Reforming London The London Government Problem 1855 1900:

Sanitary Reform in Victorian Britain, Part I Vol 3 Michelle Allen-Emerson, Tina Young Choi, Christopher S Hamlin, 2021-12-24 Sanitary reform was one of the great debates of the nineteenth century This reset edition makes available a modern edited collection of rare documents specifically addressing sanitary reform An extensive general introduction sets the material in context and extends the debate to provide a contemporary international perspective **Popular**

Conservatism in Imperial London, 1868-1906 Alex Windscheffel, 2007 First detailed investigation into the popular dimensions of late Victorian London Conservatism *Popular Culture in London C.1890-1918* Andrew Horrall, 2001-12-07 Reg Prentice remains the most high profile politician to cross the floor of the House of Commons in the post war period His defection reflected an important sea change in British politics the end of the post war consensus and the beginnings of the Thatcher era This book examines the key events surrounding Prentice s transition from a front line Labour politician to a Conservative minister in the first Thatcher government It focuses on the shifting political climate in Britain during the 1970s as the post war settlement came under pressure from adverse economic conditions militant trade unionism and an assertive New Left Prentice s story provides an important case study on the crisis that afflicted social democracy highlighting Labour s left right divide and the possibility of a realignment of British politics This study will be invaluable to anyone interested in the turbulent and transitional nature of British politics during a watershed period **Law and Society in England 1750-1950**

William Cornish, Stephen Banks, Charles Mitchell, Paul Mitchell, Rebecca Probert, 2019-10-31 Law and Society in England 1750 1950 is an indispensable text for those wishing to study English legal history and to understand the foundations of the modern British state In this new updated edition the authors explore the complex relationship between legal and social change They consider the ways in which those in power themselves imagined and initiated reform and the ways in which they were obliged to respond to demands for change from outside the legal and political classes What emerges is a lively and critical account of the evolution of modern rights and expectations and an engaging study of the formation of contemporary social administrative and legal institutions and ideas and the road that was travelled to create them The book is divided into eight chapters Institutions and Ideas Land Commerce and Industry Labour Relations The Family Poverty and Education Accidents and Crime This extensively referenced analysis of modern social and legal history will be invaluable to students and teachers of English law political science and social history *A Working Woman* Jennifer Holmes, 2019-02-12 A Working Woman The Remarkable Life of Ray Strachey is a traditional biography of a very untraditional woman Tug of love child Ward in Chancery pampered schoolgirl pioneer car driver would be electrical engineer triumphant suffragist political lobbyist historian biographer novelist journalist broadcaster well known public figure enthusiastic bricklayer devoted mother despairing stepmother neglected wife Ray Strachey was all of these and more Bertrand Russell taught her maths John Maynard Keynes fell a little in love with her Virginia Woolf was over awed by her Millicent Garrett Fawcett and Nancy Astor

depended on her She inspired admiration in men and gratitude close to worship in women As a close colleague of Millicent Fawcett Ray Strachey played a major non violent role in gaining British women the vote in 1918 She was one of the first female Parliamentary candidates and became one of the leading feminists of the inter war years devoted in particular to improving employment opportunities for women A brilliant political lobbyist with an extraordinary range of contacts she was also a celebrated author journalist and broadcaster still remembered for her classic history of the Women s Movement The Cause 1928 She achieved all this as a working mother with overwhelming family responsibilities and an unusual some said eccentric private life Lavishly illustrated this first full account of Ray Strachey s life is based on extensive research and draws heavily on her own lively and forthright comments on people and events Interweaving her public roles with her challenging private life on the fringes of the Bloomsbury set it features a host of well known personalities and introduces a new generation of readers to a fascinating though neglected fighter for women s rights

Treasure Islands Nicholas Shaxson, 2025-04-16 A thrilling ride inside the world of tax havens and corporate masterminds While the United States experiences recession and economic stagnation and European countries face bankruptcy experts struggle to make sense of the crisis Nicholas Shaxson a former correspondent for the Financial Times and The Economist argues that tax havens are a central cause of all these disasters In this hard hitting investigation he uncovers how offshore tax evasion which has cost the U S 100 billion dollars in lost revenue each year is just one item on a long rap sheet outlining the damage that offshoring wreaks on our societies In a riveting journey from Moscow to London to Switzerland to Delaware Shaxson dives deep into a vast and secret playground where bankers and multinational corporations operate side by side with nefarious tax evaders organized criminals and the world s wealthiest citizens Tax havens are where all these players get to maximize their own rewards and leave the middle class to pick up the bill With eye opening revelations Treasure Islands exposes the culprits and its victims and shows how Over half of world trade is routed through tax havens The rampant practices that precipitated the latest financial crisis can be traced back to Wall Street s offshoring practices For every dollar of aid we send to developing countries ten dollars leave again by the backdoor The offshore system sits much closer to home than the pristine tropical islands of the popular imagination In fact it all starts on a tiny island called Manhattan In this fast paced narrative Treasure Islands at last explains how the system works and how it s contributing to our ever deepening economic divide

The Language of Progressive Politics in Modern Britain Emily Robinson, 2017-02-09 This book traces the word progressive through modern British history from the Enlightenment to Brexit It explores the shifting meanings of this term and the contradictory political projects to which it has been attached It also places this political language in its cultural context asking how it relates to ideas about progressive social development progressive business and progressive rock music Progressive is often associated with a centre left political tradition but this book shows that this was only ever one use of the term and one that was heavily contested even from its inception The power of the term progressive is that it appears to

anticipate the future This can be politically and culturally valuable but it is also dangerous The suggestion that there is only one way forward has led to fear and doubt anger and apathy even amongst those who would like to consider themselves progressive people **The Cambridge Urban History of Britain** Peter Clark,David Michael Palliser,Martin J.

Daunton,2000 The process of urbanisation and suburbanisation in Britain from the Victorian period to the twentieth century

Charity and the London Hospitals, 1850-1898 Keir Waddington,2000 Drawing on a comparative study of hospital records Charity and the London Hospitals investigates how and why Victorians contributed in order to show that benevolence was rarely amenable to a single form or reason Whilst charity remained central to the hospitals *raison d etre* philanthropy s contribution was modified at a financial and administrative level as hospitals shifted from being philanthropic to medical institutions Why this process occurred and the impact of professionalisation and scientific medicine are assessed BOOK

JACKET **The History of Suffrage, 1760-1867 Vol 6** Anna Clark,Sarah Richardson,2021-03-24 This work brings together key texts drawn from the history of suffrage advocacy and agitation The whole issue of voting rights and representation is shown to be anchored firmly in the wider political culture of Britain and Ireland as well as the Empire as a whole Volume 6 covers texts from 1860 to 1873
