

A cable-stayed bridge, likely the Golden Gate Bridge, is shown from a low angle on the left side of the frame. The bridge's dark silhouette contrasts with the vibrant, warm colors of a sunset sky. The sun is a bright, glowing orb on the right horizon, casting a long, shimmering reflection across the water. The sky transitions from a deep orange near the horizon to a soft purple and pink at the top. The bridge's cables and towers are visible, extending from the left towards the center of the image.
