Angels Make Their Hope Here Breena Clarke, 2025-05-01 Russell's Knob is not paradise But already in 1849 this New Jersey highlands settlement is home to a diverse population of blacks whites and reds who have intermarried and lived in relative harmony for generations It is a haven for Dossie Bird who has escaped north along the Underground Railroad and now feels the embrace of the Smoot family Duncan Smoot presides as accidental patriarch protector of his enterprising sister Hattie and his two rambunctious nephews As Dossie busies herself with cleaning cooking

and tending the chickens at Duncan's homestead she wonders Could this man her rescuer so godlike in her eyes so much older than she expect her to become his helpmeet Tentatively Dossie begins to put down roots until a shocking act of violence propels her away from Russell's Knob and eventually into the mayhem of New York City's mean streets With the same storytelling brio that distinguished the acclaimed novels *River Cross My Heart* and *Stand the Storm* Breena Clarke weaves a richly dramatic story of interracial harmony in the Civil War era and of one woman's triumph in the crucible of history

Byng,Vaso Thomas,Donna-Marie Peters,Adriana Leela Bohm,Mary Stricker,2023-10-19 This book examines the way in which professors must confront the social implications of racial neoliberalism Drawing on autoethnographic research from the authors combined 100 years of teaching experience it recognizes the need for faculty to negotiate their own experiences with race as well as those of their students It focuses on the experiential nature of teaching supplementing the field's focus on pedagogy and recognizes that professors must in fact highlight rather than downplay the realities of racial inequalities of the past and present It explores the ability of instructors to make students who are not of color feel that they are not racists as well as their ability to make students of color feel that they can present their experiences of racism as legitimate A unique sociological analysis of the racial studies classroom this book will be of value to researchers scholars and faculty with interests in race and ethnicity in education diversity studies equity pedagogy and the sociology of education teaching and learning **Beyond the White Negro** Kimberly Chabot Davis,2014-07-15 Critics often characterize white consumption of African American culture as a form of theft that echoes the fantasies of 1950s era bohemians or White Negroes who romanticized black culture as anarchic and sexually potent In *Beyond the White Negro* Kimberly Chabot Davis claims such a view fails to describe the varied politics of racial crossover in the past fifteen years Davis analyzes how white engagement with African American novels film narratives and hip hop can help form anti racist attitudes that may catalyze social change and racial justice Though acknowledging past failures to establish cross racial empathy she focuses on examples that show avenues for future progress and change Her study of ethnographic data from book clubs and college classrooms shows how engagement with African American culture and

pedagogical support can lead to the kinds of white self examination that make empathy possible The result is a groundbreaking text that challenges the trend of focusing on society s failures in achieving cross racial empathy and instead explores possible avenues for change
