Julian Gore Vidal,2003-08-12 The remarkable bestseller about the fourth century Roman emperor who famously tried to halt the spread of Christianity Julian is widely regarded as one of Gore Vidal s finest historical novels Julian the Apostate nephew of Constantine the Great was one of the brightest yet briefest lights in the history of the Roman Empire A military genius on the level of Julius Caesar and Alexander the Great a graceful and persuasive essayist and a philosopher devoted to worshipping the gods of Hellenism he became embroiled in a fierce intellectual war with Christianity that provoked his murder at the age of thirty two only four years into his brilliantly humane and compassionate reign A marvelously imaginative and insightful novel of classical antiquity Julian captures the religious and political ferment of a desperate age and restores with blazing wit and vigor the legacy of an impassioned ruler *Perpetual War for Perpetual Peace* Gore Vidal,2002-04-10 The United States has been engaged in what the great historian Charles A Beard called perpetual war for perpetual peace The Federation of American Scientists has cataloged nearly 200 military incursions since 1945 in which the United States has been the aggressor In a series of penetrating and alarming essays whose centerpiece is a commentary on the events of September 11 2001 deemed too controversial to publish in this country until now Gore Vidal challenges the comforting consensus following September 11th and goes back and draws connections to Timothy McVeigh s bombing of the federal building in Oklahoma City He asks were these simply the acts of evil doers Gore Vidal is the master essayist of our age Washington Post Our greatest living man of letters Boston Globe Vidal s imagination of American politics is so powerful as to compel awe Harold Bloom The New York Review of Books At Home Gore Vidal,2018-08-22 Written by America s finest essayist New Statesman At Home brings together twenty four essays on subjects ranging from Henry James to Nancy Reagan Oscar Wilde to Oliver North Hollywood to Mongolia From the leaders and lunacies of contemporary America to reminiscences of his own childhood whether answering his own critics or excoriating the current state of literature Gore Vidal is as always elegant incisive and brilliant As provocative and perceptive a social and literary critic as America has today Newsweek Vidal s pieces grab one s attention and refuse to let go At once forthright and mendacious smart and demented they re written with panache vigor and a caustic often perverse wit As a stylist he s almost a national treasure Wall Street Journal I can t think of any writer more certain to have exactly the right opinion on absolutely everything Washington Post Book World *The Messiah* Gore Vidal,1998-01-01 When a mortician appears on television to declare that death is infinitely preferable to life he sparks a religious movement that quickly leaves Christianity and most of Islam in the dust Gore Vidal s deft and daring blend of satire and prophecy first published in 1954 eerily anticipates the excesses of Jim Jones David Koresh and the Heaven s Gate suicide cult **Dreaming War** Gore Vidal,2009-07-21 When

Gore Vidal's recent New York Times bestseller *Perpetual War for Perpetual Peace* was published the Los Angeles Times described Vidal as the last defender of the American republic In *Dreaming War* Vidal continues this defense by confronting the Cheney Bush junta head on in a series of devastating essays that demolish the lies American Empire lives by unveiling a counter history that traces the origins of America's current imperial ambitions to the experience of World War Two and the post war Truman doctrine And now with the Cheney Bush leading us into permanent war Vidal asks whose interests are served by this doctrine of pre-emptive war Was Afghanistan turned to rubble to avenge the 3 000 slaughtered on September 11 Or was the unlovely Osama chosen on aesthetic grounds to be the frightening logo for our long contemplated invasion and conquest of Afghanistan After all he was abruptly replaced with Saddam Hussein once the Taliban were overthrown And while evidence is now being invented to connect Saddam with 9 11 the current administration are not helped by stories in the U S press about the vast oil wealth of Iraq which must for the sake of the free world be reassigned to U S consortiums
