REFUGEES IN A GLOBAL ERA

Refugees In A Global Era

Are John Knudsen, Kjersti G. Berg

Refugees In A Global Era:

Refugees in a Global Era Philip Marfleet, 2006-02-14 *Refugees in a Global Era* offers a topical and informative analysis of forced migration in the age of globalization identifying mass displacement as an outcome of conflicts and contradictions in the global system It looks critically at histories of migration exploring the constructed nature of the refugee and considers the changing patterns of migration and the refugee experience of displacement flight and the search for asylum Additionally it offers a critical analysis of refugee policy in Europe North America and Australia and advances the case for open borders

The Refugee in the Global Era Phil Marfleet, New Ethnicities Unit, 1996 **Refugees Worldwide** Doreen Elliott, Uma A. Segal, 2012-08-03 Utilizing international perspectives this unprecedented collection of essays from leading authorities on refugee studies spotlights the realities and challenges of the global refugee population With increasing changes in the socio political climate of the world as well as with the rising numbers of natural disasters people of all ethnicities and nationalities are frequently forced from their homes and their homelands While there is a substantial body of work that addresses refugee policies post traumatic stress disorder and other specific issues there have been few attempts to understand refugee health or comprehend overall refugee adaptation until now This is the first work to address refugee issues worldwide addressing the psychological health human rights political public policy law economic social and personal aspects of this universal problem *Refugees Worldwide* also includes examples of first person refugee stories from around the world eye opening information not available in any other work Drawing on the expertise of myriad international researchers theoreticians and practitioners from representative nations around the world this four volume set effectively speaks to a number of refugee issues from a truly global perspective *Refugees in Europe, 1919-1959* Matthew Frank, Jessica Reinisch, 2017-09-21 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched *Refugees in Europe 1919 1959* offers a new history of Europe s mid 20th century as seen through its recurrent refugee crises By bringing together in one volume recent research on a range of different contexts of groups of refugees and refugee policy it sheds light on the common assumptions that underpinned the history of refugees throughout the period under review The essays foreground the period between the end of the First World War which inaugurated a series of new international structures to deal with displaced populations and the late 1950s when Europe s home grown refugee problems had supposedly been solved and attention shifted from the identification of an exclusively European refugee problem to a global one Borrowing from E H Carr s *The Twenty Years Crisis* first published in 1939 the editors of this volume test the idea that the two post war eras could be represented as a single crisis of a European dominated international order of nation states in the face of successive refugee crises which were both the direct consequence of that system and a challenge to it Each of the chapters reflects on the utility and limitations of this notion of a forty years crisis for understanding the development of specific national and international responses to refugees in the mid 20th century Contributors to the volume also provide alternative readings of the history of

an international refugee regime in which the non European and colonial world are assigned a central role in the narrative

International Political Theory and the Refugee Problem Natasha Saunders, 2017-11-22 The refugee problem is a term that it has become almost impossible to escape Although used by a wide range of actors involved in work related to forced migration these actors do not often explain what exactly the problem is that they are working to solve leading to an unfortunate conflation of two quite different problems the problems that refugees face and the problems that refugees pose Beginning from the simple yet too often overlooked observation that how one conceives of solving a problem is inseparable from what one understands that problem to be Saunders study explores the questions raised about how to address the refugee problem if we recognise that there may not be just one problem and that not all actors involved with the refugee regime conceive of their work as addressing the same problem Utilising the work of Michel Foucault the book first charts how different problems lend themselves to particular kinds of solutions arguing that the international refugee regime is best understood as developed to solve the refugee as problem rather than refugees problems Turning to the work of Hannah Arendt the book then reframes the refugee problem from the perspective of the refugee rather than the state and investigates the extent to which doing so can open up creative space for rethinking the more traditional solutions to the refugee as problem Cases of refugee protest in Europe and the burgeoning Sanctuary Movement in the UK are examined as two sub state and popular movements which could constitute such creative solutions to a reframed problem The consequences of the refugee label and of the discourses of humanitarianism and emergency is a topic of critical concern and as such the book will form important reading for a scholars and students of international political theory and forced migration studies

Refugees and Knowledge Production Magdalena Kmak, Heta Björklund, 2022-02-13 Building on research within the fields of exile studies and critical migration studies and drawing links between historical and contemporary refugee scholarship this volume challenges the bias of methodological nationalism and Eurocentrism in discussing the multifaceted forms of knowledge emerging in the context of migration and mobility With critical attention to the meaning production and scope of refugee scholarship generated at the institutions of higher education it also focuses on refugee knowledge produced outside academia and scrutinizes the conditions according to which it is validated or silenced Presenting studies of historical refuge and exile together with the experiences of contemporary refugee scholars this book will appeal to scholars across the social sciences with interests in forced migration refugee studies the sociology of knowledge and the phenomenon of insider knowledge and research methods and methodology The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

[Refugees in International Relations](#) Alexander Betts, Gil Loescher, 2011 Drawing together the work and ideas of a combination of the world's leading and emerging International Relations scholars *Refugees in International Relations* provides a comprehensive and challenging overview of the international politics of forced migration

Refugees and the Meaning of Home Helen Taylor, 2015-11-03 This book explores the meaning of home for Cypriot refugees living in London since their island was torn apart by war Taking an innovative approach it looks at how spaces time social networks and sensory experiences come together as home is constructed It places refugee narratives at its centre to reveal the agency of those forced to migrate

Refugees and Forced Migrants in Africa and the EU Elisabeth Wacker, Ulrich Becker, Katharina Crepaz, 2018-12-28 The so called refugee crisis represents one of the biggest contemporary political and social challenges Although many African countries have been dealing with forced migratory and refugee movements for decades their experiences have so far largely been neglected in the predominantly Eurocentric public debate The present volume aims to bridge this gap by providing comparative African and European perspectives from different disciplines highlighting the challenges but also potential mutual benefits of social diversification and offering an insight into possible solution strategies

Asylum after Empire Lucy Mayblin, 2017-04-05 Asylum seekers are not welcome in Europe But why is that the case For many scholars the policies have become more restrictive over recent decades because the asylum seekers have changed This change is often said to be about numbers methods of travel and reasons for flight In short we are in an age of hypermobility and states cannot cope with such volumes of others This book presents an alternative view drawing on theoretical insights from Third World Approaches to International Law post and decolonial studies and presenting new research on the context of the British Empire The text highlights the fact that since the early 1990s for the first time the majority of asylum seekers originate from countries outside of Europe countries which until 30 60 years ago were under colonial rule Policies which address asylum seekers must the book argues be understood not only as part of a global hypermobile present but within the context of colonial histories

An Introduction to International Refugee Law M. Rafiqul Islam, Md. Jahid Hossain Bhuiyan, 2013-05-15 The book is designed to provide an overview of the development meaning and nature of international refugee law The jurisprudence on the status of refugees loss and denial of the refugees status non refoulement asylum problems and challenges of refugee protection the law of return and the right of return critical refugees and immigration law and the role of international organizations in protection of refugees are revisited in the context of contemporary realities The relationship between armed conflict climate change and human right violations induced refugees and the existing international refugee regime emerging will be succinctly highlighted and analysed in the book This lucidly written and timely book will be immensely helpful to anyone grappling with the demonstrated inadequacies of international refugee law in real life situations today and desirous of the reorientation of its meaning and scope to cater for the changing needs and shared expectation of the international community in the 21st century

Conflict Refugees Christel Querton, 2023-08-10 Uncovers judicial approaches to refugee law across the European Union in the cases of refugees fleeing armed conflicts

The Ashgate Research Companion to Migration Law, Theory and Policy Satvinder S. Juss, 2016-03-23 The Ashgate Research Companion to Migration Law Theory and Policy complements the already successful Ashgate series Law

Migration established in 2006 which now has a number of well regarded monographs to its credit The purpose of this Companion is to augment that Series by taking stock of the current state of literature on migration law theory and policy and to sketch out the contours of its future long term development in what is now a vastly expanded research agenda The Companion provides readers with a definitive and dependable state of art review of current research in each of the chosen areas that is all embracing and all inclusive of its subject matter The chapters focus on the regional and the sub regional as well as the national and the global In so doing they aim to give a snap shot that is contextual coherent and comprehensive The contributors are both world renowned scholars and newer voices and include scholars practitioners former judges and researchers and policy makers who are currently working for international organisations

The Making of the Modern Refugee Peter Gatrell, 2013-09-13 *The Making of the Modern Refugee* is a comprehensive history of global population displacement in the twentieth century It takes a new approach to the subject exploring its causes consequences and meanings History the author shows provides important clues to understanding how the idea of refugees as a problem embedded itself in the minds of policy makers and the public and poses a series of fundamental questions about the nature of enforced migration and how it has shaped society throughout the twentieth century across a broad geographical area from Europe and the Middle East to South Asia South East Asia and sub Saharan Africa Wars revolutions and state formation are invoked as the main causal explanations of displacement and are considered alongside the emergence of a twentieth century refugee regime linking governmental practices professional expertise and humanitarian relief efforts This new study rests upon scholarship from several disciplines and draws extensively upon oral testimony eye witness accounts and film as well as unpublished source material in the archives of governments international organisations and non governmental organisations *The Making of the Modern Refugee* explores the significance that refugees attached to the places they left behind to their journeys and to their destinations in short how refugees helped to interpret and fashion their own history

Continental Encampment Are John Knudsen, Kjersti G. Berg, 2023-02-10 During the past decade Syria's displacement crisis has made the Middle East one of the world's foremost refugee hosting regions The measures to prevent refugees and migrants from leaving the region and returning those who do has made the region a zone of containment where millions remain displaced The volume explores responses to mass migration and traces the genealogy of humanitarian containment from the Ottoman Empire and the emergence of the first refugee camps to the present day displacement crises and the re bordering of Europe

Africa Writing Europe Maria Olausson, Christina Angelfors, 2009 *Africa Writing Europe* offers critical readings of the meaning and presence of Europe in a variety of African literary texts Authors discussed include Leila Aboulela Tatamkhulu Afrika Alice Solomon Bowen Ken Bugul and Tayeb Salih

Refugees, Refuge, and Human Displacement Ignacio López-Calvo, Marjorie Agosin, 2022-11-01 Every American is a descendant of either a Native American and enslaved person an immigrant or a refugee This book is devoted to the fourth category The essays in this volume will study the concept of refuge

as well as historical forced displacement and statelessness trying to provide potential lasting solutions to the many problems associated with this situation This volume is not only timely but expansive as it moves from the pressing crisis of refugees to the crisis of humanity that seeks to find refuge From refugees to asylum seekers from climate change to war from historical uprootedness and displacement to today s crisis of refugeeism these topics are mobilizing humanities scholars to think about refugees with a new sense of urgency This book demonstrates how interdisciplinary cultural approaches grounded in the humanities can transform refugee conversations so often dominated by political science economics and other disciplines In doing so the collection sets up far more inclusive refugee discussions and urges humanities thinkers to respond by taking the lead in the face of environmental and sociopolitical uncertainties Refugee Migration and Health Alexander

Krämer, Florian Fischer, 2018-12-11 This book focuses on the closely interlinked areas of refugee migration and health It discusses the main challenges of the recent unprecedented extremely diverse and mostly unregulated refugee migration wave for Germany and Europe and offers a broader view of refugee health from a European perspective Health issues can lead to several challenges for refugees as well as healthcare providers and as such the book also examines the requirements for the management of migrant populations in terms of medical care and health system adaptations and includes theoretical aspects of refugee migration and health as well as various perspectives on the latest developments Lastly it describes the healthcare system demands and responses for short and long term care of refugees **The Ethics of Hospitality** Helen T. Boursier, 2019-02-15 Set against an ethical theological philosophical framework of the role of love in the Abrahamic tradition Islam Judaism and Christianity *The Ethics of Hospitality* highlights the personal witness of refugee families seeking asylum from the Northern Triangle in Central America to the U S Their heart wrenching stories include why they fled their homelands their experiences along the arduous overland journey and their inhospitable reception when they arrived to the U S and requested asylum It includes an overview of the systemic connections between the U S and the violence which catapults these families to seek safety The voices of the families join the witness of interreligious volunteers of greater San Antonio who assist the refugee families in diverse capacities and who testify to the mutual blessing they receive when love of God expressed as love of neighbor becomes central to the immigration conversation Ultimately the proposal is that the interreligious community has the privilege and responsibility to respond in love with refugees seeking asylum while also leading the outcry in the public square for their radical welcome *Culture and Crisis Communication* Amiso M.

George, Kwamena Kwansah-Aidoo, 2017-08-17 A collection of case studies from nonwestern countries that offers an analysis of the significant role culture plays in crisis communication *Culture and Crisis Communication* presents an examination of how politics culture religion and other social issues affect crisis communication and management in nonwestern countries From intense human tragedy to the follies of the rich the chapters examine how companies organizations news outlets health organizations technical experts politicians and local communities communicate in crisis situations Taking a wider view than a

single country's perspective the text contains a cross cultural and cross country approach In addition the case studies offer valuable lessons that organizations that wish to operate or are operating in those cultures can adopt in preparing and managing crises The book highlights recent crisis events such as Syria's civil war missing Malaysia Flight MH370 and Japan's Fukushima Daiichi nuclear power plant disaster Each of the case studies examines how culture impacts communication and responses to crises Authoritative insightful and instructive this important resource Analyzes how nonwestern cultures respond to crises Covers the role of culture in crisis communication in recent news events Includes contributions from 18 international authors who provide insight on nonwestern culture and crisis communication Written for communication professionals academics and students Culture and Crisis Communication presents an insightful introduction to the topic of culture and crisis communication and then delves into illustrative case studies that explore intra cultural and trans boundary crisis communication

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Refugees In A Global Era**

In some sort of inundated with monitors and the cacophony of fast interaction, the profound energy and mental resonance of verbal beauty frequently fade in to obscurity, eclipsed by the continuous assault of noise and distractions. Yet, situated within the musical pages of **Refugees In A Global Era**, a charming perform of literary splendor that pulses with natural emotions, lies an unforgettable journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, this exciting opus manuals viewers on an emotional odyssey, gently revealing the latent potential and profound affect stuck within the intricate internet of language. Within the heart-wrenching expanse of this evocative analysis, we shall embark upon an introspective exploration of the book is central styles, dissect its captivating publishing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Refugees In A Global Era Introduction

Refugees In A Global Era Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Refugees In A Global Era Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Refugees In A Global Era : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Refugees In A Global Era : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Refugees In A Global Era Offers a diverse range of free eBooks across various genres. Refugees In A Global Era Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Refugees In A Global Era Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Refugees In A Global Era, especially related to Refugees In A Global Era, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Refugees In A Global Era, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Refugees In A Global Era books or magazines might include. Look for these in online stores or libraries. Remember that while Refugees In A Global Era, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Refugees In A Global Era eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Refugees In A Global Era full book , it can give you a taste of

the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Refugees In A Global Era eBooks, including some popular titles.

FAQs About Refugees In A Global Era Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Refugees In A Global Era is one of the best book in our library for free trial. We provide copy of Refugees In A Global Era in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Refugees In A Global Era. Where to download Refugees In A Global Era online for free? Are you looking for Refugees In A Global Era PDF? This is definitely going to save you time and cash in something you should think about.
