate the psychological and other effects that war inflicts Often an affected veteran may not realize psychiatric symptoms or their cause Veterans who read this work will recall their military service and also gain some insight into symptoms that they may have experienced or continue to experience as a result of their service The stories are a mix of fact and fiction Some stories are based on the author's experience in Vietnam and on his experience in representing disabled veterans and others with claims for disability benefits Some stories or parts of stories are based on reports of fellow soldiers or on impressions of what likely occurred the product of fact and the author's imagination The poems were written during time served in Vietnam They reflect thoughts that most GIs had at one time or another Hopefully this book will help veterans cope with illnesses and disabilities that were occasioned by their time in the military It is hoped that society will learn how to relate with courtesy and respect to those who now serve or have served our nation in its various wars

The Real Lessons of the Vietnam War John Norton Moore, Robert F. Turner, 2002 Twenty five years after the fall of Saigon two prominent scholars Moore and Turner who debated in the 1960s assembled a distinguished group of Vietnam experts at the University of Virginia to reexamine the conflict and search for its real lessons This resulting volume includes contributions by senior diplomats retired military officers experts on Vietnamese Communism and senior scholars of history political science and law Given the diversity of the participants the general consensus that emerges will surprise and enlighten many readers The book corrects various myths that continue to influence American thinking about Vietnam The idea that the U S military and CIA were intentionally engaged in war crimes such as the assassination of political opponents of the South Vietnamese government in the Phoenix Program is laid to rest and military legal experts address the tragic realities of My Lai and measures taken to prevent reoccurrence It is popular today to say that Vietnam could not have been won The message emerging from this new study on the contrary is that despite some horrible blunders and incompetent political leadership at the highest levels by 1973 the war had essentially been won Partisan politics and mutual mistrust in Washington kept that message from reaching the right people and a misunderstanding of public opinion prompted Congress to outlaw further U S military involvement essentially snatching defeat from the jaws of victory

The Real Lessons of the Vietnam War Reflections Twenty Five Years After the Fall of Saigon edited by John Norton Moore and Robert F Turner has a number of fine chapters

The chapter Internationalist Outlook of Vietnamese Communism by Stephen J Morris is excellent The chapter Legal Issues in the U S Commitment to Vietnam A Debate by John Norton Moore is also well worth reading Dr Turner provides an excellent chapter dealing with how we turned victory into defeat Dr Gregory H Stanton is the Director of Genocide Watch and has written a staggeringly powerful chapter that should be assigned reading for all students of American history and foreign policy members of the press and those serving in both the Congress and the executive branch of government Parameters US Army War College Quarterly Autumn 2003 *Reflections of Vietnam Veterans* John Francis Benoit,1986 Reflection of Home Letters from Vietnam Leo Dubois,2007 In 1965 Master Sergeant Leo Dubois was ordered to Vietnam Seventeen years in the Air Force 37 years old with five soon to be six children he moved his family to Jacksboro Texas for the year and then departed for the airbase at Da Nang Every day or two he exchanged letters with his beloved wife Don Leta Her letters from home are gone but Leo s letters survive They tell stories of tumult on a rapidly expanding military base and the trials and humor of leading the young men under his supervision And the letters reveal life at home not directly but indirectly as if in reflection From beginning to end and deeply they reveal the tender affection and abiding devotion of a husband for his wife 344 pages 77 photographs and illustrations **The Listening Post Reflections of a Vietnam Veteran** Charles O Robinson,2017-01-28 I started thinking about writing this book as a memoir of my experience as a young soldier in the Vietnam War beginning in November 1967 until November 1968 It was to have been an effort to relate to my family especially to my children what it was like to have fought during the war As I started trying to recall my experiences I found that I could remember only a few scattered details Somehow it seems as if my entire life can be encapsulated in just a few memorable snapshots in a photograph album So the book became not only a memoir of war but a memoir of my life and a reflection upon the war my thoughts and feelings about what was going on during the war my life after the war and how the two would become inseparable I hope that in my doing so that those who read this account may understand a little bit better how my entire life and perhaps that of my comrades was influenced by events of that one year in Vietnam in service to my country Veterans & Reflections Of Vietnam War Emmett Akles,2021-10-22 This book relates poignant recollections from the author s American military service in Vietnam Written in easily understandable verse are 80 emotionally moving pages of 42 separate short reflections His descriptive verses allow us to picture the people the terrain the conditions and the politics of that time This book is written in honor of all those who served and whose lives were affected by the Vietnam War as well as those who lead the fight to create the Vietnam Memorial and to ensure that their sacrifices will never be forgotten The book a story told in verse by a then young Navy Journalist reminds us all of the unforgettable expansive granite monument saluting each of more than 58 000 brave Americans who died in a far off place 58 000 of our finest who died honoring America s commitment to protect and preserve God s gift of freedom

Reflections On Viet Nam Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reflections On Viet Nam has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reflections On Viet Nam has opened up a world of possibilities. Downloading Reflections On Viet Nam provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reflections On Viet Nam has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reflections On Viet Nam. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reflections On Viet Nam. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reflections On Viet Nam, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reflections On Viet Nam has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reflections On Viet Nam Books

1. Where can I buy Reflections On Viet Nam books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
